

Proclamation 8240 dated April 17, 2008 (73 FR 21513), the President designated Togo as a “beneficiary sub-Saharan African country” and proclaimed, for the purposes of section 112(c) of AGOA, that Togo should be considered a lesser developed beneficiary sub-Saharan African country.

In Proclamation 7350 of October 2, 2000, the President authorized the United States Trade Representative to perform the function of determining whether eligible sub-Saharan countries have met the two requirements described above. The President directed the United States Trade Representative to announce any such determinations in the **Federal Register** and to implement them through modifications in the Harmonized Tariff Schedule of the United States (HTS). Based on the actions Togo has taken, the United States Trade Representative has determined that Togo has satisfied these two requirements.

Accordingly, pursuant to the authority vested in the United States Trade Representative by Proclamation 7350, U.S. note 7(a) to subchapter II of chapter 98 of the HTS, and U.S. notes 1 and 2(d) to subchapter XIX of the HTS, are modified by inserting “Togo” in alphabetical sequence in the list of countries. The foregoing modifications to the HTS are effective with respect to articles entered, or withdrawn from warehouse for consumption, on or after the effective date of this notice. Imports claiming preferential tariff treatment under the AGOA for entries of textile and apparel articles should ensure that those entries meet the applicable visa requirements. See 66 FR 7837 (January 25, 2001).

Constance Hamilton,

Acting Assistant United States Trade Representative for African Affairs, Office of the United States Trade Representative.
