DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Toxic Substances Control Act

On August 17, 2017, the Department of Justice lodged a proposed consent decree with the United States District Court for the Southern District of New York in the lawsuit entitled *United States v. Accolade Construction Group Inc.*, Civil Action No. 15 Civ. 5855 (JCF).

On July 27, 2015, the United States filed a complaint on behalf of the Environmental Protection Agency (“EPA”) alleging that Accolade Construction Group, Inc. (“Accolade”) violated the Renovation, Repair, and Painting Rule, 40 CFR part 745, subpart E (“RRP Rule”), promulgated under the Toxic Substances Control Act (“TSCA”), 15 U.S.C. 2601 *et seq.*, during renovation work in 2013 and 2014 at six residential buildings in New York City. The complaint sought an injunction compelling compliance by Accolade in the future and an order requiring Accolade to disgorge the proceeds of conduct in violation of TSCA and the RRP Rule.

Pursuant to the proposed consent decree, both Accolade and its principal

Faisal Ahmed (“Ahmed,” and collectively, with Accolade, the “Settling Accolade Parties”) agree to injunctive relief that, among other things, requires them, for the term of the consent decree, to (1) provide EPA with notice and a proposed RRP Rule compliance plan prior to doing any renovation work covered by the RRP; (2) provide EPA with notice of each proposed renovation project prior to engaging in that project; (3) comply with the RRP Rule, and (4) maintain necessary records. The Settling Accolade Parties also agree to pay \$58,000 in disgorgement, representing profits gained as a result of the conduct alleged in the complaint. The consent decree resolves any claims of the United States against Accolade or Ahmed for the violations of TSCA alleged in the Complaint through the date of lodging.

The publication of this notice opens a period for public comment on the consent decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States v. Accolade*, D.J. Ref. No. 90–5–1–1–11139. All comments must be submitted no later than 30 days after the publication date of this notice. Comments may be submitted either by email or by mail:

SUPPLEMENTARY INFORMATION: The DOJ Libraries offer legal and general reference and research services, resource acquisition services, cataloging services, and digitization services. DOJ Libraries provide access to extensive legal and non-legal print collections and online legal resources. DOJ provides library services primarily to the DOJ Offices, Boards, and Divisions. The Main Library located in the Robert F. Kennedy Department of Justice Building contains broad collections of congressional, legal, and general research materials. In addition, branch libraries support the DOJ litigating Divisions and maintain special collections of particular interest to Division personnel.

The DOJ Library Circulation System allows the Department’s Library Staff to track the circulation of materials held by the various libraries within the Department, ensuring that library

materials can be located and made available to Department employees. The Library Staff will share information from the system pursuant to the requirements of the Privacy Act and, in the case of its routine uses, when the disclosure is compatible with the purpose for which the information was compiled.

In accordance with 5 U.S.C. 552a(r), the Department has provided a report to OMB and Congress on this new system of records.

(d) To an actual or potential party to litigation or the party's authorized representative for the purpose of negotiation or discussion of such matters as settlement, plea bargaining, or in informal discovery proceedings.

(e) To the news media and the public, including disclosures pursuant to 28 CFR 50.2, unless it is determined that release of the specific information in the context of a particular case would constitute an unwarranted invasion of personal privacy.

(f) To contractors, grantees, experts, consultants, students, and others performing or working on a contract, service, grant, cooperative agreement, or other assignment for the Federal government, when necessary to accomplish an agency function related to this system of records.

(g) To designated officers and employees of state, local, territorial, or tribal law enforcement or detention agencies in connection with the hiring or continued employment of an employee or contractor, where the employee or contractor would occupy or occupies a position of public trust as a law enforcement officer or detention officer having direct contact with the public or with prisoners or detainees, to the extent that the information is relevant and necessary to the recipient agency's decision.

deployment of an employee; the issuance, renewal, suspension, or revocation of a security clearance; the execution of a security or suitability investigation; the letting of a contract; or the issuance of a grant or benefit.

(i) To a former employee of the Department for purposes of: Responding to an official inquiry by a Federal, state, or local government entity or professional licensing authority, in accordance with applicable Department regulations; or facilitating communications with a former employee that may be necessary for personnel-related or other official purposes where the Department requires information and/or consultation assistance from the former employee regarding a matter within that person's former area of responsibility.

(m) To appropriate agencies, entities, and persons when (1) the Department suspects or has confirmed that there has been a breach of the system of records; (2) the Department has determined that as a result of the suspected or confirmed breach there is a risk of harm to individuals, the Department (including its information systems, programs, and operations), the Federal Government, or national security; and (3) the disclosure made to such agencies, entities, and persons is reasonably necessary to assist in connection with the Department efforts to respond to the suspected or confirmed breach or to prevent, minimize, or remedy such harm.

(n) To another Federal agency or Federal entity, when the Department determines that information from this system of records is reasonably necessary to assist the recipient agency or entity in (1) responding to a suspected or confirmed breach or (2) preventing, minimizing, or remedying the risk of harm to individuals, the recipient agency or entity (including its information systems, programs, and operations), the Federal Government, or
