

should simplify and streamline the Exchange's administration of its rules. Thus, the Commission believes that the proposed changes related to integration of the NYSE Arca Equities rules into the NYSE Arca rules are consistent with Sections 6(b)(1) and 6(b)(5) of the Act.

Finally, the Exchange proposes certain changes to the disciplinary proceedings rules governing its Permit Holders. The Exchange proposes to incorporate the rules relating to the current NYSE Arca Equities Business Conduct Committee (referred to as "the BCC") into the Exchange's rules and to integrate the rules for disciplinary proceedings to cover both ETP Holders and OTP Holders. The Exchange represents that the proposed changes would provide that disciplinary proceedings involving ETP Holders would continue to be heard by the BCC, while disciplinary proceedings involving OTP Holders would continue to be heard by the Ethics and Business Conduct Committee (referred to as "the EBCC").<sup>65</sup> The Exchange also proposes revisions to its rules to clarify that the review of decisions by either the BCC or EBCC would be heard by the CFR, a committee of the Board, rather than the full Board. The Commission notes, however, that the proposed changes would not fundamentally alter the current disciplinary procedures for either ETP Holders or OTP Holders, but would continue the existing disciplinary processes in a single rulebook and would provide further clarity about the Exchange's current review process. Thus, the Commission finds that the proposed changes to the disciplinary rules are consistent with Sections 6(b)(5) and 6(b)(7) of the Act.

#### V. Accelerated Approval of Proposed Rule Change, as Modified by Amendment No. 2

The Commission finds good cause to approve the proposed rule change, as modified by Amendment No. 2, prior to the 30th day after the date of publication of notice of Amendment No. 2 in the **Federal Register**. As discussed above, Amendment No. 2 revises the Exchange's rule text primarily to reflect updates to its rules that resulted from Exchange filings that became effective after the Exchange filed the original proposed rule change and to make other clarifying, correcting, or updating changes to the proposed rule text. In addition, in Amendment No. 2, the Exchange modifies its original proposal by carrying over the Equities Fee Schedule, as set forth in new Exhibit 5E, and making minor updating changes instead of replacing that fee schedule in its entirety. The Commission believes that the proposed changes in Amendment No. 2 do not raise any new

issues, but rather would add greater clarity to the proposed rule change. Accordingly, the Commission finds good cause, pursuant to Section 19(b)(2) of the Exchange Act,<sup>66</sup> to approve the proposed rule change, as modified by Amendment No. 2 on an accelerated basis.

#### VI. Conclusion

*It is therefore ordered*, pursuant to Section 19(b)(2) of the Exchange Act,<sup>67</sup> that the proposed rule change (SR-NYSEArca-2017-40), as modified by Amendment No. 2 thereto, be, and hereby is, approved on an accelerated basis.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.<sup>68</sup>
