375. Regulation CC—Availability of Funds and Collection of Checks (Docket No: R-1409)

Legal Authority: 12 U.S.C. 4001 to 4010; 12 U.S.C. 5001 to 5018

Abstract: The Board of Governors of the Federal Reserve System (the Board) proposed amendments to Regulation CC to facilitate the banking industry’s ongoing transition to fully electronic interbank check collection and return, including proposed amendments to subpart C to condition a depository bank’s right of expeditious return on the depository bank agreeing to accept returned checks electronically, either directly or indirectly, from the paying bank. The Board also proposed amendments to subpart B, the funds availability schedule provisions to reflect the fact that there are no longer any non-local checks. The Board proposed to revise the model forms in appendix C that banks may use in disclosing their funds availability

policies to their customers and to update the preemption determinations in appendix F. Finally, the Board requested comment on whether it should consider future changes to the regulation to improve the check collection system, such as decreasing the time afforded to a paying bank to decide whether to pay a check in order to reduce the risk to a depository bank of needing to make funds available for withdrawal before learning whether a deposited check has been returned unpaid.

Final Rule Stage

376. Regulation LL—Savings and Loan Holding Companies and Regulation MM—Mutual Holding Companies (Docket No: R-1429)

Legal Authority: 5 U.S.C. 552; 5 U.S.C. 559; 5 U.S.C. 1813; 5 U.S.C. 1817; 5 U.S.C. 1828

Abstract: The Dodd-Frank Act Wall Street Reform and Consumer Protection Act (the Act) transferred responsibility

for supervision of Savings and Loan Holding Companies (SLHCs) and their non-depository subsidiaries from the Office of Thrift Supervision (OTS) to the Board of Governors of the Federal Reserve System (the Board), on July 21, 2011. The Act also transferred supervisory functions related to Federal savings associations and State savings associations to the Office of the Comptroller of the Currency (OCC) and the Federal Deposit Insurance Corporation (FDIC), respectively. The Board on August 12, 2011, approved an interim final rule for SLHCs, including a request for public comment. The interim final rule transferred from the OTS to the Board the regulations necessary for the Board to supervise SLHCs, with certain technical and substantive modifications. The interim final rule has three components: (1) New Regulation LL (part 238), which sets forth regulations generally governing SLHCs; (2) new Regulation MM (part 239), which sets forth regulations governing SLHCs in mutual form; and (3) technical amendments to existing Board regulations necessary to accommodate the transfer of supervisory authority for SLHCs from the OTS to the Board. The structure of interim final Regulation LL closely follows that of the Board's Regulation Y, which governs bank holding companies, in order to

provide an overall structure to rules that were previously found in disparate locations. In many instances, interim final Regulation LL incorporated OTS regulations with only technical modifications to account for the shift in supervisory responsibility from the OTS to the Board. Interim final Regulation LL also reflects statutory changes made by the Dodd-Frank Act with respect to SLHCs, and incorporates Board precedent and practices with respect to applications processing procedures and control issues, among other matters. Interim final Regulation MM organized existing OTS regulations governing SLHCs in mutual form (MHCs) and their subsidiary holding companies into a single part of the Board's regulations. In many instances, interim final Regulation MM incorporated OTS regulations with only technical modifications to account for the shift in supervisory responsibility from the OTS to the Board. Interim final Regulation MM also reflects statutory changes made by the Dodd-Frank Act with respect to MHCs. The interim final rule also made technical amendments to Board rules to facilitate supervision of SLHCs, including to rules implementing Community Reinvestment Act requirements and to Board procedural and administrative rules. In addition, the Board made technical amendments

to implement section 312(b)(2)(A) of the Act, which transfers to the Board all rulemaking authority under section 11 of the Home Owner's Loan Act relating to transactions with affiliates and extensions of credit to executive officers, directors, and principal shareholders. These amendments include revisions to parts 215 (Insider Transactions) and part 223 (Transactions with Affiliates) of Board regulations.
