MEMORANDUM OF AGREEMENT BETWEEN THE DEPARTMENT OF STATE BUREAU OF CONSULAR AFFAIRS AND INTERCOUNTRY ADOPTION ACCREDITATION AND MAINTENANCE ENTITY, INC.

Parties & Purpose of the Agreement

The Department of State, Bureau of Consular Affairs (Department), and Intercountry Adoption Accreditation and Maintenance Entity, Inc. (IAAME), with its principal office located at 5950 NW 1st Place, Suite A Gainesville, FL 32607, hereinafter the “Parties,” are entering into this agreement for the purpose of designating IAAME as an accrediting entity under the Intercountry Adoption Act of 2000 (IAA), Public Law 106–279, and 22 CFR part 96.

Authorities

The Department enters into this agreement pursuant to Sections 202 and 204 of the IAA, 22 CFR part 96, and Delegation of Authority 261. IAAME has full authority to enter into this MOA pursuant to a resolution passed by the Board of Directors of Partnership for
Strong Families, Inc. dated June 26, 2017, which resolution authorizes the creation of IAAME and Stephen Pennypacker as its President & CEO to execute this agreement on behalf of IAAME.

Definitions

For purposes of this memorandum of agreement, terms used here that are defined in 22 CFR 96.2 shall have the same meaning as they have in 22 CFR 96.2.

The Parties AGREE AS FOLLOWS:

Article 1
Designation of the Accrediting Entity

The Department hereby designates IAAME as an accrediting entity and thereby authorizes it to accredit agencies and approve persons to provide adoption services in intercountry adoption cases, in accordance with the procedures and standards set forth in 22 CFR part 96, and to perform all of the accrediting entity functions set forth in 22 CFR 96.7(a).

Article 2
Responsibilities of the Accrediting Entity

1) IAAME agrees to perform all accrediting entity functions set forth in 22 CFR 96.7(a) and to perform its functions in accordance with the Convention, the IAA, the Intercountry Adoption Universal Accreditation Act of 2012 (UAA), Public Law 112–276, Part 96 of 22 CFR, and any other applicable regulations, and as additionally specified in this agreement.

In performing these functions, IAAME will operate under policy direction from the Department regarding U.S. obligations under the Convention and regarding the functions and responsibilities of an accrediting entity under the IAA, UAA, and any other applicable regulations.

2) IAAME will take appropriate staffing, funding, and other measures to allow it to carry out all of its functions and fulfill all of its responsibilities, and will use the adoptions tracking system and the Complaint Registry (ATS/CR) as directed by the Department, including by updating required data fields in a timely fashion.

3) In carrying out its accrediting entity functions IAAME will:

a) make decisions on accreditation and approval in accordance with the procedures set forth in 22 CFR part 96 and using only the standards in subpart F of 22 CFR part 96 and the substantial compliance weighting system approved by the Department pursuant to para.5, Article 3 below;

b) charge applicants for accreditation or approval only fees approved by the Department pursuant to para. 4, Article 3 below;

c) review complaints, including complaints regarding conduct alleged to have occurred overseas, in accordance with subpart J of 22 CFR part 96 and the additional procedures approved by the Department pursuant to paragraphs 3 c) and 3 d) in Article 3, below. IAAME will exercise its discretion in determining which methods are most appropriate to review complaints regarding conduct alleged to have occurred overseas. This may, when appropriate, include a referral to the Department and/or other appropriate law enforcement authorities for potential investigation of complaints relating to possible civil or criminal violation of IAA section 404 or other possible criminal activity;

d) take adverse actions against accredited agencies and approved persons in accordance with subpart K of 22 CFR part 96, and cooperate with the Department in any case in which the Department considers exercising its adverse action authorities because the accrediting entity has failed or refused after consultation with the Department to take what the Department considers to be appropriate enforcement action;

e) assume full responsibility for defending adverse actions in court proceedings, if challenged by the adoption service provider or the adoption service provider’s board or officers;

f) refer an adoption service provider to the Department for debarment if, but only if, it concludes after review that the adoption service provider’s conduct meets the standards for action by the Secretary set out in 22 CFR 96.85;

g) promptly report any change in the accreditation or approval status of an adoption service provider to the relevant state licensing authority;

h) maintain and use only the required procedures approved by the Department and those procedures presented to the Department pursuant to Article 3 of this agreement whenever they apply;

i) consult with the Department, when needed, to solicit greater clarity regarding the meaning of relevant laws and regulations.

Article 3
Training, Procedures, and Fees

1) Accreditation Materials and Training: In coordination with the Department and any other designated accrediting entities, IAAME will:

a) maintain forms, training materials, and evaluation practices;

b) assist in conducting or participate in any joint training sessions;

c) develop and maintain resources to assist applicants for accreditation and approval in achieving substantial compliance with the applicable standards.

2) Internal Review Procedure: IAAME will maintain procedures that have been approved by the Department and use these procedures to determine whether to terminate adverse actions against an accredited agency or approved person on the grounds that the deficiencies necessitating the adverse action have been corrected.

3) Other Procedures: IAAME will maintain procedures approved by the Department and update these, subject to the Department’s approval, as needed:

a) to evaluate whether a candidate for accreditation meets the applicable eligibility requirements set forth in 22 CFR part 96;

b) to carry out its monitoring duties;

c) to review complaints or information referred to it through the Complaint Registry or from the Department directly;

d) to review complaints that it receives about its own actions as an accrediting entity for adoption service providers;

e) to make the public disclosures required by 22 CFR 96.91; and

f) to ensure the reasonableness of charges for the travel and maintenance of its site evaluators, such as for travel, meals, and accommodations, which charges shall be in addition to the fees charged under 22 CFR 96.8.

4) Fee Schedule:

The Parties agree that, in order to maintain the Department’s approval, as needed:

a) IAAME will maintain a fee schedule for accreditation and approval services that meets the requirements of 22 CFR 96, and update these, subject to approval by the Department. Fees will be set based on the principle of recovering no more than the full cost, as defined in OMB Circular A–25 paragraph 6(d)(1), of accreditation and approval services. IAAME will maintain a fee schedule developed using this methodology together with comprehensive documentation, and will provide justification of the proposed fees to the Department for the Department’s approval.

b) The approved fee schedule can be amended with the approval of the Department.

5) Substantial Compliance Weighting Systems:

The Parties agree that, in order to maintain the Department’s approval, as needed:

a) IAAME will maintain and update a substantial compliance weighting system as described in 22 CFR 96 and as approved by the Department.
b) In maintaining the systems described in paragraph (a) of this section, IAAME will coordinate with any other accrediting entities, and consult with the Department to ensure consistency between the systems used by accrediting entities. These systems can be amended with the approval of the Department.

Article 4

Data Collection, Reporting and Records

1) Adoptions Tracking System/Complaint Registry (ATS/CR):

a) IAAME will maintain and fund a computer and internet connection for use with the ATS/CR that meets system requirements set by the Department;

b) The Department will provide software or access tokens needed by individuals for secure access to the ATS/CR and facilitate any necessary training for use of the ATS/CR.

2) Annual Report: IAAME will report on dates agreed upon by the Parties, in a mutually agreed upon format, the information required in 22 CFR 96.93 as provided in that section through ATS/CR.

3) Additional Reporting: IAAME will provide any additional status reports or data as required by the Department, and in a mutually agreed upon format.

4) Accrediting Entity Records:

IAAME will retain all records related to its accreditation functions and responsibilities in printed or electronic form in accordance with the electronic recordkeeping policy that applies to Federal acquisition contracts under Federal Acquisition Regulation 4.703 for a minimum of 3 years after the termination of IAAME’s designation as an accrediting entity, or until any litigation, claim, or audit related to the records filed or noticed within its period of designation is finally terminated, whichever is later.

Article 5

Department Oversight and Monitoring

1) To facilitate oversight and monitoring by the Department, IAAME will:

a) provide copies of its forms and other materials to the Department and give Department personnel the opportunity to participate in any training sessions for its evaluators or other personnel;

b) allow the Department to inspect all records relating to its accreditation functions and responsibilities and provide to the Department copies of such records as requested or required for oversight, including to evaluate renewal or maintenance of the accrediting entity’s designation, and for purposes of transferring adoption service providers to another accrediting entity;

c) submit to the Department by a date agreed upon by the Parties an annual declaration signed by the President and Chief Executive Officer confirming that IAAME is complying with the IAA, UAA, 22 CFR part 96, any other applicable regulations, and this agreement in carrying out its functions and responsibilities;

d) make appropriate senior-level officers available to attend a yearly performance review meeting with the Department;

e) immediately report to the Department events that have a significant impact on its ability to perform its functions and responsibilities as an accrediting entity, including financial difficulties, changes in key personnel or other staffing issues, legal or disciplinary actions against the organization, and conflicts of interest;

2) Consultation:

IAAME will consult with the Department before releasing such information:

a) to the Department’s AE Liaison via email where possible. The AE Liaison will coordinate the Department’s approval process and arranging any necessary meetings or telephone conferences with IAAME. Formal approval by the Department will be expeditiously conveyed in writing by the Deputy Assistant Secretary for Overseas Citizens Services or her or his designee.

3) Suspension or Cancellation:

When the Department is considering suspension or cancellation of IAAME’s designation:

a) the Department will notify IAAME in writing of the identified deficiencies in its performance and the time period in which the Department expects correction of the deficiencies;

b) IAAME will respond in writing to either explain the actions that it has taken or plans to take to correct the deficiencies or to demonstrate that the Department’s concerns are unfounded within 10 business days;

c) upon request, the Department also will meet with the accrediting entity by teleconference or in person;

d) if the Department, in its sole discretion, is not satisfied with the actions or explanation of IAAME, it will notify IAAME in writing of its decision to suspend or cancel IAAME’s designation and this agreement;

e) IAAME will stop or suspend its actions as an accrediting entity as directed by the Department in the notice of suspension or cancellation, and cooperate with any Departmental instructions in order to transfer adoption service providers it accredits (including temporarily accredits) or approves to another accrediting entity, including by transferring fees collected by IAAME for services not yet performed.

4) IAAME will follow its procedures for reviewing complaints against IAAME received by the Department or referred to the Department because the complainant was not satisfied with IAAME’s resolution of the complaint. These complaint procedures may be incorporated into the Department’s general procedures for handling instances in which the Department is considering whether a deficiency in the accrediting entity’s performance may warrant suspension or cancellation of its designation.

Article 6

Other Issues Agreed By the Parties

1) Conflict of interest provisions:

a) IAAME shall disclose to the Department the name of any organization of which it is a member that also has as members intercountry adoption service providers. IAAME shall demonstrate to the Department that it has procedures in place to prevent any such membership from influencing its actions as an accrediting entity and shall maintain and use these procedures.

b) IAAME shall identify for the Department all members of its board of directors or other governing body, employees, and site evaluators who also serve as officers, directors, employees, or owners of adoption service providers or of membership organizations who have adoption service providers as members. IAAME shall demonstrate it
has procedures in place to ensure that any such relationships will not influence any accreditation or approval decisions, and shall maintain and use these procedures.

c) IAAME shall disclose to the Department any other situation or circumstance that may create the appearance of a conflict of interest.

2) Liability: IAAME agrees to maintain sufficient resources to defend challenges to its actions as an accrediting entity, including by maintaining liability insurance for its actions as an accrediting entity brought by agencies and/or persons seeking to be accredited or approved or who are accredited or approved, and to inform the Department immediately of any events that may affect its ability to defend itself (e.g., change in or loss of insurance coverage, change in relevant state law). IAAME agrees that it will consult with the Department immediately if it becomes aware of any other legal proceedings related to its actions as an accrediting entity, or of any legal proceedings not related to its acts as an accrediting entity that may threaten its ability to continue to function as an accrediting entity.

Article 7
Liaison Between the Department and the Accrediting Entity

1) IAAME’s principal point of contact for communications relating to its functions and duties as an accrediting entity will be the Director of Intercountry Adoption Accreditation. The Department’s principal point of contact for communication is the Accrediting Entity Liaison officer in the Office of Children’s Issues, Office of Overseas Citizens Services, Bureau of Consular Affairs, U.S. Department of State.

2) The parties will keep each other currently informed in writing of the names and contact information for their principal points of contact. As of the signing of this Agreement, the respective principal points of contact are as set forth in Attachment 1.

Article 8
Certifications and Assurances

1) IAAME certifies that it will comply with all requirements of applicable State and Federal law.

Article 9
Agreement, Scope, and Period of Performance

1) Scope: a) This agreement is not intended to have any effect on any activities of IAAME that are not related to its functions as an accrediting entity for adoption service providers providing adoption services in intercountry adoptions.

b) Nothing in this agreement shall be deemed to be a commitment or obligation to provide any Federal funds.

c) All accrediting entity functions and responsibilities authorized by this agreement are to occur only during the duration of this agreement.

d) Nothing in this agreement shall release IAAME from any legal requirements or responsibilities imposed on the accrediting entity by the IAA, UAA, 22 CFR part 96, or any other applicable laws or regulations.

2) Commencement of responsibilities: IAAME’s responsibilities as an accrediting entity under Article 2 will commence upon approval by the Department of systems, procedures, and a fee schedule that, if applicable, are coordinated between IAAME and any other designated accrediting entity to ensure general consistency in accreditation systems and procedures, and general parity of fees; and, if applicable, determination by the Department of jurisdictional boundaries between IAAME and any other designated accrediting entity.

3) Duration: IAAME’s designation as an accrediting entity and this agreement shall remain in effect for five years from signature, unless terminated earlier by the Department in conjunction with the suspension or cancellation of the designation of IAAME. The Parties may agree mutually in writing to extend the designation of the accrediting entity and the duration of this agreement. If either Party does not wish to renew the agreement, it must provide written notice no less than one year prior to the termination date, and the Parties will consult to establish a mutually agreed schedule to transfer adoption service providers to another accrediting entity, including by transferring a reasonable allocation of collected fees for the remainder of the accreditation or approval period of such adoption service providers.

4) Changed Circumstances: If unforeseen circumstances arise that will render IAAME unable to continue to perform its duties as an Accrediting Entity, IAAME will immediately inform the Department of State. The Parties will consult and make an effort to find a solution that will enable IAAME to continue to perform until the end of the contract period. If no such solution can be reached, the contract may be terminated on a mutually agreed date or, if mutual agreement cannot be reached, on not less than 14 months written notice from IAAME.

5) Severability: To the extent that the Department determines, within its reasonable discretion, that any provision of this agreement is inconsistent with the Convention, the IAA, the UAA, the regulations implementing the IAA and UAA, or any other provision of law, that provision of the agreement shall be considered null and void and the remainder of the agreement shall continue in full force and effect as if the offending portion had not been a part of it.

6) Entirety of Agreement: This agreement is the entire agreement of the Parties and may be modified only upon written agreement of the Parties.

David T. Donahue, Acting Assistant Secretary for Consular Affairs, Department of State.
