(e) Unsafe Condition

This AD was prompted by a report of an in-flight failure of a fan blade on a CFM56–7B turbofan engine. We are issuing this AD to prevent fan blade failure, uncontained forward release of debris, damage to the engine, and damage to the airplane.

(f) Compliance

Comply with this AD within the compliance times specified, unless already done.

(1) For engines, on the effective date of this AD, with more than 15,000 cycles-in-service (CIS) since the last engine shop visit, with any part number (P/N) fan blade installed, perform an ultrasonic inspection (USI) of the fan blades within 6 months after the effective date of this AD.

(2) For engines, on the effective date of this AD, with 15,000 CIS or less since the last engine shop visit and with fan blades, P/N 340–001–022–0, 340–001–027–0, 340–001–029–0, 340–001–037–01, or 340–001–039–0, installed, perform a USI of the fan blades within 18 months after the effective date of this AD or at the next fan blade lubrication after the effective date of this AD, whichever occurs first.

(3) Use the Accomplishment Instructions, paragraphs 3.A (3)(a) through (g), of CFM Service Bulletin (SB) No. CFM56–7B 72–1019, Revision 1, dated June 13, 2017, to do the USI required by paragraphs (f)(1) and (2) of this AD.

(4) If any fan blade fails the inspection required by paragraphs (f)(1) or (2) of this AD, replace with a part eligible for installation.

(g) Definition

(1) For the purpose of this AD, an “engine shop visit” is the removal of an engine when the subsequent engine maintenance performed prior to reinstallation of the engine entails:

(i) A 360-degree separation of major mating engine flanges, or

(ii) The removal of a disk, hub, or spool.

(2) The following actions do not constitute an engine shop visit:

(i) Replacement of an engine module on-wing,

(ii) Replacement of a gearbox, or

(iii) Accomplishment of a top/bottom case.

(h) Credit for Previous Actions

You may take credit for the USI required by paragraph (f) of this AD, if you performed an eddy current inspection of the affected fan blades before the effective date of this AD.

(i) Alternative Methods of Compliance (AMOCs)

(1) The Manager, FAA, ECO Branch, Compliance and Airworthiness Division, may approve AMOCs for this AD. Use the procedures found in 14 CFR 39.19 to make your request. You may email your request to: ANE-AD-AMOC@faa.gov.

(2) Before using any approved AMOC, notify your appropriate principal inspector, or lacking a principal inspector, the manager of the local flight standards district office/ certificate holding district office, of the steps taken.

DEPARTMENT OF EDUCATION

34 CFR Chapter VI

Regulatory Reform; Public Hearings

AGENCY: Office of Postsecondary Education, Department of Education.

ACTION: Notification of public hearings.

SUMMARY: In accordance with Executive Order 13777, “Enforcing the Regulatory Reform Agenda,” the Department of Education (Department) is seeking input on Department regulations related to postsecondary education that may be appropriate for repeal, replacement, or modification. We announce two public hearings at which interested parties may provide input.

DATES: The dates, times, and locations of the public hearings are listed under the SUPPLEMENTARY INFORMATION section of this document.

If you have a telecommunications device for the deaf (TDD) or text telephone (TTY), call the Federal Relay Service (FRS), toll free, at 1–800–877–8339.

SUPPLEMENTARY INFORMATION: On February 24, 2017, President Trump signed Executive Order 13777, “Enforcing the Regulatory Reform Agenda,” which established a Federal policy “to alleviate unnecessary regulatory burdens” on the American people. Section 3(a) of the Executive Order directs Federal agencies to establish a Regulatory Reform Task Force (Task Force). One of the duties of an agency Task Force is to evaluate existing regulations and “make recommendations to the agency head regarding their repeal, replacement, or modification.” The Executive Order further asks that each Task Force “attempt to identify regulations that:

(i) Eliminate jobs, or inhibit job creation;

(ii) Are outdated, unnecessary, or ineffective;

(iii) Impose costs that exceed benefits;

(iv) Create a serious inconsistency or otherwise interfere with regulatory reform initiatives and policies;

(v) Are inconsistent with the requirements of section 515 of the Treasury and General Government Appropriations Act, 2001 (44 U.S.C. 3516 note), or the guidance issued pursuant to that provision, in particular those regulations that rely in whole or in part on data, information, or methods that are not publicly available or that are insufficiently transparent to meet the standard for reproducibility; or

(vi) Derive from or implement Executive Orders or other Presidential directives that have been subsequently rescinded or substantially modified.”

Section 3(e) of the Executive Order calls on each Task Force to “seek input and other assistance, as permitted by law, from entities significantly affected by Federal regulations, including State, local, and tribal governments, small businesses, consumers, non-governmental organizations, and trade associations” on regulations that meet some or all of the criteria above. A “regulation” for this purpose “means an agency statement of general or particular applicability and future effect designed to implement, interpret, or prescribe law or policy or to describe the procedure or practice requirements of an agency. . . . ” See Executive Order 13771, section 4.

On June 22, 2017, the Department published a notice in the Federal Register (82 FR 28431) soliciting written comments from the public to inform its Task Force’s evaluation of all of the Department’s existing regulations and guidance, including regulations and
guidance related to postsecondary education programs, that have a policy impact. We are now announcing two public hearings that will supplement this effort by seeking public input on Department regulations and guidance specific to postsecondary education programs that may be appropriate for repeal, replacement, or modification. This includes regulations and guidance for the Federal Student Aid programs authorized under title IV of the Higher Education Act of 1965, as amended, as well as regulations and guidance for the institutional service, international and foreign language education, and student service programs.

Public Hearings

We will hold two public hearings:

- September 26, 2017, at Salt Lake Community College—Miller Campus, 9750 South 300 West, Karen Gail Miller Conference Center, Copper Creek Room A&B, Sandy, Utah 84070.

The public hearings will be held from 9:00 a.m. to 4:00 p.m., local time.

Individuals who would like to present comments at the public hearings must register by sending an email to opereregformhearings@ed.gov. The email should include the name of the presenter along with the public hearing at which the individual would like to speak, the general topic(s) the individual would like to address, and a general timeframe during which the individual would like to speak (for example, a presenter could indicate morning or afternoon, or before 11:00 a.m. or after 3:00 p.m.). We will attempt to accommodate each speaker’s preference, but, if we are unable to do so, we will make the determination on a first-come first-served basis, based on the time and date the email was received. It is likely that each participant will be limited to five minutes. The Department will notify registrants of the location and time slot reserved for them. An individual may make only one presentation at the public hearings. If we receive more registrations than we are able to accommodate, the Department reserves the right to reject the registration of an entity or individual that is affiliated with an entity or individual that is already scheduled to present comments, and to select among registrants to ensure that a broad range of entities and individuals is allowed to present. We will accept walk-in registrations for any remaining time slots on a first-come first-served basis, beginning at 8:30 a.m. on the day of the public hearing at the Department’s on-site registration table. Registration is not required to observe the public hearings; however, space may be limited.

The Department will post transcripts of the hearings to https://www2.ed.gov/policy/highered/reg/reform/2017/index.html. Although the Department will not be videoing the hearings, as this is a public meeting, speakers should be aware that they may be filmed or recorded by members of the public. Accessible Format: Individuals with disabilities can obtain this document in an accessible format (e.g., braille, large print, audiotape, or compact disc) or register to present comments by contacting Wendy Macias, U.S. Department of Education, 400 Maryland Ave. SW., Room 6C111, Washington, DC 20202. Telephone: (202) 203–9155 or by email: Wendy.Macias@ed.gov.

Electronic Access to This Document: The official version of this document is the document published in the Federal Register. ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 52

Air Plan Approval; Iowa; Amendment to the Administrative Consent Order, Grain Processing Corporation, Muscatine, Iowa

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: The Environmental Protection Agency (EPA) is proposing to approve a revision to the State Implementation Plan (SIP) submitted by the State of Iowa for the purpose of incorporating an amendment to the Administrative Consent Order (ACO), Grain Processing Corporation (GPC), Muscatine, Iowa. The revision amends the ACO to change the date for completion of performance testing to allow the state more time to complete processing air construction permit applications submitted by GPC and specify testing requirements as appropriate in the final permits. This revision will not impact the schedule for installation and operation of control equipment, will not alter any other compliance dates, and will not adversely affect air quality in Muscatine, Iowa. In the “Rules and Regulations” section of this Federal Register, we are approving the state’s SIP revisions as a direct final rule without a prior proposed rule. If we receive no adverse comment, we will not take further action on this proposed rule.

DATES: Comments must be received by September 25, 2017.

ADDRESSES: Submit your comments, identified by Docket ID No. EPA–R07–OAR–2017–0143, to http://www2.epa.gov/dockets. The EPA may publish any comment received to its public docket. Do not submit electronically any information you consider to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Multimedia submissions (audio, video, etc.) must be accompanied by a written comment. The written comment is considered the official comment and should include discussion of all points you wish to make. The EPA will generally not consider comments or comment contents located outside of the primary submission (i.e. on the web, cloud, or other file sharing system). For additional submission methods, the full EPA public comment policy, information about CBI or multimedia submissions, and general guidance on making effective comments, please visit http://www2.epa.gov/dockets/commenting-epa-dockets.
