**FOR FURTHER INFORMATION CONTACT:**

Hector Ranger District: Tim Noon, Natural Resource Specialist, (607) 546-4470; Manchester Ranger District: Emily Lauderdale, District Recreation Program Manager, (802) 362-2307; Rochester Ranger District: Holly Knox, District Recreation Program Manager, (802) 767-4261.

**SUPPLEMENTARY INFORMATION:** The Federal Recreation Lands Enhancement Act (Title VII, Pub. L. 108-447) directs the Secretary of Agriculture to publish a six month advance notice in the **Federal Register** whenever new recreation fee or fee areas are established.

The Green Mountain and Finger Lakes National Forests are proposing several new fees to recreation areas on the three ranger districts located within the Forests. They are as follows:

1. Hector Ranger District, Finger Lakes National Forest: Proposed new fees for Backbone Horse Camp for overnight use at \$15.00 per night for one vehicle and one horse trailer, and a day use fee of \$5.00 for one vehicle and one horse trailer.

2. Manchester Ranger District, Green Mountain National Forest: Proposed new fees for Grout Pond Recreation Area for overnight use at \$16.00 per night for one vehicle, plus an additional \$5 for each additional vehicle.

3. Rochester Ranger District, Green Mountain National Forest: Proposed new fees for Silver Lake Campground at \$10 per night, plus an additional \$5 for each additional vehicle; and Texas Falls Day Use Area Pavilion at \$20 for up to 20 people, and \$40 for 21-40 people.

A tremendous increase in recreation use at these specific areas on the Forests has shown that people appreciate and enjoy the availability of developed recreation facilities and pavilions. The Forests currently have several campgrounds and recreation areas with fees, and pavilions for rent. The campgrounds and recreation areas are often at capacity with pavilion rentals often fully booked throughout their rental season. A market analysis for each area indicates that the above proposed fees are both reasonable and acceptable for this sort of unique recreation experience. Revenue from the recreation fees will be used for improvements as well as the continued operation and maintenance of these

sites. These fees will also help support sustainable recreation on the Forests.

The proposed fees will be reviewed by a Recreation Resource Advisory Committee prior to a final decision and implementation. If approved by the Eastern Regional Forester, the new fees would go into effect around May 2018. The Backbone Horse Camp, Grout Pond Recreation Area, Silver Lake Campground, and Texas Falls Day Use Area Pavilion will become available for recreational use and rentals around May 2018.

People wanting to reserve Backbone Horse Camp, Silver Lake Campground, or Texas Falls Day Use Area Pavilion will need to do so through Recreation One Stop, at [www.recreation.gov](http://www.recreation.gov) or by calling 1-877-444-6777. Recreation One Stop charges a \$10 fee for reservations.

Dated: August 11, 2017.

## Paperwork Reduction Act

In accordance with the Paperwork Reduction Act, the paperwork burden associated with this Notice has been approved by the Office of Management and Budget (OMB) under OMB Control Number 0570-0039.

### A. Program Description

The VAPG program is authorized under section 231 of the Agriculture Risk Protection Act of 2000 (Pub. L. 106-224), as amended by section 6203 of the Agricultural Act of 2014 (Pub. L. 113-79) (see 7 U.S.C. 1632a). Applicants must adhere to the requirements contained in the program regulation, 7 CFR 4284, subpart J, which is incorporated by reference in this Notice.

The objective of this grant program is to assist viable Independent Producers, Agricultural Producer Groups, Farmer and Rancher Cooperatives, and Majority-Controlled Producer-Based Businesses in starting or expanding value-added activities related to the processing and/or marketing of Value-Added Agricultural Products. Grants will be awarded competitively for either planning or working capital projects directly related to the processing and/or marketing of value-added products. Generating new products, creating and expanding marketing opportunities, and increasing producer income are the end goals of the program. All proposals must demonstrate economic viability and sustainability in order to compete for funding.

Funding priority will be made available to Beginning Farmers and Ranchers, Veteran Farmers and Ranchers, Socially-Disadvantaged Farmers and Ranchers, Operators of Small and Medium-Sized Farms and Ranches structured as Family Farms or Ranches, Farmer or Rancher Cooperatives, and projects proposing to develop a Mid-Tier Value Chain. See 7 CFR 4284.923 for Reserved Funds eligibility and 7 CFR 4284.924 for Priority Scoring eligibility.

#### Definitions

The terms you need to understand are defined in 7 CFR 4284.902.

### B. Federal Award Information

*Type of Instrument:* Grant.

*Approximate Number of Awards:* To be determined.

*Available Total Funding:* To be determined.

*Maximum Award Amount:* Planning—\$75,000; Working Capital—\$250,000.

*Project Period:* Up to 36 months depending on the complexity of the project.

*Anticipated Award Date:* May 31, 2018.

*Reservation of Funds:* Ten percent of available funds for applications will be reserved for applications submitted by Beginning and Socially-Disadvantaged Farmers or Ranchers, and an additional ten percent of available funds for applications from farmers or ranchers proposing development of Mid-Tier Value Chains. Reserved funds not obligated prior to June 30, 2018, will be used for the VAPG general competition. If this is the case, Beginning and Socially-Disadvantaged Farmers or Ranchers and applicants proposing Mid-Tier Value Chains will compete with other eligible VAPG applications. In addition, in accordance with Title VII, Section 750 of Public Law 115-30, 10% of FY 2017 funds will be allocated for assistance in persistent poverty counties. Any funds that become available after publishing this notice that will be allocated for assistance in persistent poverty counties will be identified by the Agency at a later date, after the applicable appropriations language has been enacted.

### C. Eligibility Information

Applicants must comply with the program regulation 7 CFR part 4284 subpart J in order to meet all of the following eligibility requirements. Required documentation is included in the application package. Applications which fail to meet any of these requirements by the application deadline will be deemed ineligible and will not be evaluated further.

#### 1. Eligible Applicants

You must demonstrate within the application narrative that you meet all the applicant eligibility requirements of 7 CFR 4284.920 and 4284.921. This includes meeting the definition requirements at 7 CFR 4284.902 for one of the following applicant types: Independent Producer, Agricultural Producer Group, Farmer or Rancher Cooperative or Majority-Controlled Producer-Based Business and also meeting the Emerging Market, Citizenship, Legal Authority and Responsibility, Multiple Grants and Active Grants requirements of the section. Required documentation to support eligibility is contained at 7 CFR 4284.931 and in the application package.

Federally-recognized Tribes and tribal entities must demonstrate that they meet the definition requirements for one of the four eligible applicant types. Rural Development State Offices and posted application toolkits will provide

additional information on Tribal eligibility.

Per 4284.921, an applicant is ineligible if they have been debarred or suspended or otherwise excluded from or ineligible for participation in Federal assistance programs under Executive Order 12549, "Debarment and Suspension." In addition, an applicant will be considered ineligible for a grant due to an outstanding judgment obtained by the U.S. in a Federal Court (other than U.S. Tax Court), is delinquent on the payment of Federal income taxes, or is delinquent on Federal debt.

Per 4284.905(a), Applicants must comply with other applicable Federal laws. Applicants who are proposing working capital grants to produce and market value-added products in the industries of wine, beer, distilled spirits or other alcoholic merchandise must comply with Alcohol and Tobacco Tax and Trade Bureau (TTB) regulations, including but not limited to permitting, filing of taxes and operational reports. Please visit TTB's Web site at <https://www.ttb.gov/index.shtml> for more information. If you are not in compliance with TTB's requirements, the Agency may determine that you are not qualified to receive a Federal award and use that determination as a basis for making an award to another applicant. If, at any time after you have already received a VAPG award, you are found to be in noncompliance with TTB's operational reporting or tax requirements, the Agency may determine that you are not in compliance with your grant terms and conditions.

An Applicant may submit only one application in response to a solicitation, and must explicitly direct that it compete in either the general funds competition or in one of the named reserved funds competitions. Multiple applications from separate entities with identical or greater than 75 percent common ownership, or from a parent, subsidiary or affiliated organization (with "affiliation" defined by Small Business Administration regulation 13 CFR 121.103, or successor regulation) are not permitted. Further, Applicants who have already received a Planning Grant for the proposed project cannot receive another Planning Grant for the same project. Applicants who have already received a Working Capital Grant for the proposed project cannot receive any additional grants for that project (Proposals from previous award recipients should be substantially different in terms of products and/or markets and should not merely be

extensions of previously funded projects).

## 2. Cost-Sharing or Matching

There is a matching fund (cost-sharing) requirement of at least \$1 for every \$1 in grant funds provided by the Agency (matching funds plus grant funds must equal proposed Total Project Cost). Matching funds may be in the form of cash or eligible in-kind contributions. Matching contributions and may be used only for eligible project purposes, including any contributions exceeding the minimum amount required. Applicant matching contributions in the form of raw commodity, time contributed to the project, or other goods or services, must be characterized as in-kind contributions. Donations of goods and service from third-parties must be characterized as in-kind contributions. Tribal applicants may utilize grants made available under Public Law 93–638, the Indian Self-Determination and Education Assistance Act of 1975, as their matching contribution, and should check with appropriate tribal authorities regarding the availability of such funding.

Matching funds must be available at time of application and must be certified and verified as described in 7 CFR 4284.931(b)(3) and (4). Note that matching funds must also be discussed as part of the scoring criterion Commitments and Support as described in section E.1.(c).

## 3. Project Eligibility

You must demonstrate within the application narrative that you meet all the project eligibility requirements of 7 CFR 4284.922.

(a) *Product eligibility.* Applicants for both planning and working capital grants must meet all requirements at 7 CFR 4284.922(a), including that your value-added product must result from one of the five methodologies identified in the definition of Value-Added Agricultural Product at 7 CFR 4284.902. In addition, you must demonstrate that, as a result of the project, the customer base for the agricultural commodity or value-added product will be expanded, by including a baseline of current customers for the commodity, and an estimated target number of customers that will result from the project; and that, a greater portion of the revenue derived from the marketing or processing of the value-added product is available to the applicant producer(s) of the agricultural commodity, by including a baseline of current revenues from the sale of the agricultural commodity and an estimate of increased

revenues that will result from the project.

(b) *Purpose eligibility.* Applicants for both planning and working capital grants must meet all requirements at 7 CFR 4284.922(b) regarding maximum grant amounts, verification of matching funds, eligible and ineligible uses of grant and matching funds, a substantive work plan and budget.

(i) *Planning Grants.* A planning grant is used to fund development of a defined program of economic planning activities to determine the viability of a potential value-added venture, and specifically for the purpose of paying for a qualified consultant to conduct and develop a feasibility study, business plan, and/or marketing plan associated with the processing and/or marketing of a value-added agricultural product. Planning grant funds may not be used to fund working capital activities.

(ii) *Working Capital Grants.* This type of grant provides funds to operate a value-added project, specifically to pay the eligible project expenses directly related to the processing and/or marketing of the value-added product that are eligible uses of grant funds. Working capital funds may not be used for planning purposes.

(c) *Reserved Funds Eligibility.* To qualify for Reserved Funds as a Beginning or Socially-Disadvantaged Farmer or Rancher or if you propose to develop a Mid-Tier Value Chain, you must meet the requirements found at 7 CFR 4284.923. If your application is eligible, but is not awarded under the Reserved Funds, it will automatically be considered for general funds in that same fiscal year, as funding levels permit.

(d) *Priority Points.* To qualify for Priority Points for projects that contribute to increasing opportunities for Beginning Farmers or Ranchers, Socially-Disadvantaged Farmers or Ranchers, or if you are an Operator of a Small or Medium-sized Farm or Ranch structured as a Family Farm, a Veteran Farmer or Rancher, propose a Mid-Tier Value Chain project, or are a Farmer or Rancher Cooperative, you must meet the applicable eligibility requirements at 7 CFR 4284.923 and 4284.924 and must address the relevant proposal evaluation criterion.

Priority points will also be awarded during the scoring process to eligible Agricultural Producer Groups, Farmer or Rancher Cooperatives, and Majority-Controlled Producer-Based Business Ventures that best contribute to creating or increasing marketing opportunities for Beginning Farmers or Ranchers, Socially-Disadvantaged Farmers or Ranchers, and/or Veteran Farmers or

Ranchers. You must meet the eligibility requirements at 7 CFR 4284.923 and 4284.924 and must address the relevant proposal evaluation criterion.

## 4. Eligible Uses of Grant and Matching Funds

Eligible uses of grant and matching funds are discussed, along with examples, in 7 CFR 4284.925. In general, grant and cost-share matching funds have the same use restrictions and must be used to fund only the costs for eligible purposes as defined at 7 CFR 4284.925 (a) and (b).

## 5. Ineligible Uses of Grant and Matching Funds

Federal procurement standards prohibit transactions that involve a real or apparent Conflict of Interest for owners, employees, officers, agents, or their Immediate Family members having a personal, professional, financial or other interest in the outcome of the project; including organizational conflicts, and conflicts that restrict open and free competition for unrestrained trade. A list (not all-inclusive) of ineligible uses of grant and matching funds is found in 7 CFR 4284.926.

## D. Application and Submission Information

### 1. Address To Request Applications

The application toolkit, regulation, and official program notification for this funding opportunity can be obtained online at <http://www.rd.usda.gov/programs-services/value-added-producer-grants>. You may also contact your USDA Rural Development State Office by visiting <http://www.rd.usda.gov/contact-us/state-offices>. You may also obtain a copy by calling 202–690–1374. To submit an application electronically, you must follow the instructions for this funding announcement at <http://www.grants.gov>. Please note that we cannot accept emailed or faxed applications.

You can locate the [Grants.gov](http://www.grants.gov) downloadable application package for this program by using a keyword, the

program name, or the Catalog of Federal Domestic Assistance Number for this program.

When you enter the *Grants.gov* Web site, you will find information about submitting an application electronically through the site, as well as the hours of operation.

To use *Grants.gov*, you must already have a DUNS number and you must also be registered and maintain registration in SAM. We strongly recommend that you do not wait until the application deadline date to begin the application process through *Grants.gov*.

You must submit all of your application documents electronically through *Grants.gov*.

After electronically submitting an application through *Grants.gov*, you will receive an automatic acknowledgement from *Grants.gov* that contains a *Grants.gov* tracking number.

If you want to submit a paper application, send it to the State Office located in the State where your project will primarily take place. You can find State Office Contact information at: <http://www.rd.usda.gov/contact-us/state-offices>. An optional-use Agency application template is available online at <http://www.rd.usda.gov/programs-services/value-added-producer-grants>.

Your application must contain all of the required forms and proposal elements described in 7 CFR 4284.931, unless otherwise clarified in this Notice. (b) Register in SAM before submitting your application. You may register in SAM at no cost at <https://www.sam.gov/portal/public/SAM/>. You must provide your SAM Cage Code and expiration date or evidence that you have begun the SAM registration process at time of application, and

(c) Continue to maintain an active SAM registration with current information at all times during which you have an active Federal award or an application or plan under consideration by a Federal awarding agency.

If you have not fully complied with all applicable DUNS and SAM requirements, the Agency may determine that the applicant is not qualified to receive a Federal award and the Agency may use that determination as a basis for making an award to another applicant. Please refer to Section F.2 for additional submission requirements that apply to grantees selected for this program.

#### 4. *Submission Dates and Times*

*Application Deadline Date:* January 31, 2018.

*Explanation of Deadlines:* Paper applications must be postmarked and mailed, shipped, or sent overnight by January 31, 2018. The Agency will determine whether your application is late based on the date shown on the postmark or shipping invoice. You may also hand carry your application to one of our field offices, but it must be received by close of business on the deadline date. If the due date falls on a Saturday, Sunday, or Federal holiday, the application is due the next business day. Late applications will automatically be considered ineligible and will not be evaluated further.

Electronic applications must be received at <http://www.grants.gov> no later than midnight Eastern Time, January 24, 2018 to be eligible for funding. Please review the *Grants.gov* Web site at [http://grants.gov/applicants/organization\\_registration.jsp](http://grants.gov/applicants/organization_registration.jsp) for instructions on the process of registering your organization as soon as possible to ensure you are able to meet the electronic application deadline. *Grants.gov* will not accept applications submitted after the deadline.

### 5. Intergovernmental Review

Executive Order (E.O.) 12372, Intergovernmental Review of Federal Programs, applies to this program. This E.O. requires that Federal agencies provide opportunities for consultation on proposed assistance with State and local governments. Many States have established a Single Point of Contact (SPOC) to facilitate this consultation. A list of States that maintain a SPOC may be obtained at [http://www.whitehouse.gov/omb/grants\\_spoc](http://www.whitehouse.gov/omb/grants_spoc). If your State has a SPOC, you must submit your application directly for review. Any comments obtained through the SPOC must be provided to RD for consideration as part of your application. If your State has not established a SPOC or you do not want to submit your application to the SPOC, RD will submit your application to the SPOC or other appropriate agency or agencies. Applications from federally recognized Indian tribes are not subject to Intergovernmental Review.

### 6. Funding Restrictions

Funding limitations and reservations found in the program regulation at 7 CFR 4284.927 will apply, including:

(a) *Use of Funds.* Grant funds may be used to pay up to 50 percent of the total eligible project costs, subject to the limitations established for maximum total grant amount. Grant funds may not be used to pay any costs of the project incurred prior to the date of grant approval. Grant and matching funds may only be used for eligible purposes. (See examples of eligible and ineligible uses in 7 CFR 4284.925 and 4284.926, respectively.)

(b) *Grant Period (project period).* Your project timeframe or grant period can be a maximum of 36 months in length from the date of award. Your proposed grant period should begin no earlier than the anticipated award announcement date in this Notice and should end no later than 36 months following that date. If you receive an award, your grant period will be revised to begin on the actual date of award—the date the grant agreement is executed by the Agency—and your grant period end date will be adjusted accordingly. Your project activities should begin within 90 days of that date of award. The length of your grant period should be based on your project's complexity, as indicated in your application work plan. For example, it is expected that most planning grants can be completed within 12 months.

(c) *Program Income.* If income (Program Income) is earned during the grant period as a result of the project

activities, it is subject to the requirements in 2 CFR 200.80, and must be managed and reported accordingly.

(d) *Majority Controlled Producer-Based Business.* The aggregate amount of awards to Majority Controlled Producer-Based Businesses in response to this announcement shall not exceed 10 percent of the total funds obligated for the program during the fiscal year.

(e) *Reserved Funds.* Ten percent of all funds available will be reserved to fund projects that benefit Beginning Farmers or Ranchers, or Socially-Disadvantaged Farmers or Ranchers. In addition, 10 percent of total funding available will be used to fund projects that propose development of Mid-Tier Value Chains as part of a Local or Regional Supply Chain Network. See related definitions in 7 CFR 4284.902. In addition, in accordance with Title VII, Section 750 of Public Law 115–30, 10% of FY 2017 funds will be allocated for assistance in persistent poverty counties. Any funds that become available after publishing this notice that will be allocated for assistance in persistent poverty counties will be identified by the Agency at a later date, after the applicable appropriations language has been enacted.

(f) *Disposition of Reserved Funds Not Obligated.* For this announcement, any reserved funds that have not been obligated by June 30, 2018, will be available to the Secretary to make VAPG grants in accordance with 7 CFR 4284.927.

### 7. Other Submission Requirements

#### (a) National Environmental Policy Act

This Notice has been reviewed in accordance with 7 CFR part 1970, “Environmental Policies and Procedures.” We have determined that an Environmental Impact Statement is not required because the issuance of regulations and instructions, as well as amendments to them, describing administrative and financial procedures for processing, approving, and implementing the Agency’s financial programs is categorically excluded in the Agency’s National Environmental Policy Act (NEPA) regulation found at 7 CFR 1970.53(f). We have determined that this Notice does not constitute a major Federal action significantly affecting the quality of the human environment.

The Agency will review each grant application to determine its compliance with 7 CFR part 1970. The applicant may be asked to provide additional information or documentation to assist the Agency with this determination.

#### (b) Civil Rights Compliance Requirements

All grants made under this Notice are subject to Title VI of the Civil Rights Act of 1964 as required by the USDA (7 CFR part 15, subpart A) and Section 504 of the Rehabilitation Act of 1973.

### E. Application Review Information

Applications will be reviewed and processed as described at 7 CFR 4284.940. The Agency will review your application to determine if it is complete and eligible. If at any time, the Agency determines that your application is ineligible, you will be notified in writing as to the reasons it was determined ineligible and you will be informed of your review and appeal rights. Funding of successfully appealed applications will be limited to available funds.

The Agency will only score applications in which the applicant and project are eligible, which are complete and sufficiently responsive to program requirements, and in which the Agency agrees on the likelihood of financial feasibility for working capital requests. We will score your application according to the procedures and criteria specified in 7 CFR 4284.942, and with tiered scoring thresholds as specified below.

#### 1. Scoring Criteria

For each criterion, you must show how the project has merit and why it is likely to be successful. Your complete response to each criterion must be included in the body of the application, including summarizations of any feasibility studies, business and marketing plans (please note that feasibility studies, business or marketing plans are not provided to reviewers). If you do not address all parts of the criterion, or do not sufficiently communicate relevant project information, you will receive lower scores. VAPG is a competitive program, so you will receive scores based on the quality of your responses. Simply addressing the criteria will not guarantee higher scores. The maximum number of points that can be awarded to your application is 100. For this announcement, the minimum score requirement for funding is 50 points.

The Agency application toolkit provides additional instruction to help you to respond to the criteria below.

#### (a) Nature of the Proposed Venture (Graduated Score 0–30 Points)

For both planning and working capital grants, you must discuss the technological feasibility of the project, as well as operational efficiency,

profitability, and overall economic sustainability resulting from the project. You must also demonstrate the potential for expanding the customer base for the agricultural commodity or value-added product, and the expected increase in revenue returns to the producer-owners providing the majority of the raw agricultural commodity to the project. Working capital applicants must also provide the potential number of jobs that will result from the project, along with a justifiable basis for these projections. Please see the application template for more information. All applicants must reference and summarize third-party data and other information that specifically supports your value-added project; discuss the value-added process you are proposing; potential markets and distribution channels; the value to be added to the raw commodity through the value-added process; cost and availability of inputs, your experience in marketing the proposed or similar product; business financial statements; and any other relevant information that supports the viability of your project. Working capital applicants should demonstrate that these outcomes will result from the project and include supportable projections of increase in customer base, revenue returned to producers and jobs resulting from the project in order to receive up to the maximum number of points. Planning grant applicants should describe the expected results, and the reasons supporting those expectations.

Points will be awarded as follows:

(i) 0 points will be awarded if you do not substantively address the criterion.

(ii) 1–5 points will be awarded if you do not address each of the following: Technological feasibility, operational efficiency, profitability, and overall economic sustainability.

(iii) 6–13 points will be awarded if you address technological feasibility, operational efficiency, profitability, and overall economic sustainability, but do not reference third-party information that supports the success of your project.

(iv) 14–22 points will be awarded if you address technological feasibility, operational efficiency, profitability, and overall economic, supported by third-party information demonstrating a reasonable likelihood of success.

(v) 23–30 points will be awarded if all criterion components are well addressed, supported by third-party information, and demonstrate a high likelihood of success.

**(b) Qualifications of Project Personnel (Graduated Score 0–20 Points)**

You must identify all individuals who will be responsible for completing the proposed tasks in the work plan, including the roles and activities that owners, staff, contractors, consultants or new hires may perform; and show that these individuals have the necessary qualifications and expertise, including those hired to do market or feasibility analyses, or to develop a business operations plan for the value-added venture. You must include the qualifications of those individuals responsible for leading or managing the total project (applicant owners or project managers), as well as those individuals responsible for actually conducting the various individual tasks in the work plan (such as consultants, contractors, staff or new hires). You must discuss the commitment and the availability of any consultants or other professionals to be hired for the project—especially those who may be consulting on multiple VAPG projects. If staff or consultants have not been selected at the time of application, you must provide specific descriptions of the qualifications required for the positions to be filled. Applications that demonstrate the strong credentials, education, capabilities, experience and availability of project personnel that will contribute to a high likelihood of project success will receive more points than those that demonstrate less potential for success in these areas.

Points will be awarded as follows:

(i) 0 points will be awarded if you do not substantively address the criterion.

(ii) 1–4 points will be awarded if qualifications and experience of all staff is not addressed and/or if necessary qualifications of unfilled positions are not provided.

(iii) 5–9 points will be awarded if all project personnel are identified but do not demonstrate qualifications or experience relevant to the project.

(iv) 10–14 will be awarded if most key personnel demonstrate strong credentials and/or experience, and availability indicating a reasonable likelihood of success.

(v) 15–20 points will be awarded if all personnel demonstrate strong, relevant credentials or experience, and availability indicating a high likelihood of project success.

**(c) Commitments and Support (Graduated Score 0–10 Points)**

Producer commitments to the project will be evaluated based on the number of independent producers currently involved in the project; and the nature,

level and quality of their contributions, including matching contributions. End-user commitments will be evaluated on the basis of potential or identified markets and the potential amount of output to be purchased, as indicated by letters of intent or contracts from potential buyers referenced within the application. Other third-party commitments to the project will be evaluated based on the critical and tangible nature of their contribution to the project, such as technical assistance, storage, processing, marketing, or distribution arrangements that are necessary for the project to proceed; and the level and quality of these contributions. All cash or in-kind contributions from the applicant, other producers, end users, or other contributors should be discussed. End-user commitments may include contracts or letters of intent or interest in purchasing the value-added product. Letters of commitment by producers, end-users, and third-parties should be summarized as part of your response to this criterion, and the letters must be included in Appendix B. Applications that demonstrate the project has strong direct financial support in the form of cash matching contributions and strong technical and logistical support to successfully complete the project will receive more points than those that demonstrate less potential for success in these areas. Please note that because applications with cash matching contributions are awarded more points than those pledging only in-kind contributions, applicants will not be able to substitute an in-kind match for cash after awards are made.

Points will be awarded as follows:

(i) 0 points will be awarded if you do not substantively address the criterion.

(ii) 1–3 points will be awarded if you are the only producer participating in the project, AND show real, direct support from at least one end-user or third-party contributor.

(iii) 4–6 points will be awarded if you, as the applicant, are the only producer participating in the project, AND show strong financial commitment in the form of cash matching contributions to the project AND measurable commitment or interest in purchasing the value-added product from at least one end-user; AND commitment or tangible support from at least one other third-party contributor; OR you, as the applicant, demonstrate participation from multiple producers, AND measurable commitment or interest in purchasing the value-added product from at least one end-user; AND commitment or tangible support from at least one third party contributor.

(iv) 7–10 points will be awarded if you, as the applicant, show strong financial commitment to the project in the form of cash matching contributions, AND participation from additional producers, AND measurable commitment or interest from multiple end-users, AND commitment or tangible support from multiple third-party contributors.

(d) Work Plan and Budget (Graduated Score 0–20 Points)

You must submit a comprehensive work plan and budget (for full details, see 7 CFR 4284.922(b)(5)). Your work plan must provide specific and detailed descriptions of the tasks and the key project personnel that will accomplish the project's goals. The budget must present a detailed breakdown of all estimated costs of project activities and allocate those costs among the listed tasks. You must show the source and use of both grant and matching funds for all tasks. Matching funds must be spent at a rate equal to, or in advance of, grant funds. An eligible start and end date for the entire project, as well as for each individual project task must be clearly shown. The project timeframe must not exceed 36 months and should be scaled to the complexity of the project. Working capital applications must include an estimate of program income expected to be earned during the grant period (see 2 CFR 200.307).

Points will be awarded as follows:

(i) 0 points will be awarded if you do not substantively address the criterion.

(ii) 1–7 points will be awarded if the work plan and budget do not account for all project goals, tasks, costs, timelines, and responsible personnel.

(iii) 8–14 points will be awarded if you provide a clear, comprehensive work plan detailing all project goals, tasks, timelines, costs, and responsible personnel in a logical and realistic manner that demonstrates a reasonable likelihood of success.

(iv) 15–20 points will be awarded if you provide a clear, comprehensive work plan detailing all project goals, tasks, timelines, costs, and responsible personnel in a logical and realistic manner that demonstrates a high likelihood of success.

(e) Priority Points Up to 10 Points (Lump Sum 0 or 5 Points Plus Graduated Score 0–5 Points)

It is recommended that you use the Agency application package when applying for priority points and refer to the requirements specified in 7 CFR 4284.924. Priority points may be awarded in both the general funds and Reserved Funds competitions.

(i) 5 points will be awarded if you meet the requirements for one of the following categories and provide the documentation described in 7 CFR 4284.923 and 4284.924 as applicable: Beginning Farmer or Rancher, Socially-Disadvantaged Farmer or Rancher, Veteran Farmer or Rancher, or Operator of a Small or Medium-sized Farm or Ranch that is structured as a Family Farm, Farmer or Rancher Cooperative, or are proposing a Mid-Tier Value Chain project.

(ii) Up to 5 priority points will be awarded if you are an Agricultural Producer Group, Farmer or Rancher Cooperative, or Majority-Controlled Producer-Based Business Venture (referred to below as “applicant group”) whose project “best contributes to creating or increasing marketing opportunities” for Operators of Small- and Medium-sized Farms and Ranches that are structured as Family Farms, Beginning Farmers and Ranchers, Socially-Disadvantaged Farmers and Ranchers, and Veteran Farmers and Ranchers (referred to below as “priority groups”). For each of the priority point levels below, applications must demonstrate how the proposed project will contribute to new or increased marketing opportunities for respective priority groups. Guidance on relevant information required to adequately demonstrate this requirement can be found in program application package.

(A) 2 priority points will be awarded if the existing membership of the applicant group is comprised of either more than 50 percent of any one of the four priority groups or more than 50 percent of any combination of the four priority groups.

(B) 1 priority point will be awarded if the existing membership of the applicant group is comprised of two or more of the priority groups. One point is awarded regardless of whether a group's membership is comprised of two, three, or all four of the priority groups.

(C) 2 priority points will be awarded if the applicant's proposed project will increase the number of priority groups that comprise applicant membership by one or more priority groups. However, if an applicant group's membership is already comprised of all four priority groups, such an applicant would not be eligible for points under this criterion because there is no opportunity to increase the number of priority groups. Note also that this criterion does not consider either the percentage of the existing membership that is comprised of the four priority groups or the number of priority groups currently

comprising the applicant group's membership.

(f) Priority Categories (Graduated Score 0–10 Points)

The Administrator of the Agency may choose to award up to 10 points to an application to improve the geographic diversity of awardees and/or foster persistent poverty counties and/or help reduce unemployment through job creation in a fiscal year.

2. Review and Selection Process

The Agency will select applications for award under this Notice in accordance with the provisions specified in 7 CFR 4284.950(a).

If your application is eligible and complete, it will be qualitatively scored by at least two reviewers based on criteria specified in section E.1. of this Notice. One of these reviewers will be an experienced RD employee from your servicing State Office and at least one additional reviewer will be a non-Federal, independent reviewer, who must meet the following qualifications. Independent reviewers must have at least a bachelor's degree in one or more of the following fields: Agri-business, agricultural economics, agriculture, animal science, business, marketing, economics or finance; and a minimum of 8 years of experience in an agriculture-related field (e.g., farming, marketing, consulting, or research; or as university faculty, trade association official or non-Federal government official in an agriculturally-related field). Each reviewer will score evaluation criteria (a) through (d) and the totals for each reviewer will be added together and averaged. The RD State Office reviewer will also assign priority points based on criterion (e) in section E.1. of this Notice. These will be added to the average score. The sum of these scores will be ranked highest to lowest and this will comprise the initial ranking.

The Administrator of the Agency may choose to award up to 10 Administrator priority points based on criterion (f) in section E.1. of this Notice. These points will be added to the cumulative score for a total possible score of 100.

A final ranking will be obtained based solely on the scores received for criteria (a) through (e). A minimum score of 50 points is required for funding. Applications for Reserved Funds will be funded in rank order until funds are depleted. Unfunded reserve applications will be returned to the general funds where applications will be funded in rank order until the funds are expended. Funding for Majority Controlled Producer-Based Business

Ventures is limited to 10 percent of total grant funds expected to be obligated as a result of this Notice. These applications will be funded in rank order until the funding limitation has been reached. Grants to these applicants from Reserved Funds will count against this funding limitation. In the event of tied scores, the Administrator shall have discretion in breaking ties.

If your application is ranked, but not funded, it will not be carried forward into the next competition.
