

With respect to the collection of information, the CFTC invites comments on:

- Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information will have a practical use;
- The accuracy of the Commission's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Ways to enhance the quality, usefulness, and clarity of the information to be collected; and
- Ways to minimize the burden of collection of information on those who are to respond, including through the use of appropriate automated electronic, mechanical, or other technological collection techniques or other forms of information technology; *e.g.*, permitting electronic submission of responses.

All comments must be submitted in English, or if not, accompanied by an English translation. Comments will be posted as received to <http://www.cftc.gov>. You should submit only information that you wish to make available publicly. If you wish the Commission to consider information that you believe is exempt from disclosure under the Freedom of Information Act, a petition for confidential treatment of the exempt information may be submitted according to the procedures established in § 145.9 of the Commission's regulations.¹

The Commission reserves the right, but shall have no obligation, to review, pre-screen, filter, redact, refuse or remove any or all of your submission from <http://www.cftc.gov> that it may deem to be inappropriate for publication, such as obscene language. All submissions that have been redacted or removed that contain comments on the merits of the ICR will be retained in the public comment file and will be considered as required under the Administrative Procedure Act and other applicable laws, and may be accessible under the Freedom of Information Act.

SUPPLEMENTARY INFORMATION: The purpose of these public meetings is to receive oral and written comments on the draft report/EIS titled *The Great Lakes and Mississippi River Interbasin Study—Brandon Road Draft Integrated Feasibility Study and Environmental Impact Statement—Will County, Illinois*, available at <http://glmr.is.anl.gov/brandon-rd/>. On August 7, 2017, USACE published a notice in the **Federal Register** (FR) announcing the release of the draft report (82 FR 36760), followed by the U.S. Environmental Protection Agency's Notice of

¹ 17 CFR 145.9.

Availability filed in the **Federal Register** on August 18, 2017 (82 FR 39424), announcing the formal public review period that extends until October 2, 2017. All comments must be submitted on the GLMRIS project Web site or postmarked by October 2, 2017, to be considered.

USACE asks those wanting to make oral comments to register on the GLMRIS project Web site at <http://glmr.is.anl.gov/brandon-rd/> prior to the meeting. Each individual wishing to make oral comments shall be given three (3) minutes, and a stenographer will document oral comments. During each meeting, USACE will also collect written comments on comment cards. Facebook Live viewers must use the GLMRIS project Web site to enter official comments; "Live Chat" comments will be discarded. If you require assistance under the Americans with Disabilities Act, please contact Mr. Allen Marshall at Allen.A.Marshall@usace.army.mil or by phone at 309-794-5204 at least seven working days prior to the meeting to request arrangements.

Comments, including the names and addresses of those who comment, received during the comment period will be posted on the GLMRIS project Web site after the comment period has ended. Comments submitted anonymously will be accepted, considered, and posted. Commenters may indicate that they do not wish to have their name or other personal information made available on the Web site. However, USACE cannot guarantee that information withheld from the Web site will be maintained as confidential. Persons requesting confidentially should be aware that, under the Freedom of Information Act, confidentiality may be granted in only limited circumstances.

Changes to these meetings will be posted at <http://glmr.is.anl.gov/brandon-rd/>.

DEPARTMENT OF EDUCATION

[Docket No.: ED-2017-ICCD-0111]

Agency Information Collection Activities; Comment Request; Corrective Action Plan (CAP)

AGENCY: Office of Special Education and Rehabilitative Services (OSERS), Department of Education (ED).

ACTION: Notice.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, ED is proposing an extension of an existing information collection.

DATES: Interested persons are invited to submit comments on or before October 31, 2017.

ADDRESSES: To access and review all the documents related to the information collection listed in this notice, please use <http://www.regulations.gov> by searching the Docket ID number ED-2017-ICCD-0111. Comments submitted in response to this notice should be submitted electronically through the Federal eRulemaking Portal at <http://www.regulations.gov> by selecting the Docket ID number or via postal mail, commercial delivery, or hand delivery. *Please note that comments submitted by fax or email and those submitted after the comment period will not be accepted.* Written requests for information or comments submitted by postal mail or delivery should be addressed to the Director of the Information Collection Clearance Division, U.S. Department of Education, 400 Maryland Avenue SW., LBJ, Room 216-42, Washington, DC 20202-4537.

FOR FURTHER INFORMATION CONTACT: For specific questions related to collection activities, please contact Edward West, 202-245-6145.

SUPPLEMENTARY INFORMATION: The Department of Education (ED), in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection

necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: Corrective Action Plan (CAP).

OMB Control Number: 1820-0694.

Type of Review: An extension of an existing information collection.

Respondents/Affected Public: State, Local, and Tribal Governments.

Total Estimated Number of Annual Responses: 15.

Total Estimated Number of Annual Burden Hours: 975.

Abstract: Pursuant to the Rehabilitation Act of 1973, as amended by the Workforce Innovation and Opportunity Act, the Rehabilitation Services Administration (RSA) must conduct periodic monitoring of the Vocational Rehabilitation (VR) programs in each state. As a result of this monitoring, RSA may require that VR agencies to develop a Corrective Action Plan (CAP) in order to resolve findings of non-compliance. The CAP must contain the specific steps that the agency will take to resolve each finding, timelines for the completion of each step and methods for evaluating that the findings have been resolved. RSA requires the agency to report progress toward completion of the CAP on a quarterly basis.

Dated: August 28, 2017.
