Approved panel physicians will be granted access to an eMedical system by the Department of State, to conduct medical examinations for visa eligibility determinations. During the initial rollout, some immigrant visa applicants with a completed and submitted DS–260, Application for Immigrant Visa and Alien Registration will have their medical exam results submitted to the Department via the eMedical system. The panel physician will input the exam information into the eMedical portal and it will be transmitted to the Department for visa adjudication and retained in the Department’s systems.
