SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-81501; File No. SR-Phlx-2017-71]

Self-Regulatory Organizations; NASDAQ PHLX LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Rules 431, 432, and 835 To Conform Them to Securities Exchange Act Rule 15c6-1(a), Which Shortens the Settlement Cycle to Two Dates After the Trade Date, and To Interpret the Amended Rules To Exclude September 5, 2017 as the First Ex-Dividend Date Thereunder

August 30, 2017.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on August 22, 2017, NASDAQ PHLX LLC (“Phlx” or “Exchange”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I and II, below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend PHLX Rules 431, 432, and 825 to conform them to SEA Rule 15c6-1(a) to shorten the standard settlement cycle for most broker-dealer transactions from three business days after the trade date (“T+3”) to two business days after the trade date (“T+2”) and the industry-led initiative to shorten the settlement cycle from T+3 to T+2. The proposal also addresses the application of these Rules as they relate to establishing ex-dividend dates in connection with the implementation of the T+2 settlement cycle on September 5, 2017.

The Exchange requests that the Commission waive the five-day pre-filing requirement and the 30-day

operative delay period contained in Exchange Act Rule 19b-4(f)(6)(iii).³ While these amendments are effective upon filing, the Exchange has designated the proposed amendments to be operative on September 5, 2017.

The text of the proposed rule change is available on the Exchange’s Web site at <http://nasdaqphlx.cchwallstreet.com/>, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose Background

On March 22, 2017, the SEC adopted amendments to SEA Rule 15c6-1(a) to shorten the standard settlement cycle for U.S. secondary market transactions in equities, corporate and municipal bonds, unit investment trusts and financial instruments composed of these products, from T+3 to T+2.⁴ The industry-wide initiative is designed to reduce a number of risks, including credit risk, market risk, and liquidity risk and, as a result, reduce systemic risk for U.S. market participants.⁵ The compliance date for the rule amendments is September 5, 2017.

The Exchange [sic] proposing changes to its Rules pertaining to securities settlement to conform them to SEA Rule

15c6-1(a), as amended, and to conform them to similar changes that other exchanges have made.⁶

Specifically, the Exchange proposes to amend Rule 431 (Ex-dividend, Ex-rights), which presently provides that transactions in stocks (except for those made for cash) shall be ex-dividend or ex-rights on the second business day preceding the record date fixed by the corporation or the date of the closing of transfer books thereof. It also provides that if the record date or closing of transfer books occurs on a day other than a business day, the transaction will be ex-dividend or ex-rights on the third preceding business day. The Exchange proposes to amend this Rule to provide that: (1) The transactions shall be ex-dividend or ex-rights on the first business day preceding the record date fixed by the corporation or the date of the closing of transfer books thereof; and (2) the transaction will be ex-dividend or ex-rights on the second preceding business day if the record date or closing of transfer books occurs on a day other than a business day.

Similarly, the Exchange proposes to amend Rule 432 (Ex-warrants), which presently provides that transactions in securities which have subscription warrants attached (except those made for cash) shall be ex-warrants on the second business day preceding the date of expiration of the warrants, except that when the date of expiration occurs on a day other than a business day, the transactions will be ex-warrants on the third business day preceding the date of expiration. The proposal will amend this Rule to provide that transactions in securities which have subscription warrants attached (except those made for cash) shall be ex-warrants on the first business day preceding the date of expiration of the warrants, except that when the date of expiration occurs on a day other than a business day, the transactions will be ex-warrants on the second business day preceding the date of expiration.

Third, the Exchange proposes to amend Rule 825 (Ex-dividend Procedure), which sets forth the ex-dividend rules for transactions in securities subject to unlisted trading privileges. The Rule presently provides that transactions in stocks (except those made for cash) are ex-dividend on the second business day preceding the record date and that, if the record date selected is not a business day, then the stock will be quoted ex-dividend on the

third preceding business day. The proposal would amend this Rule by providing instead that transactions in stocks (except those made for cash) are ex-dividend on the first business day preceding the record date and that, if the record date selected is not a business day, then the stock will be quoted ex-dividend on the second preceding business day.

Lastly, the Exchange proposes to implement the foregoing Rules in a manner that avoids confusion and accords with the proposals of other exchanges and self-regulatory organizations (“SROs”). Consistent with the compliance date of the amendments to SEA Rule 15c6–1(a), the industry adopted Tuesday, September 5, 2017 as the transition date to the T+2 settlement cycle.⁷ In the lead-up to this transition date, however, the industry and SROs, including The Depository Trust Company (“DTC”), have raised concern that the September 5, 2017 industry-wide transition date from T+3 to T+2 will result in September 7, 2017 being a “double” settlement date for trades that occur on September 1, 2017 (under T+3 and reflecting the Labor Day holiday on September 4, 2017) and trades that occur on September 5, 2017 (under T+2), which generally will result in investors who trade on either date being deemed a record holder of September 7, 2017.⁸ In order to avoid this confusion about the proper settlement date, the Exchange proposes to interpret its Rules so that the first record date to which the new ex-dividend date determination will be applied will be Thursday, September 7, 2017. The ex-dividend dates for “regular” distributions during the transition to T+2 will be as follows:

Record date	Ex-date
Friday, September 1, 2017 ⁹ .	Wednesday, August 30, 2017.
Tuesday, September 5, 2017 ¹⁰ .	Thursday, August 31, 2017. ¹¹
Wednesday, September 6, 2017.	Friday, September 1, 2017. ¹²
Thursday, September 7, 2017 ¹³ .	Wednesday, September 6, 2017.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,¹⁴ in general, and furthers the objectives of Section 6(b)(5) of the Act,¹⁵ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest.

The Exchange believes that the proposed rule change supports the [sic] supports [sic] the industry-led initiative to shorten the settlement cycle to two business days. Moreover, the proposed rule change is consistent with the SEC’s amendment to SEA Rule 15c6–1(a) to require standard settlement no later than T+2. The Exchange believes that the proposed rule change will provide the regulatory certainty to facilitate the industry-led move to a T+2 settlement cycle.

Similarly, the Exchange believes that the proposal to address the application of Rules 341 [sic], 342 [sic], and 825 to exclude September 5, 2017 as an ex-dividend date for distributions supports the collective effort among the industry and SROs to mitigate the potential confusion concerning proper settlement during the transition from the T+3 settlement cycle to the T+2 settlement cycle.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change makes changes to rules pertaining to securities settlement and is intended to facilitate the implementation of the industry-led transition to a T+2 settlement cycle. Moreover, the proposed rule changes are consistent with the SEC’s amendment to SEA Rule 15c6–1(a) to require standard settlement no later than T+2.

Meanwhile, the proposal to interpret the Rules to exclude an ex-dividend date of September 5, 2017 will minimize potential confusion about proper settlement that may arise during the transition to the T+2 settlement cycle.¹⁶

¹⁵ 15 U.S.C. 78f(b)(5).

¹⁶ As a result of the September 5, 2017 transition date for regular-way settlement from T+3 to T+2, September 7, 2017 will be a “double” settlement date for trades that occur on September 1, 2017 (under T+3 and reflecting the Labor Day holiday on

The Exchange believes that the proposal would not impose any additional costs on the industry.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the proposed rule change does not (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁷ and Rule 19b–4(f)(6) thereunder.¹⁸

A proposed rule change filed under Rule 19b–4(f)(6)¹⁹ normally does not become operative for 30 days after the date of filing. However, pursuant to Rule 19b–4(f)(6)(iii),²⁰ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative in time for the compliance date of September 5, 2017 for the T+2 settlement cycle. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest so that the proposed rule change and interpretation will be operative as the industry moves to a T+2 settlement cycle on September 5, 2017. The Commission notes that the proposed rule change would amend Exchange rules to conform to the amendment that the Commission has adopted to Rule 15c6–1(a) under the Act²¹ and support a move to a T+2 standard settlement cycle. The Commission further notes that the interpretation regarding the

¹⁷ 15 U.S.C. 78s(b)(3)(A).

¹⁸ 17 CFR 240.19b–4(f)(6). In addition, Rule 19b–4(f)(6)(iii) requires the Exchange to give the Commission written notice of the Exchange’s intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Commission has waived this requirement.

proper settlement date in connection with the transition to the T+2 settlement cycle on September 5, 2017 would help to avoid the confusion that could arise if “regular” distributions were to be ex-dividend on that date and is consistent with the rules of other self-regulatory organizations.²² Accordingly, the Commission hereby waives the 30-day operative delay requirement and designates the proposed rule change as operative upon filing.²³

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

Rule 17a-7, SEC File No. 270-238, OMB Control No. 3235-0214.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520), the Securities and Exchange Commission (“Commission”) is soliciting comments on the collections of information summarized below. The Commission plans to submit the existing collection of information to the Office of Management and Budget for extension and approval.

Rule 17a-7 (17 CFR 270.17a-7) (the “rule”) under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) (the “Act”) is entitled “Exemption of certain purchase or sale transactions between an investment company and

certain affiliated persons thereof.” It provides an exemption from section 17(a) of the Act for purchases and sales of securities between registered investment companies (“funds”), that are affiliated persons (“first-tier affiliates”) or affiliated persons of affiliated persons (“second-tier affiliates”), or between a fund and a first- or second-tier affiliate other than another fund, when the affiliation arises solely because of a common investment adviser, director, or officer. Rule 17a-7 requires funds to keep various records in connection with purchase or sale transactions effected in reliance on the rule. The rule requires the fund’s board of directors to establish procedures reasonably designed to ensure that the rule’s conditions have been satisfied. The board is also required to determine, at least on a quarterly basis, that all affiliated transactions effected during the preceding quarter in reliance on the rule were made in compliance with these established procedures. If a fund enters into a purchase or sale transaction with an affiliated person, the rule requires the fund to compile and maintain written records of the transaction.¹ The Commission’s examination staff uses these records to evaluate for compliance with the rule.

While most funds do not commonly engage in transactions covered by rule 17a-7, the Commission staff estimates that nearly all funds have adopted procedures for complying with the rule.² Of the approximately 3,243 currently active funds, the staff estimates that virtually all have already adopted procedures for compliance with rule 17a-7. This is a one-time burden, and the staff therefore does not estimate an ongoing burden related to the policies and procedures requirement of the rule for funds.³ The staff estimates that there are approximately 97 new funds that register each year, and that each of these funds adopts the relevant policies and procedures. The staff estimates that it takes approximately 4 hours to develop and adopt these policies and procedures. Therefore, the

¹ The written records are required to set forth a description of the security purchased or sold, the identity of the person on the other side of the transaction, and the information or materials upon which the board of directors’ determination that the transaction was in compliance with the procedures was made.

² Unless stated otherwise, these estimates are based on conversations with the examination and inspections staff of the Commission and fund representatives.

³ Based on our reviews and conversations with fund representatives, we understand that funds rarely, if ever, need to make changes to these policies and procedures once adopted, and therefore we do not estimate a paperwork burden for such updates.
