

notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on August 18, 2017.

voestalpine already has authority to produce hot briquetted iron (HBI) and related by-products using certain foreign-status materials within Subzone 122T. voestalpine has a pending production notification requesting to expand its scope of authority (B-42-2017, 82 FR 30821, July 3, 2017). The current request would add a foreign-status material to the scope of authority. Pursuant to 15 CFR 400.14(b), additional FTZ authority would be limited to the specific foreign-status material described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt voestalpine from customs duty payments on the foreign-status lump iron ore used in export production. On its domestic sales, for foreign-status lump iron ore (duty free), voestalpine would be able to choose the duty rates during customs entry procedures that apply to HBI and certain by-products: Iron sludge, recycled iron briquettes, direct reduction remet, iron fines, and HBI fines (for which voestalpine's request for authority is currently pending) (duty free). voestalpine would be able to avoid duty on foreign-status components which become scrap/waste. Customs duties also could possibly be deferred or reduced on foreign-status production equipment.

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is October 23, 2017.

A copy of the notification will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the "Reading Room" section of the Board's Web site, which is accessible via www.trade.gov/ftz.

SUPPLEMENTARY INFORMATION:

Background

On December 1, 2016, the Department published in the **Federal Register** a notice of opportunity to request an administrative review of the CVD order on CVP-23 from India for the period January 1, 2015, through December 31, 2015.¹ On December 7, 2016, the Department received a timely request for review from Pidilite Industries Limited (Pidilite), in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(b), to conduct an administrative review of this CVD order.² Based upon this request, on February 13, 2017, the Department published in the **Federal Register** a notice of initiation of an administrative review of the CVD order on CVP-23 from India with respect to Pidilite.³ No other party requested an administrative review. On March 28, 2017, Pidilite timely withdrew its request for an administrative review.⁴

Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if the party that requested the review withdraws its request within 90 days of the publication of the notice of initiation of the requested review. In this case, Pidilite timely withdrew its request for review within the 90-day deadline, and no other party requested an administrative review of this order. Therefore, we are rescinding the administrative review of the CVD order on CVP-23 from India covering the period January 1, 2015, through December 31, 2015.

Assessment
