An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

Rural Business-Cooperative Service

Title: Advanced Biofuel Payment Program.

OMB Control Number: 0570–0063.

Summary of Collection: Section 9005 of Title IX of the Food, Conservation, and Energy Act of 2008 (2008 Farm Bill) authorizes Rural Business-Cooperative Service (RBS) to enter into contracts to make payments to eligible entities to

support and ensure an expanding production of advanced biofuels. To receive payments under the Program, eligible entities are producers of advanced biofuels that meet all of the requirements of the Program. Eligible entities can be an individual or legal entity, including a corporation, company, foundation, association, labor organization, firm, partnership, society, joint stock company, group of organizations, or non-profit that produces an advanced biofuel and that sells the advanced biofuel on the commercial market.

Need and Use of the Information: To participate in the program, advanced biofuel producers must enroll by submitting an application (Form RD–4288–1) which includes specific information about the producer and the producer's advanced biofuel bio-refineries. This information will be used to determine applicant eligibility and if the advanced biofuel being produced is eligible for payments under the Program. Once the producer is approved for participation in the Program, the producer and Agency will enter into a contract (Form RD 4288–2). After the contract is signed the producer will submit payment requests using (Form RD 4288–3) preferably on a quarterly basis.

Description of Respondents: Business or other for-profit; Individuals.

Number of Respondents: 288.

Frequency of Responses: Reporting: Quarterly, Annually.

Total Burden Hours: 1,846.

Agricultural Marketing Service

Title: Child Nutrition Labeling Program.

OMB Control Number: 0581–0261

Summary of Collection: The Child Nutrition Labeling Program is a voluntary technical assistance program administered by the Agricultural Marketing Service (AMS). The program is designed to aid schools and institutions participating in the National School Lunch Program, the School Breakfast Program, the Child and Adult Care Food Program, and the Summer Food Service Program by, determining the contribution a commercial product makes towards the meal pattern requirements. Legislative authority for the programs is covered under The National School Lunch Act (NSLA); Public Law 90–302 enacted in 1968 amended the NSLA establishing the Special Food Service Program for Children. In 1975 Congress separated the Child Care Food Program and Summer Food Service components of the SFAPFC and provided each with legislative authorization.
