SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-81531; File No. SR-NYSE-2017-43]

Self-Regulatory Organizations; New York Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change, as Modified by Amendment No. 1 Thereto, To Delay the Implementation of Its Recently Approved Rule Requiring Listed Companies To Provide Advance Notice of Dividend or Stock Distribution Announcements to the Exchange

September 5, 2017.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the "Act"),² and Rule 19b-4 thereunder,³ notice is hereby given that on August 29, 2017, New York Stock Exchange LLC ("NYSE" or the "Exchange") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. On August 29, 2017, the Exchange filed Amendment No. 1 to the proposal. The Commission is publishing this notice to solicit comments on the proposed rule change, as modified by Amendment No. 1, from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to delay the implementation of its recently approved rule requiring listed companies to provide notice to the Exchange at least 10 minutes before making any public announcement with respect to a dividend or stock distribution in all cases.⁴ The proposed rule change is available on the Exchange's Web site at www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included

¹ 15 U.S.C. 78s(b)(1).

² 15 U.S.C. 78a.

³ 17 CFR 240.19b-4.

⁴ The Exchange previously filed a proposed rule change to delay the implementation of its recently approved rule requiring listed companies to provide notice to the Exchange at least 10 minutes before making any public announcement with respect to a dividend or stock distribution in all cases. See SR-NYSE-2017-43 (August 22, 2017). This Amendment No. 1 replaces and supersedes the original filing of SR-NYSE-2017-43 in its entirety.

statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

On August 14, 2017, the Commission approved changes to the NYSE Listed Company Manual (the "Manual") that require listed companies to provide notice to the Exchange at least 10 minutes before making any public announcement with respect to a dividend or stock distribution in all cases, including outside of the hours in which the Exchange's immediate release policy is in operation.⁵ The principal effect of this amendment is to require listed companies to provide 10 minutes advance notice to the Exchange with respect to a dividend or stock distribution announcement made at any time, rather than just during the hours of operation of the immediate release policy as is currently the case.⁶

Because listed companies may need to change their internal procedures to comply with the new policy and because the Exchange requires additional time to finalize its implementation of new technology changes and processes to effectively perform this function, the Exchange proposes to delay the final implementation date of the changes.⁷ This delay would provide listed companies with additional time to prepare to comply with the new requirements and for the Exchange's systems to provide the necessary support to Exchange staff in reviewing notifications. The Exchange will provide reasonable advance notice of the new implementation date to its listed companies at least 30 days in advance by emailing a notice to them that will also be posted on nyse.com.

⁵ See Securities Exchange Act Release No. 81393 (August 14, 2017) (SR-NYSE-2017-17).

⁶ The Exchange also amended Section 202.06(B) of the Manual to emphasize the Exchange's consistent interpretation of that rule as requiring listed companies to comply with the immediate release policy with respect to all announcements relating to a dividend or stock distribution.

⁷ The original filing also included an amendment to Section 202.06(B). As this amendment was a clarification of an existing interpretation of that section, the Exchange does not propose to delay its implementation.
