V. Accelerated Approval of the Proposed Rule Change, as Modified by Amendment No. 1

The Commission finds good cause to approve the proposed rule change, as modified by Amendment No. 1, prior to the thirtieth day after the date of publication of Amendment No. 1 in the *Federal Register*. In Amendment No. 1, the Exchange proposes to remove outdated references to Retail Orders and RPI Orders, which are no longer offered on the Exchange. The Commission believes that deleting these outdated references would help to bring clarity and accuracy to the Exchange rules. The Commission also believes that these changes are of a technical nature and do not materially or substantively alter the proposed rule change. In addition, in Amendment No. 1, the Exchange provides an example to illustrate and support its assertion that extending the time period for the entry of LOC orders until immediately prior to 3:55 p.m. should facilitate the price discovery mechanism of the Nasdaq Closing Cross. Accordingly, the Commission finds good cause, pursuant to Section 19(b)(2) of the Act,⁴⁴ to approve the proposed rule change, as modified by Amendment No. 1, on an accelerated basis.

VI. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,⁴⁵ that the proposed rule change (SR–NASDAQ–2017–061), as modified by Amendment No. 1, be, and hereby is, approved on an accelerated basis.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.⁴⁶

Eduardo A. Aleman,
Assistant Secretary.

Summary of the Application

1. Applicants request an order that would allow Funds to operate as actively-managed exchange traded funds (“ETFs”).¹ Fund shares will be purchased and redeemed at their NAV in Creation Units only. All orders to purchase Creation Units and all redemption requests will be placed by or through an “Authorized Participant,” which will have signed a participant agreement with the Distributor. Shares will be listed and traded individually on a national securities exchange, where share prices will be based on the current bid/offer market. Any order granting the requested relief would be subject to the terms and conditions stated in the application.

2. Each Fund will consist of a portfolio of securities, instruments, other assets or positions (“Portfolio Positions”). Each Fund will disclose on its Web site the identities and quantities of the Portfolio Positions that will form the basis for the Fund’s calculation of NAV at the end of the day.

3. Shares will be purchased and redeemed in Creation Units and generally on an in-kind basis. Except where the purchase or redemption will include cash under the limited circumstances specified in the application, purchasers will be required to purchase Creation Units by depositing specified instruments (“Deposit Instruments”), and shareholders redeeming their shares will receive specified instruments (“Redemption Instruments”). The Deposit Instruments and the Redemption Instruments will each correspond pro rata to the positions in the Fund’s portfolio (including cash positions) except as specified in the application.

4. Because shares will not be individually redeemable, applicants

request an exemption from section 5(a)(1) and section 2(a)(32) of the Act that would permit the Funds to register as open-end management investment companies and issue shares that are redeemable in Creation Units only.

5. Applicants also request an exemption from section 22(d) of the Act and rule 22c-1 under the Act as secondary market trading in shares will take place at negotiated prices, not at a current offering price described in a Fund’s prospectus, and not at a price based on NAV. Applicants state that (a) secondary market trading in shares does not involve a Fund as a party and will not result in dilution of an investment in shares, and (b) to the extent different prices exist during a given trading day, or from day to day, such variances occur as a result of third-party market forces, such as supply and demand. Therefore, applicants assert that secondary market transactions in shares will not lead to discrimination or preferential treatment among purchasers. Finally, applicants represent that share market prices will be disciplined by arbitrage opportunities, which should prevent shares from trading at a material discount or premium from NAV.

6. With respect to Funds that hold non-U.S. Portfolio Positions and that effect creations and redemptions of Creation Units in kind, applicants request relief from the requirement imposed by section 22(e) in order to allow such Funds to pay redemption proceeds within fifteen calendar days following the tender of Creation Units for redemption. Applicants assert that the requested relief would not be inconsistent with the spirit and intent of section 22(e) to prevent unreasonable, undisclosed or unforeseen delays in the actual payment of redemption proceeds.

7. Applicants request an exemption to permit Acquiring Funds to acquire Fund shares beyond the limits of section 12(d)(1)(A) of the Act; and the Funds, and any principal underwriter for the Funds, and/or any broker or dealer registered under the Exchange Act, to sell shares to Acquiring Funds beyond the limits of section 12(d)(1)(B) of the Act. The application’s terms and conditions are designed to, among other things, help prevent any potential (i) undue influence over a Fund through control or voting power, or in connection with certain services, transactions, and underwritings, (ii) excessive layering of fees, and (iii) overly complex fund structures, which are the concerns underlying the limits in sections 12(d)(1)(A) and (B) of the Act.

8. Applicants request an exemption from sections 17(a)(1) and 17(a)(2) of the

Act to permit persons that are affiliated persons, or second tier affiliates, of the Funds, solely by virtue of certain ownership interests, to effectuate purchases and redemptions in-kind. The deposit procedures for in-kind purchases of Creation Units and the redemption procedures for in-kind redemptions of Creation Units will be the same for all purchases and redemptions and Deposit Instruments and Redemption Instruments will be valued in the same manner as those Portfolio Positions currently held by the Funds. Applicants also seek relief from the prohibitions on affiliated transactions in section 17(a) to permit a Fund to sell its shares to and redeem its shares from an Acquiring Fund, and to engage in the accompanying in-kind transactions with the Acquiring Fund.² The purchase of Creation Units by an Acquiring Fund directly from a Fund will be accomplished in accordance with the policies of the Acquiring Fund and will be based on the NAVs of the Funds.

9. Section 6(c) of the Act permits the Commission to exempt any persons or transactions from any provision of the Act if such exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act. Section 12(d)(1)(J) of the Act provides that the Commission may exempt any person, security, or transaction, or any class or classes of persons, securities, or transactions, from any provision of section 12(d)(1) if the exemption is consistent with the public interest and the protection of investors. Section 17(b) of the Act authorizes the Commission to grant an order permitting a transaction otherwise prohibited by section 17(a) if it finds that (a) the terms of the proposed transaction are fair and reasonable and do not involve overreaching on the part of any person concerned; (b) the proposed transaction is consistent with the policies of each registered investment company involved; and (c) the proposed transaction is consistent with the general purposes of the Act.

¹ Applicants request that the order apply to future series of the Trusts and other open-end management investment companies or series thereof that currently exist or that may be created in the future (each, included in the term “Fund”), each of which will operate as an actively-managed ETF. Any series of the Trusts, or of other open-end management investment companies, that have multiple share classes will not be able to rely on the order. Any Fund will (a) be advised by the Initial Adviser or an entity controlling, controlled by, or under common control with the Initial Adviser (each such entity or any successor thereto is included in the term “Adviser”) and (b) comply with the terms and conditions of the application. For purposes of the requested order, the term “successor” is limited to an entity that results from a reorganization into another jurisdiction or a change in the type of business organization.

² The requested relief would apply to direct sales of shares in Creation Units by a Fund to an Acquiring Fund and redemptions of those shares. Applicants, moreover, are not seeking relief from section 17(a) for, and the requested relief will not apply to, transactions where a Fund could be deemed an affiliated person, or a second-tier affiliate, of an Acquiring Fund because an investment adviser to the Funds is also an investment adviser to the Acquiring Fund.

For the Commission, by the Division of Investment Management, under delegated authority.

Assistant Secretary.

SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270-213, OMB Control No. 3235-0220]

Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE., Washington, DC 20549-2736.

Extension:

Rule 30b2-1

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit the existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Rule 30b2-1 (17 CFR 270.30b2-1) under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) (the "Investment Company Act") requires a registered investment company ("fund") to (1) file a report with the Commission on Form N-CSR (17 CFR 249.331 and 274.128) not later than 10 days after the transmission of any report required to be transmitted to shareholders under rule 30e-1 under the Investment Company Act, and (2) file with the Commission a copy of every periodic or interim report or similar communication containing financial statements that is transmitted by or on behalf of such fund to any class of such fund's security holders and that is not required to be filed with the Commission under (1) above, not later than 10 days after the transmission to security holders. The purpose of the collection of information required by rule 30b2-1 is to meet the disclosure requirements of the Investment Company Act and certification requirements of the Sarbanes-Oxley Act of 2002 (Pub. L. 107-204, 116 Stat. 745 (2002)), and to provide investors with information necessary to evaluate an interest in the fund.

The Commission estimates that there are 2,401 funds, with a total of 11,555

portfolios, that are governed by the rule. For purposes of this analysis, the burden associated with the requirements of rule 30b2-1 has been included in the collection of information requirements of rule 30e-1 and Form N-CSR, rather than the rule. The Commission has, however, requested a one hour burden for administrative purposes.

The collection of information under rule 30b2-1 is mandatory. The information provided under rule 30b2-1 is not kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to Pamela Dyson, Director/Chief Information Officer, Securities and Exchange Commission, C/O Remi Pavlik-Simon, 100 F Street NE., Washington, DC 20549; or send an email to: PRA_Mailbox@sec.gov.

Dated: September 11, 2017.
