SUMMARY: The Environmental Protection Agency (EPA) is proposing to approve revisions to the Iowa the State Implementation Plan (SIP), the 111(d) plan, and the Operating Permits Program. EPA is taking direct final action because we view this as a noncontroversial action and anticipate no relevant adverse comment. We have explained our reasons for these actions in the Technical Support Document that is included with this docket. If we receive no adverse comment, we will not take further action on this proposed rule.

DATES: Comments must be received by October 16, 2017.

Multimedia submissions (audio, video, etc.) must be accompanied by a written comment. The written comment is considered the official comment and should include discussion of all points you wish to make.
