SMALL BUSINESS ADMINISTRATION

**Small Business Size Standards: Class
Waiver of the Nonmanufacturer Rule**

AGENCY: U.S. Small Business
Administration.

ACTION: Notice of Intent To Waive the
Nonmanufacturer Rule for Positive
Airway Pressure Devices and Supplies
Manufacturing.

SUMMARY: The U.S. Small Business
Administration (SBA) is considering

granting a request for a class waiver of
the Nonmanufacturer Rule (NMR) for
Positive Airway Pressure Devices and
Supplies Manufacturing. This U.S.
industry comprises establishments
primarily engaged in manufacturing
Continuous Positive Airway Pressure
(CPAP) devices, Bi-level Positive
Airway Pressure (BiPAP) devices, and
other products intended to treat sleep
apnea by keeping a person's airways
open during sleep. According to the
request, no small business
manufacturers supply this product to
the Federal government. If granted, the
class waiver would allow otherwise
qualified regular dealers to supply the
product of any manufacturer on a
Federal contract set aside for small
business, service-disabled veteran-
owned small business (SDVOSB),
women-owned small business (WOSB),
economically disadvantaged women-
owned small business (EDWOSB), or
participants in the SBA's 8(a) Business
Development (BD) program.

DATES: Comments and source
information must be submitted by
October 18, 2017.

ADDRESSES: You may submit comments
and source information via the Federal
Rulemaking Portal at [https://
www.regulations.gov](https://www.regulations.gov) under Docket ID
SBA-2017-0006. If you wish to submit
confidential business information (CBI)
as defined in the User Notice at [http://
www.regulations.gov](http://www.regulations.gov), please submit the
information to Roman Ivey, Program
Analyst, Office of Government
Contracting, U.S. Small Business
Administration, 409 Third Street SW.,
8th Floor, Washington, DC 20416, and
highlight the information that you
consider to be CBI and explain why you
believe this information should be held
confidential. SBA will review the
information and make a final
determination as to whether or not the
information will be published.

FOR FURTHER INFORMATION CONTACT:
Roman Ivey, Program Analyst, by
telephone at 202-401-1420; or by email
at roman.ivey@sba.gov.

SUPPLEMENTARY INFORMATION: Section
8(a)(17) and 46 of the Small Business
Act (Act), 15 U.S.C. 637(a)(17) and 657,
and SBA's implementing regulations
require that recipients of Federal supply
contracts (except those valued between
\$3,500 and \$150,000) set aside for small
business, service-disabled veteran-
owned small business (SDVOSB),
women-owned small business (WOSB),
economically disadvantaged women-
owned small business (EDWOSB), or
participants in the SBA's 8(a) Business
Development (BD) program provide the
product of a small business

manufacturer or processor, if the
recipient is other than the actual
manufacturer or processor of the
product. This requirement is commonly
referred to as the Nonmanufacturer Rule
(NMR). 13 CFR 121.406(b). Sections
8(a)(17)(B)(iv)(II) and 46(a)(4)(B) of the
Act authorize SBA to waive the NMR for
a "class of products" for which there are
no small business manufacturers or
processors available to participate in the
Federal market.

As implemented in SBA's regulations
at 13 CFR 121.1202(c), in order to be
considered available to participate in
the Federal market for a class of
products, a small business manufacturer
must have submitted a proposal for a
contract solicitation or been awarded a
contract to supply the class of products
within the last 24 months.

The SBA defines "class of products"
based on a combination of (1) the six
digit North American Industry
Classification System (NAICS) code, (2)
the four digit Product Service Code
(PSC), and (3) a description of the class
of products.

The SBA is currently processing a
request to waive the NMR for Positive
Airway Pressure Devices and Supplies
under NAICS codes 339112 and 339113,
PSC 6515. The public is invited to
comment or provide source information
on any small business manufacturers of
this class of products that are available
to participate in the Federal market. The
public comment period will run for 30
days after the date of publication in the
Federal Register.

More information on the NMR and
Class Waivers can be found at [https://
www.sba.gov/contracting/contracting-
officials/non-manufacturer-rule/non-
manufacturer-waivers](https://www.sba.gov/contracting/contracting-officials/non-manufacturer-rule/non-manufacturer-waivers).

Dated: September 6, 2017.

Seán F. Crean,

Director, Office of Government Contracting.
