September 13, 2017.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on September 6, 2017, Bats BZX Exchange, Inc. (the "Exchange" or "BZX") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange has designated this proposal as a "non-controversial" proposed rule change pursuant to Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(6)(iii) thereunder,⁴ which renders it effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange filed a proposal to amend paragraphs (b)(3)(M) and (N) of Rule 11.13, Order Execution and Routing, to expand the ability of Users⁵ to designate their orders for participation in the opening, re-opening (following a halt, suspension, or pause), or closing process of a primary listing market other than the Exchange (NYSE, Nasdaq, NYSE MKT, or NYSE Arca) to include the Investors Exchange LLC ("IEX"). The Exchange also proposes to amend paragraphs (b)(3)(M) and (N) of Rule 11.13 as well as Rules 11.24(c)(1) and 11.26(a) to reflect the name change of NYSE MKT to NYSE American.

The text of the proposed rule change is available at the Exchange's Web site at www.bats.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Exchange Rule 11.13(b)(3)(N) describes the ROOC routing option, under which Users may designate their orders for participation in the opening or closing process, in addition to the re-opening (following a halt, suspension, or pause), of a primary listing market other than the Exchange, if received before the opening/re-opening/closing time of such market.⁶ Under Exchange Rule 11.13(b)(3)(M), Users may also elect that their orders be routed to participate in the primary market's re-opening process, and not its opening or closing processes. Any remaining shares

are either posted to the BZX Book,⁷ executed, or routed to destinations on the System routing table.⁸

IEX announced that it intends to become a primary listing exchange and support IEX-listed companies beginning in October 2017.⁹ At that time, the Exchange will enable Users to elect that their orders in IEX-listed securities be routed to IEX to participate in IEX's opening, re-opening (following a halt, suspension, or pause), or closing process. Therefore, the Exchange proposes to amend paragraphs (b)(3)(M) and (N) of Rule 11.13 to include IEX as a primary listing market to which Users may designate their orders be routed.¹⁰

Lastly, the Exchange also proposes non-substantive amendments to paragraphs (b)(3)(M) and (N) of Rule 11.13 as well as Rules 11.24(c)(1) and 11.26(a) to reflect the name change of NYSE MKT to NYSE American.¹¹

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act¹² in general, and furthers the objectives of Section 6(b)(5) of the Act¹³ in particular, in that it is designed to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest. As discussed above, IEX announced that it intends to become a primary listing exchange and support IEX-listed companies beginning in October 2017.¹⁴ Certain Users whose

¹⁰ The Exchange also proposes to amend paragraph (b)(3)(M) of Rule 11.13 to replace the term "Bats" with "BZX" to reflect the correct defined term of "BZX Book". See Exchange Rule 1.5(e).

orders in IEX-listed securities are resting on the BZX Book may wish that their order only be routed to participate in IEX's opening, closing, or re-opening process. The proposed rule change promotes just and equitable principles of trade because it would provide such Users with additional flexibility with regard to their orders in IEX-listed securities.

Lastly, the non-substantive amendments to paragraphs (b)(3)(M) and (N) of Rule 11.13 as well as Rules 11.24(c)(1) and 11.26(a) to reflect the name change of NYSE MKT to NYSE American also removes impediments to and perfects the mechanism of a free and open market and a national market system because it updates the rules to reflect the name change and does not alter the way in which orders in NYSE American listed securities are handled and routed.

(A) Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposal will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The Exchange believes that its proposal would increase competition because it offers Users an alternative means to route orders to participate in IEX's opening, closing, and re-opening following a halt, suspension, or pause as if they entered orders on that market directly.

B. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (A) Significantly affect the protection of investors or the public interest; (B) impose any significant burden on competition; and (C) by its terms, become operative for 30 days from the date on which it was filed or such shorter time as the Commission may designate it has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁵ and paragraph (f)(6) of Rule 19b-4 thereunder,¹⁶ the Exchange has designated this rule filing as non-controversial. The Exchange has given the Commission written notice of its intent to file the proposed rule change,

along with a brief description and text of the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (1) Necessary or appropriate in the public interest; (2) for the protection of investors; or (3) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–81597; File No. SR–MRX–2017–17]

Self-Regulatory Organizations; Nasdaq MRX, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Remove Language From Chapter 19 of the Rulebook

September 13, 2017.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b–4 thereunder,² notice is hereby given that on August 31, 2017, Nasdaq MRX, LLC (“MRX” or “Exchange”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to remove language from Chapter 19 related to a systems issue that has been resolved with the completed migration of the Exchange to Nasdaq INET.

The text of the proposed rule change is available on the Exchange’s Web site at www.ise.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to remove language from Chapter 19 related to a systems issue that has been resolved with the completed migration of the Exchange to Nasdaq INET. On June 6, 2017, the Exchange filed a proposed rule change to amend Chapter 19 to notify members of a systems issue related to allocations made pursuant to Supplementary Material .02(a)–(b) to Rule 1901 (“Flash auction”).³ As explained in that proposed rule change, due to a systems issue, Flash auction allocations pursuant to Supplementary Material .02(a)–(b) to Rule 1901 were not being provided as described in that rule, and instead Primary Market Maker quotes were being given a Flash auction allocation pursuant to Supplementary Material .01(b)–(c) to Rule 713 after Priority Customer Orders on the book, and ahead of Responses, Professional Orders, and other market maker quotes. This systems issue has been resolved with the Exchange’s migration to Nasdaq INET, which was completed on Monday, August 21, 2017. As all symbols are now trading on INET, contracts executed in a Flash auction will be allocated correctly pursuant to Supplementary Material .02 to Rule 1901. The Exchange therefore proposes to remove the language described above from its rulebook.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder that are applicable to a national securities

exchange, and, in particular, with the requirements of Section 6(b) of the Act.⁴ In particular, the proposal is consistent with Section 6(b)(5) of the Act,⁵ because is designed to promote just and equitable principles of trade, remove impediments to and perfect the mechanisms of a free and open market and a national market system and, in general, to protect investors and the public interest. The Exchange believes that the proposed rule change is consistent with the protection of investors and the public interest because the systems issue described in Chapter 19 has been resolved. Due to a systems issue, allocations in the Flash auction were not being done in the manner described in Supplementary Material .02(a)–(b) to Rule 1901. As a temporary measure, the Exchange therefore added language to that effect to Chapter 19. With the migration of the Exchange’s trading system to Nasdaq INET, this systems issue has been eliminated, and the Exchange therefore believes that it is appropriate to remove this language from Chapter 19.

B. Self-Regulatory Organization’s Statement on Burden on Competition

In accordance with Section 6(b)(8) of the Act,⁶ the Exchange does not believe that the proposed rule change will impose any burden on intermarket or intramarket competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change eliminates outdated text reflecting a systems issue related to Flash auction allocations, and is not designed to have any competitive impact.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the proposed rule change does not (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section
