Use of Truncated Taxpayer Identification Numbers on Forms W–2, Wage and Tax Statement, Furnished to Employees

AGENCY: Internal Revenue Service (IRS), Treasury.
ACTION: Notice of proposed rulemaking.

SUMMARY: This document contains proposed amendments to the regulations under sections 6051 and 6052 of the Internal Revenue Code (Code). To aid employers’ efforts to protect employees from identity theft, these proposed regulations would amend existing regulations to permit employers to voluntarily truncate employees’ Social Security numbers (SSNs) on copies of Forms W–2, Wage and Tax Statement, that are furnished to employees so that the truncated SSNs appear in the form of IRS truncated taxpayer identification numbers (TTINs). These proposed regulations also would amend the regulations under section 6109 to clarify the application of the truncation rules to Forms W–2 and to add an example illustrating the application of these rules. Additionally, these proposed amendments would delete obsolete provisions and update cross references in the regulations under sections 6051 and 6052. These proposed regulations affect employers who are required to furnish Forms W–2 and employees who receive Forms W–2.

DATES: Written or electronic comments and requests for a public hearing must be received by December 18, 2017.

ADDRESSES: Send submissions to: CC:PA:LPD:PR (REG–105004–16), Room 5203, Internal Revenue Service, P.O. Box 7604, Ben Franklin Station, Washington, DC 20044. SUPPLEMENTARY INFORMATION:

Background

This document contains proposed amendments to the Income Tax Regulations (26 CFR part 1), the Employment Taxes and Collection of Income Tax at Source Regulations (26 CFR part 31), and the Procedure and Administration Regulations (26 CFR part 301) regarding statements that are required to be furnished to employees by employers or other persons under sections 6051 and 6052 of the Code. Section 6051(a) generally requires that an employer provide to each employee on or before January 31st of the succeeding year a written statement that shows the employee’s total amount of wages and the total amount deducted and withheld as tax from those wages, along with other information, for each calendar year. Employers must use Form W–2 (or a substitute statement that complies with applicable revenue procedures relating to such statements) to provide the information required by section 6051(a) to employees. See §31.6051–1(a)(1)(i); Rev. Proc. 2016–54, 2016–45 I.R.B. 685, also published as Publication 1141, “General Rules and Specifications for Substitute Forms W–2 and W–3,” or any successor guidance. Section 6051(d) provides that, when required to do so by regulations, employers must file with the Secretary duplicates of the forms required to be furnished to employees under section 6051. Section 31.6051–2(a) generally requires employers to file Social Security Administration copies of Forms W–2 with the Social Security Administration. A person making a payment of third-party sick pay to an employee of another employer (payee) is required under section 6051(f)(1) to furnish a written statement to the employer for whom services are normally rendered containing certain information, including the payee’s SSN. Under certain conditions, the employer for whom services are normally rendered is required under section 6051(f)(2) to furnish a Form W–2 to the payee. This situation may arise, for example, when an insurance company is making payments to an employee of another employer because the employee is temporarily absent from work due to injury, sickness or disability, and the insurance company has satisfied the necessary requirements under §32.1(e) of the Temporary Employment Tax Regulations under the Act of December 29, 1981 (Pub. L. 97–123) to transfer the obligation to do Form W–2 reporting to the employer. Employers also must use Form W–2 to file and furnish information regarding payment of wages in the form of group-term life insurance under section 6052.

Section 6109(a) authorizes the Secretary to prescribe regulations with respect to the inclusion in returns, statements, or other documents of an identifying number as may be prescribed for securing proper identification of a person. On July 15, 2014, the Treasury Department and the IRS published in the Federal Register (79 FR 4127–02) final regulations (TD 9675) authorizing the use of TTINs on certain payee statements and certain other documents. These final regulations were in response to concerns about the risks of identity theft, including its effect on tax administration.

Section 301.6109–4(b) generally provides that a TTIN may be used to identify any person on any statement or other document that the internal revenue laws require to be furnished to another person. Under §301.6109–4(a), a TTIN is an individual’s SSN, IRS individual taxpayer identification number (ITIN), IRS adoption taxpayer identification number (ATIN), or IRS employer identification number (EIN) in which the first five digits of the nine-digit number are replaced with Xs or asterisks. For example, a TTIN replacing an SSN appears in the form XXX–XX–1234 or ***–**–1234. Section 301.6109–4(b)(2)(ii) prohibits using TTINs if, among other things, a statute, regulation, other guidance published in the Internal Revenue Bulletin, form, or instructions specifically requires the use of an SSN. Additionally, §301.6109–4(b)(2)(iii) prohibits the use of TTINs on any return, statement, or other document that is required to be filed with or furnished to the IRS.

Prior to being amended by the Protecting Americans from Tax Hikes (PATH) Act of 2015, Public Law 114–113, div. Q, title IV, 129 Stat. 2242, section 6051(a)(2) specifically required employers to include their employees’ SSNs on copies of Forms W–2 that are furnished to employees. In addition, current regulations under §31.6051–1, as well as forms and instructions, require employers to include their employees’ SSNs on copies of Forms W–2 that are furnished to employees. Section 409 of the PATH Act amended section 6051(a)(2) by striking “his social security account number” from the list of information required on Form W–2 and inserting “an identifying number for the employee” instead. This statutory amendment is effective for statements issued after December 18, 2015, the date that the PATH Act was signed into law. Because an SSN is no longer required by section 6051, the Treasury Department and the IRS propose amending the regulations to permit employers to truncate employees’ SSNs to appear in the form of TTINs on copies of Forms W–2 that are furnished to employees. If the proposed regulations are finalized without change, the IRS intends to incorporate the revised regulations into forms and instructions, permitting employers to use TTINs on the employee copy of the Form W–2.
Explanation of Provisions

**Truncated SSN Permitted on Employee’s Copies of Form W–2**

These proposed regulations amend § 31.6051–1 to permit employers to truncate employees’ SSNs to appear in the form of a TTIN on copies of Forms W–2 that are furnished to employees under section 6051. Consistent with the rule in § 301.6109–4(b)(2)(iii), prohibiting the use of TTINs on any return, statement, or other document that is required to be filed with or furnished to the IRS, these proposed regulations amend § 31.6051–2 to clarify that employers may not truncate an employee’s SSN to appear in the form of a TTIN on a copy of a Form W–2 that is filed with the Social Security Administration. This result is appropriate because both the IRS and the SSA need to utilize Forms W–2 to properly identify individuals to be able to carry out their respective duties.

Consistent with the rule in § 301.6109–4(b)(2)(iii) that prohibits using TTINs if, among other things, a statute specifically requires the use of an SSN, the proposed regulations also amend § 31.6051–3 to clarify that a payee’s SSN may not be truncated to appear in the form of a TTIN on a statement furnished to the employer of the payee who received sick pay from a third party because section 6051(f)(1)(A)(i) specifically requires such a statement to contain the employee’s SSN. Nonetheless, these proposed regulations permit employers to truncate payees’ SSNs to appear in the form of TTINs on copies of Forms W–2 that are furnished under section 6051(f)(2) to payees that report such third-party sick pay, in accordance with the general rule governing the reporting of wages to employees on Forms W–2 under section 6051(a), because section 6051(f)(2) does not specifically require the use of an SSN.

Further, these proposed regulations amend § 1.6052–2 to permit employers to truncate employees’ SSNs to appear in the form of TTINs on copies of Forms W–2 that are furnished to employees under section 6052(b) regarding payment of wages in the form of group-term life insurance.

These proposed regulations amend § 301.6109–4 to clarify that truncation is not allowed on any return, statement, or other document that is required to be filed with or furnished to the Social Security Administration under the internal revenue laws. These proposed regulations also clarify the rule prohibiting truncation if a statute, regulation, other guidance published in the Internal Revenue Bulletin, form, or instructions, specifically requires use of a SSN, ITIN, ATIN, or EIN. The proposed regulations provide that truncation is allowed if a statute or IRS guidance (e.g., regulations, forms, instructions), that specifically requires use of a SSN, ITIN, ATIN, or EIN, also specifically states that the taxpayer identifying number may be truncated. These proposed regulations also add an example illustrating the application of these rules to Forms W–2. These proposed regulations also amend the existing example for clarity.

**Miscellaneous Updates to Regulations Under Sections 6051 and 6052**

In addition to the amendments relating to the truncation of employees’ SSNs to appear in the form of TTINs in specific circumstances, these proposed regulations eliminate obsolete provisions and update cross references in the regulations under sections 6051 and 6052, as explained below.

First, these proposed regulations amend § 31.6051–1 to remove obsolete provisions regarding compensation, as defined in the Railroad Retirement Tax Act, paid during 1968, 1969, 1970, and 1971 and reported on the now obsolete Form W–2 (RR); the special rule for statements with respect to the refundable earned income credit for Form W–2 for 1987 and 1988; and references to the annual contribution base (repealed in 1993) for wages subject to the Hospital Insurance tax (commonly known as Medicare tax).

Second, these proposed regulations amend § 31.6051–1 to remove obsolete cross references, including a cross reference to former § 301.6676–1 relating to the penalty for failure to report an identification number or an account number, and a cross reference to section 6723 (prior to its amendment in 1989) that was relevant for Forms W–2 that were due from the beginning of 1987 through the end of 1989.

Third, these proposed regulations amend § 31.6051–1 to update now inaccurate cross references resulting from statutory and regulatory changes regarding penalties for failures to file, and to remove a cross reference to section 6723 (prior to its amendment in 1989) that was relevant for Forms W–2 that were due from the beginning of 1987 through the end of 1989. These proposed regulations also change the title of § 31.6051–2 from “Information returns on Form W–3 and Internal Revenue Service copies of Forms W–2” to “Information returns on Form W–3 and Social Security Administration copies of Forms W–2.” To conform with the text of the regulation that refers to the Social Security Administration copies of Form W–2. In addition, these proposed regulations remove obsolete references in § 31.6051–2 to the requirements to submit information on magnetic tape and insert a reference to the requirements to submit information on magnetic media.

Fourth, these proposed regulations amend § 31.6051–3 to remove the obsolete transition rule for third-party sick pay that was paid to a payee after December 31, 1980, and before May 1, 1981.

Fifth, these proposed regulations amend § 1.6052–2 to remove an obsolete rule that allowed employers to use a statement other than a Form W–2 to satisfy the requirement to furnish a statement to an employee with respect to wages paid in the form of group-term life insurance. This rule was relevant for years prior to 1973, before § 1.6052–1 was amended to require employers to report wages in the form of group-term life insurance on Form W–2. At the same time, to conform to this new requirement, § 1.6052–2 was amended to provide that the requirement to furnish a statement to an employee with respect to wages paid in the form of group-term life insurance may be satisfied by furnishing to the employee the employee’s copy of Form W–2 that was filed pursuant to § 1.6052–1.

Because the transition period to require employers to file Form W–2 has long since passed and because the Treasury Department and the IRS understand that copies of Forms W–2 are used to satisfy the requirement to furnish statements to employees under § 1.6052–2, these proposed regulations require employers to furnish to employees their copies of Forms W–2 that were filed pursuant to § 1.6052–1, and these proposed regulations make conforming changes throughout that section.

Finally, these proposed regulations update the now inaccurate cross reference resulting from statutory changes regarding penalties for failures to furnish statements under section 6052 and remove the deemed compliance rule, which applied only to years before 1972.

**Proposed Effective/Applicability Date**

These proposed regulations will be effective on the date of the publication of the Treasury Decision adopting these rules as final in the Federal Register. These proposed regulations amend the effective/applicability date provisions in § 31.6051–1, § 31.6051–3, and § 301.6109–4, and add applicability date provisions to § 1.6052–2 and § 31.6051–2.
W–2 filed with state income tax returns that may contain truncated SSNs. In light of this request, these proposed regulations will not apply to Forms W–2 required to be furnished before January 1, 2019. Accordingly, these proposed regulations provide that these regulations, as amended, will be applicable for statements required to be filed and furnished under sections 6051 and 6052 after December 31, 2018.

**Statement of Availability of IRS Documents**

**Special Analyses**

Certain IRS regulations, including this one, are exempt from the requirements of Executive Order 12866, as supplemented and reaffirmed by Executive Order 13563. Therefore, a regulatory assessment is not required. Because these proposed regulations do not impose a collection of information on small entities, the Regulatory Flexibility Act (5 U.S.C. chapter 6) does not apply. Pursuant to section 7805(f) of the Code, this notice of proposed rulemaking has been submitted to the Chief Counsel for Advocacy of the Small Business Administration for comment on its impact on small business.

**Comments and Requests for Public Hearing**

Before these proposed regulations are adopted as final regulations, consideration will be given to any comments that are submitted timely to the IRS as prescribed in the preamble under the **Address** section. The Treasury Department and the IRS request comments on all aspects of these proposed regulations. All comments submitted will be made available at www.regulations.gov or upon request. A public hearing may be scheduled if requested in writing by any person that timely submits written comments. If a public hearing is scheduled, notice of the date, time, and place for the hearing will be published in the **Federal Register**.

(3) The provisions of section 6109

(b) * * *

(ii) A TTIN may not be used on a statement or document if a statute, regulation, other guidance published in the Internal Revenue Bulletin, form, or instructions, specifically requires use of an SSN, ITIN, ATIN, or EIN and does not specifically state that the taxpayer identifying number may be truncated. For example, a TTIN may not be used on a Form W–8ECI or Form W–8BMY because the forms and/or form instructions specifically prescribe use of an SSN, EIN, or ITIN for the U.S. taxpayer identification number.

(iii) A TTIN may not be used on any return, statement, or other document that is required to be filed with or furnished to the Internal Revenue Service or the Social Security Administration in the case of forms required to be filed with the Social Security Administration under the internal revenue laws.

(c) Examples. The provisions of this paragraph (b) are illustrated by the following examples:

(i) Example 1. Pursuant to section 6051(d) and § 31.6051–2(a) of this chapter, Employer files the Social Security Administration copy of Employee’s Form W–2, Wage and Tax Statement, with the Social Security Administration. Employer may not truncate any identifying number on the Social Security Administration copy. Pursuant to section 6051(a) and § 31.6051–1(a)(1)(i) of this chapter, Employer furnishes copies of Form W–2 to Employee. There are no applicable statutes, regulations, other published guidance, forms, or instructions that prohibit use of a TTIN on Form W–2, and § 31.6051–1(a)(1)(i) specifically permits truncating employees’ SSNs. Accordingly, Employer may truncate Employee’s SSN to appear in the form of a TTIN on copies of Form W–2 furnished to Employee. Employer may not truncate its own EIN on copies of Form W–2 furnished to Employee.

(ii) Example 2. On April 5, year 1, Donor contributes a used car with a blue book value of $1100 to Charitable Organization. On April 20, year 1, Charitable Organization sends Donor copies B and C of the Form 1098–C as a contemporaneous written acknowledgement of the $1100 contribution as required by section 170(f)(12). In late-February, year 2, Charitable Organization prepares and files copy A of Form 1098–C with the IRS, reporting Donor’s donation of a qualified vehicle in year 1. Charitable Organization may truncate Donor’s SSN to appear in the form of a TTIN in the Donor’s Identification Number box on copies B and C of the Form 1098–C because copies B and C of the Form 1098–C are documents required by the Internal Revenue Code and regulations to be furnished to another person; there are no applicable statutes, regulations, other published guidance, forms or instructions that prohibit the use of a TTIN on those copies; and there are no applicable statutes, regulations, other published guidance, forms, or instructions that specifically require use of an SSN or other identifying number on those copies. Charitable Organization may not truncate its own EIN on copies B and C of the Form 1098–C because a person cannot truncate its own taxpayer identifying number on any statement or other document the person furnishes to another person. Charitable Organization may not truncate any identifying number on copy A of the Form 1098–C because copy A is required to be filed with the IRS.

(iii) Example 3. A TTIN may not be used on any returning, statement or other document required to be filed or furnished after December 31, 2018. Kirsten Wielobob, Deputy Commissioner for Services and Enforcement.

BILLING CODE 4830–01–P

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 52

Approval of Implementation Plans; State of Iowa; Elements of the Infrastructure SIP Requirements for the 2010 Nitrogen Dioxide National Ambient Air Quality Standard (NAAQS)

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: The Environmental Protection Agency (EPA) is proposing to approve elements of a State Implementation Plan (SIP) submission, and an amended SIP submission from the State of Iowa for the 2010 Nitrogen Dioxide (NO₂) National Ambient Air Quality Standard (NAAQS). Infrastructure SIPs address the applicable requirements of Clean Air Act (CAA) section 110, which requires that each state adopt and submit a SIP for the implementation, maintenance, and enforcement of each new or revised NAAQS promulgated by the EPA. These SIPs are commonly referred to as “infrastructure” SIPs. The infrastructure requirements are designed to ensure that the structural components of each state’s air quality management program are adequate to meet the state’s responsibilities under the CAA.

In the “Rules and Regulations” section of this Federal Register, we are approving the state’s SIP revisions as a direct final rule without a prior proposed rule. If we receive no adverse comment, we will not take further action on this proposed rule.

DATES: Comments must be received on or before October 20, 2017.

ADDRESSES: Submit your comments, identified by Docket ID No. EPA–R07–OAR–2017–0208, to https://www.regulations.gov. Follow the online instructions for submitting comments. Once submitted, comments cannot be edited or removed from Regulations.gov. The EPA may publish any comment received to its public docket. Do not submit electronically any information you consider to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Multimedia submissions (audio, video, etc.) must be accompanied by a written comment. The written comment is considered the essential contents located outside of the primary submission (i.e. on the web, cloud, or other file sharing system). For additional submission methods, the full EPA public comment policy, information about CBI or multimedia submissions, and general guidance on making effective comments, please visit https://www2.epa.gov/dockets/commenting-epa-dockets.

SUPPLEMENTARY INFORMATION: This document proposes to take direct final action on Iowa’s infrastructure SIP submissions for the 2010 NO₂ NAAQS. We have published a direct final rule approving the State’s SIP revision(s) in the “Rules and Regulations” section of this Federal Register, because we view this as a noncontroversial action and anticipate no relevant adverse comment. We have explained our reasons for this action in the preamble to the direct final rule. A detailed Technical Support Document (TSD) is included in this rulemaking docket under the following: A description of Clean Air Act section 110(a)(1) and (2)
