

Summary Form Under Review

Type of Request: Extension without change of a currently approved information collection.

Title: U.S. Effects Screening Questionnaire.

Form Number: OPI-252.

Frequency of Use: One per investor per project per year (as needed) and OPI-supported financial intermediaries (as required by finance agreement or insurance contract).

Type of Respondents: Business or other institutions; individuals.

Standard Industrial Classification Codes: All.

Description of Affected Public: U.S. companies or citizens investing overseas.

Reporting Hours: 200 (2 hours per form).

Number of Responses: 100 per year.

Federal Cost: \$15,276.

Authority for Information Collection: Sections 231 (k)–(m) of the Foreign Assistance Act of 1961, as amended.

Abstract (Needs and Uses): The U.S. Effects Screening Questionnaire is used to identify potential negative impacts on the U.S. economy and employment which could result from the investment. This form is submitted prior to a formal OPI application or as required by OPI-supported financial intermediaries. Title VI of the Foreign Assistance Act of 1961, as amended, (codified as 22 U.S.C. 2191 *et seq.*) prohibits OPI from supporting investments that are likely to cause the loss of U.S. jobs, or that have performance requirements that may reduce substantially the positive trade benefits likely to accrue to the U.S. from the investment.

Dated: September 18, 2017.

Nichole Skoyles,

Administrative Counsel, Department of Legal Affairs.

SUPPLEMENTARY INFORMATION:

As required by the Paperwork Reduction Act of 1995, (Pub. L. 104–13, 44 U.S.C. chapter 35) as amended by the Clinger-Cohen Act (Pub. L. 104–106), OPM is soliciting comments for this collection. The information collection (OMB No. 3206–0201) was previously published in the **Federal Register** on May 17, 2017, at 82 FR 22678, allowing for a 60-day public comment period. No comments were received for this collection. The purpose of this notice is to allow an additional 30 days for public comments. The Office of Management and Budget is particularly interested in comments that:

1. Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

2. Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

3. Enhance the quality, utility, and clarity of the information to be collected; and

4. Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other

technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submissions of responses.

Federal Employees Health Benefits (FEHB) Open Season Express Interactive Voice Response (IVR) System, and the Open Season Web site, Open Season Online, are used by retirees and survivors. They collect information for changing FEHB enrollments, collecting dependent and other insurance information for self and family enrollments, requesting plan brochures, requesting a change of address, requesting cancellation or suspension of FEHB benefits, asking to make payment to the Office of Personnel Management when the FEHB payment is greater than the monthly annuity amount, or for requesting FEHB plan accreditation and Customer Satisfaction Survey information.
