Abstract

The Corporation for National and Community Service (CNCS) awards grants to states, institutions of higher education, non-profit organizations, Indian tribes, and U.S. Territories to operate AmeriCorps State, AmeriCorps National, AmeriCorps NCCC, AmeriCorps VISTA, Social Innovation Fund and Senior Corps programs. This information collection comprises the information that grantees provide as part of ongoing program monitoring and reporting. Grantees respond to the information requested to report on progress towards the requirements and goals of their Social Innovation Fund grants. The Social Innovation Fund will use the information collection to monitor ongoing progress of the grantees, inform portfolio management and technical assistance, and to inform stakeholders about the progress of the Social Innovation Fund portfolio. CNCS also seeks to continue using the currently approved information collection until the revised information collection is approved by OMB. The currently approved information collection is due to expire on March 31, 2018.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have

practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; to develop, acquire, install and utilize technology and systems for the purpose of collecting, validating and verifying information, processing and maintaining information, and disclosing and providing information; to train personnel and to be able to respond to a collection of information, to search data sources, to complete and review the collection of information; and to transmit or otherwise disclose the information. All written comments will be available for public inspection on regulations.gov.

Dated: September 18, 2017.

Lois Nembhard,

Acting Director of the Social Innovation Fund.
