

Exchange Act of 1934 (“Act”)<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> a proposed rule change to adopt new equity trading rules to allow the Exchange to trade securities that are listed on a national securities exchange other than NYSE (“UTP Securities”)<sup>3</sup> pursuant to unlisted trading privileges for the first time on Pillar, the Exchange’s new trading technology platform. The proposed rule change was published for comment in the **Federal Register** on August 9, 2017.<sup>4</sup> The Commission has received no comments on the proposed rule change.

Section 19(b)(2) of the Act<sup>5</sup> provides that, within 45 days of the publication of notice of the filing of a proposed rule change, or within such longer period up to 90 days as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or as to which the self-regulatory organization consents, the Commission shall either approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether the proposed rule change should be approved or disapproved. The 45th day after publication of the notice for this proposed rule change is September 23, 2017. The Commission is extending this 45-day time period.

The Commission finds that it is appropriate to designate a longer period within which to take action on the proposed rule change so that the Commission has sufficient time to consider the proposed rule change. Accordingly, the Commission, pursuant to Section 19(b)(2) of the Act,<sup>6</sup> designates November 7, 2017, as the date by which the Commission should either approve or disapprove or institute proceedings to determine whether to disapprove the proposed rule change (File Number SR-NYSE-2017-36).

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.<sup>7</sup>
