records, ATF is updating the system of records notice for JUSTICE/ATF-008, last published in its entirety in the **Federal Register** at 68 FR 3551 (Jan. 24, 2003), and amended at 82 FR 24147 (May 25, 2017). First, ATF has made certain editorial changes to this system of records notice. These editorial changes include: Updating ATF contact information (for example, adding the new ATF Headquarters address and Web page information); informing the public of ATF's records control schedule change; and making other editorial and conforming changes. Some editorial changes have also been made to the routine uses, including modifying the Department's model routine uses to more accurately describe the agencies or entities that may require information from ATF, as well as re-ordering the routine uses to list the routine uses unique to this system of records first, followed by the Department's model routine uses.

Second, ATF has made substantive updates to certain sections of this system of records notice. These modifications include: Updating the listed authorities; updating the security classification; adding to the list of system managers; supplementing the purposes for the system to more accurately describe why ATF collects, maintains, uses, and disseminates regulatory enforcement records; clarifying certain descriptions of categories of records, individuals, and sources; and revising and adding routine uses to more accurately describe the entities to or circumstances under which ATF may disclose regulatory information. Examples of these changes include: (1) Adding a routine use that allows ATF to disclose information to a licensed industry member to verify the validity of a license or permit before the distribution of explosives materials, accomplished electronically, through an "EZ-Check" system, for purposes of enhancing regulatory enforcement and public safety as envisioned by the Safe Explosives Act, Title XI, Subtitle C, of the Homeland Security Act of 2002, Public Law 107-296, 116 Stat. 2135, 2280; (2) republishing two breach response routine uses consistent with the requirements in OMB Memorandum M-17-12; (3) adding a routine use that would allow ATF to provide a copy of the hearing transcript to the subject of a revocation hearing; and (4) adding to the purpose of this system of records, which explains that ATF provides verification of suitability, eligibility, or qualification of individuals who are engaged or propose to engage in activities regulated by ATF. The entire

notice is republished for the convenience of the public.

In accordance with 5 U.S.C. 552a(r), ATF has provided a report to OMB and to Congress on this notice of a modified system of records.

**FOR FURTHER INFORMATION CONTACT:** Debra A. Carr, Director, Division of Policy and Program Development, Office of Federal Contract Compliance Programs, Room C-3325, 200 Constitution Avenue NW., Washington, DC 20210. Telephone: (202) 693-0103 (voice) or (202) 693-1337 (TTY/TDD) (these are not toll-free numbers). Copies of this notice may be obtained in alternative formats (large print, braille, audio tape or disc) upon request by calling the numbers listed above.

**SUPPLEMENTARY INFORMATION:**

I. *Background:* OFCCP administers three nondiscrimination and equal employment opportunity laws:

- Executive Order 11246, as amended (EO 11246);
- Section 503 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. 793 (referred to as Section 503); and
- Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended, 38 U.S.C. 4212 (VEVRAA).

Generally, these authorities prohibit employment discrimination and require affirmative action to ensure that equal employment opportunity regardless of race, color, religion, sex, sexual orientation, gender identity, national origin, disability, or status as a protected veteran by Federal contractors and subcontractors (hereafter collectively referred to as contractors). Additionally, contractors are prohibited from discriminating against applicants and employees for asking about, discussing, or sharing information about their pay or the pay of their co-workers. For purposes of OMB clearance, OFCCP divides its responsibilities under these authorities into two categories: (1) Construction and (2) non-construction (supply and service). This clearance request covers the construction information collection. It also merges the recordkeeping and reporting

requirements of two existing information collections with this ICR. Specifically, the ICR entitled "Prohibiting Discrimination Based on Sexual Orientation and Gender Identity by Contractors and Subcontractors" that covers prohibitions against discrimination on the basis of sexual orientation and gender identity,<sup>1</sup> and the ICR entitled "Government Contractors, Prohibitions Against Pay Secrecy Policies and Actions" that covers prohibitions against pay secrecy policies and actions.<sup>2</sup> To view the current construction information collection, go to [https://www.reginfo.gov/public/do/PRAViewICR?ref\\_nbr=201406-1250-001](https://www.reginfo.gov/public/do/PRAViewICR?ref_nbr=201406-1250-001).

II. *Review Focus:* DOL is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the compliance and enforcement functions of the agency, including whether the information will have practical utility;
- evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- enhance the quality, utility and clarity of the information to be collected; and
- minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

III. *Current Actions:* DOL seeks the approval of the renewal of this information in order to carry out its responsibility to enforce the antidiscrimination and affirmative action provisions of the three legal authorities it administers.
