In addition, the issuer has represented to the Exchange that it will advise the Exchange of any failure by the Fund to comply with the continued listing requirements, and, pursuant to its obligations under Section 19(g)(1) of the Act, the Exchange will monitor²⁷ for compliance with the continued listing requirements. If the Fund is not in compliance with the applicable listing requirements, the Exchange will commence delisting procedures under NYSE Arca Rule 5.5–E(m). This approval order is based on all of the Exchange's statements and representations, including those set forth above and in Amendment No. 4.

For the foregoing reasons, the Commission finds that the proposed rule change, as modified by Amendment No. 4, is consistent with Section 6(b)(5) of the Act²⁸ and Section 11A(a)(1)(C)(iii) of the Act²⁹ and the rules and regulations thereunder applicable to a national securities exchange.

IV. Solicitation of Comments on Amendment No. 4 to the Proposed Rule Change

Electronic Comments

Paper Comments

- Send paper comments in triplicate to Secretary, Securities and Exchange Commission, 100 F Street NE., Washington, DC 20549–1090.

²⁷ The Commission notes that certain proposals for the listing and trading of exchange-traded products include a representation that the exchange will "surveil" for compliance with the continued listing requirements. See, e.g., Securities Exchange Act Release No. 77499 (April 1, 2016), 81 FR 20428, 20432 (April 7, 2016) (SR–BATS–2016–04). In the context of this representation, it is the Commission's view that "monitor" and "surveil" both mean ongoing oversight of compliance with the continued listing requirements. Therefore, the Commission does not view "monitor" as a more or less stringent obligation than "surveil" with respect to the continued listing requirements.

subject line if email is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for Web site viewing and printing in the Commission's Public Reference Room, 100 F Street NE., Washington, DC 20549, on official business days between the hours of 10:00 a.m. and 3:00 p.m. Copies of the filing also will be available for inspection and copying at the principal office of the Exchange. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly. All submissions should refer to File Number SR–NYSEArca–2016–177, and should be submitted on or before October 16, 2017.

V. Accelerated Approval of Proposed Rule Change, as Modified by Amendment No. 4

The Commission finds good cause to approve the proposed rule change, as modified by Amendment No. 4, prior to the thirtieth day after the date of publication of notice of the filing of Amendment No. 4 in the **Federal Register**. The Commission believes that Amendment No. 4 supplements the proposed rule change by providing clarification, specificity, and additional information about the Fund and the Shares.³⁰ The changes and additional information helped the Commission to evaluate the Shares' susceptibility to manipulation and the Exchange's ability to investigate possible manipulative activity, and whether the listing and trading of the Shares would be consistent with the protection of investors and the public interest. Accordingly, the Commission finds good cause, pursuant to Section 19(b)(2) of the Act,³¹ to approve the proposed

rule change, as modified by Amendment No. 4, on an accelerated basis.

VI. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,³² that the proposed rule change (SR–NYSEArca–2016–177), as modified by Amendment No. 4 be, and it hereby is, approved on an accelerated basis.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.³³

Assistant Secretary.

general partner or non-resident managing agent of an SEC-registered adviser and of an exempt reporting adviser. The Commission has estimated that compliance with the requirement to complete Form ADV-NR imposes a total burden of approximately 1.0 hour for an adviser. Based on our experience with these filings, we estimate that we will receive 36 Form ADV-NR filings annually. Based on the 1.0 hour per respondent estimate, the Commission staff estimates a total annual burden of 36 hours for this collection of information.

Rule 0-2 and Form ADV-NR do not require recordkeeping or records retention. The collection of information requirements under the rule and form is mandatory. The information collected pursuant to the rule and Form ADV-NR is a filing with the Commission. This filing is not kept confidential and must be preserved until at least three years after termination of the enterprise. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.
