Basis of Bearing: True Meridian, determined from GPS/GNSS survey.

Based on past use of the subject parcel for a residence owned by William D. and Bonnie S. Ross, and currently occupied by N. Pearl Ross, it is the authorized officer's decision to offer the proposed residential lease with appropriate terms and conditions to N. Pearl Ross on a non-competitive basis because competitive bidding would represent an unfair competitive and economic disadvantage to Ms. Ross. As noted above, the use of this parcel constitutes an inadvertent trespass that was discovered by the BLM in 2013. The Ross family has since worked with the BLM to settle the trespass and the proposed lessee will apply for a residential lease.

Subsequent to the BLM's receipt of an application for leasing by N. Pearl Ross that complies with all applicable requirements set forth at 43 CFR 2920.5, processing of the proposed lease will take place in accordance with 43 CFR 2920.6, and other applicable regulations. Information and documentation regarding processing of the lease application is available as described in **ADDRESSES**, above, and reference should be made to the National Environmental Policy Act (NEPA) analysis, to be conducted under Environmental Assessment DOI-BLM-WY-P070-2016-0033-EA. The BLM will not make a final decision on the lease until all required analyses are completed. If authorized, the lease would be subject to provisions of the FLPMA, all applicable regulations of the Secretary of the Interior, including, but not limited to, 43 CFR part 2920, and to valid existing rights.

Public comments regarding the proposed lease may be submitted in writing—see **ADDRESSES** above—on or before November 13, 2017.

Comments received in electronic form, such as email or fax, will be considered. Any adverse comments regarding the proposed lease will be reviewed by the BLM Wyoming State Director or another authorized official of the Department of the Interior, who may sustain, vacate, or modify this realty action in whole or in part. In the absence of timely filed objections, this realty action will become the final determination of the Department of the Interior.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Authority: 43 CFR 2920.4.

Buddy W. Green,

BLM Wyoming Acting Associate State Director.
