(9) Each Fund will enter into swap agreements and other OTC transactions only with large, established and well capitalized financial institutions that meet certain credit quality standards and monitoring policies. Each Fund will use various techniques to minimize credit risk including early termination or reset and payment, using different counterparties and limiting the net amount due from any individual counterparty.

(10) A minimum of 100,000 Shares of each Fund will be outstanding at the commencement of trading on the Exchange.

The Exchange represents that all statements and representations made in this filing regarding (a) the description of the portfolios of the Funds or Benchmark, (b) limitations on portfolio holdings or the Benchmark, or (c) the applicability of Exchange listing rules specified in this rule filing shall constitute continued listing requirements for listing the Shares on the Exchange. The issuer has represented to the Exchange that it will advise the Exchange of any failure by the Funds to comply with the continued listing requirements, and, pursuant to its obligations under Section 19(g)(1) of the Act, the Exchange will monitor for compliance with the continued listing requirements.³² If a Fund is not in compliance with the applicable listing requirements, the Exchange will commence delisting procedures under NYSE Arca Equities Rule 5.5(m).

This approval order is based on all of the Exchange's representations and description of the Funds, including those set forth above and in Amendment No. 2 to the proposed rule change. The Commission notes that the Shares must comply with the requirements of NYSE Arca Equities Rule 8.200 and Commentary .02 thereto to be listed and

³² The Commission notes that certain other proposals for the listing and trading of Managed Fund Shares include a representation that the exchange will "surveil" for compliance with the continued listing requirements. *See, e.g.*, Securities Exchange Act Release No. 77499 (April 1, 2016), 81 FR 20428 (April 7, 2016) (Notice of Filing of Amendment No. 2, and Order Granting Accelerated Approval of a Proposed Rule Change, as Modified by Amendment No. 2, to List and Trade Shares of the SPDR DoubleLine Short Duration Total Return Tactical ETF of the SSgA Active Trust), available at: <http://www.sec.gov/rules/sro/bats/2016/34-77499.pdf>. In the context of this representation, it is the Commission's view that "monitor" and "surveil" both mean ongoing oversight of the Fund's compliance with the continued listing requirements. Therefore, the Commission does not view "monitor" as a more or less stringent obligation than "surveil" with respect to the continued listing requirements.

traded on the Exchange on an initial and continuing basis.

For the foregoing reasons, the Commission finds that the proposed rule change, as modified by Amendment Nos. 2 and 3 thereto, is consistent with Section 6(b)(5) of the Act³³ and the rules and regulations thereunder applicable to a national securities exchange.

IV. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Exchange Act,³⁴ that the proposed rule change (SR–NYSEArca–2017–05), as modified by Amendment Nos. 2 and 3 thereto, be, and it hereby is, approved.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.³⁵

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend NYSE Arca Rule 14.2 (Liability of Exchange) to make technical and conforming updates in connection with the recent merger of NYSE Arca Equities, Inc. ("NYSE Arca Equities") with and into the Exchange.

The proposed rule change is available on the Exchange's Web site at www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend NYSE Arca Rule 14.2 to make technical and conforming updates in connection with the recent merger of its wholly-owned subsidiary NYSE Arca Equities, Inc. ("NYSE Arca Equities") with and into the Exchange (the "Merger").

On June 2, 2017, the Exchange filed rule changes with the Securities and Exchange Commission ("Commission") in connection with the proposed Merger (the "Original Filing").⁴ On August 15, 2017, the Exchange filed a partial amendment to the Original Filing (the "Amendment"), which, among other things, amended the Original Filing to reflect changes to the proposed rule text that resulted from changes to the NYSE Arca and NYSE Arca Equities rules that became operative after June 2, 2017.⁵ On

⁴ See Securities Exchange Act Release No. 80929 (June 14, 2017), 82 FR 28157 (June 20, 2017) (SR–NYSEArca–2017–40) ("Notice").

⁵ See Partial Amendment 2 to SR–NYSEArca–2017–40 (August 15, 2017). The Amendment also was submitted to the Commission as a comment letter on the Original Filing. *See* letter from Martha Redding, Associate General Counsel, NYSE Group, to Brent J. Fields, Secretary, Commission (August 15, 2017), available at <https://www.sec.gov/>

August 17, 2017, the Commission approved the proposed rule changes, as amended, and the Merger occurred on that same date.⁶

Prior to the Merger, NYSE Arca had two rulebooks: The NYSE Arca rules for its options market and the NYSE Arca Equities rules for its equities market. At the Merger, the NYSE Arca Equities rules were integrated into the NYSE Arca rules, so that there is now one NYSE Arca rulebook.⁷ In that process, NYSE Arca Rule 14 (Liability of Directors and Exchange) was amended to incorporate NYSE Arca Equities Rule 13 (Liability of Directors and Corporation).⁸

On July 24, 2017, the Commission approved a proposed rule change to amend NYSE Arca Equities Rule 13.2 (Liability of Corporation).⁹ Because such rule change was approved after the Original Filing but prior to the Merger, it should have been included in the Amendment. However, due to an oversight, the Amendment did not incorporate the changes to NYSE Arca Equities Rule 13.2 into NYSE Arca Rule 14.2.¹⁰ Accordingly, the Exchange proposes to make technical and conforming changes to NYSE Arca Rule 14.2 in order to conform it to the text of previous NYSE Arca Equities Rule 13.2 approved by the Commission on July 24, 2017.¹¹

More specifically, the Exchange proposes to:

- Amend Rule 14.2(a) to provide that the limitation of liability set forth in that paragraph would apply to “successors, representatives, or customers” of Equities Trading Permit holders (“ETP Holders”), Options Trading Permit holders (“OTP Holders”) and Options Trading Permit firms (“OTP Firms”) of the Exchange, consistent with previous NYSE Arca Equities Rule 13.2(a);

- Amend Rule 14.2(b), which describes certain prerequisites for qualifying for compensation, to replace the words “acknowledged receipt of” with the word “received,” consistent with previous NYSE Arca Equities Rule 13.2(b);

- Amend Rule 14.2(b) and (c) to eliminate the daily caps on liability, consistent with previous NYSE Arca Equities Rule 13.2(b) and (c); and
- Amend Rule 14.2(c) and add a new Rule 14.2(d) to change the procedural requirements for submitting notification to the Exchange of any claims for compensation, consistent with previous NYSE Arca Equities Rule 13.2(c) and (d). As a technical change, the obsolete reference to the “Corporation” in NYSE Arca Equities Rule 13.2(d), which referred to NYSE Arca Equities, would be updated to refer to the “Exchange” in new Rule 14.2(d).¹²

(b) Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Exchange Act,¹³ in general, and with Section 6(b)(1)¹⁴ in particular, in that it enables the Exchange to be so organized as to have the capacity to be able to carry out the purposes of the Exchange Act and to comply, and to enforce compliance by its exchange members and persons associated with its exchange members, with the provisions of the Exchange Act, the rules and regulations thereunder, and the rules of the Exchange.

The Exchange believes that the proposed change to Rule 14.2 would enable the Exchange to continue to be so organized as to have the capacity to carry out the purposes of the Exchange Act and comply and enforce compliance with the provisions of the Exchange Act by its members and persons associated with its members, because, by incorporating the amendments to NYSE Arca Equities Rule 13.2 that the Commission approved on July 24, 2017, the proposed change would ensure that the changes made to Rule 14.2 to reflect the Merger were accurate and complete.

For similar reasons, the Exchange also believes that the proposed rule change is consistent with Section 6(b)(5) of the Act,¹⁵ in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged

in facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest.

The Exchange believes that the proposed rule change would remove impediments to and perfect the mechanism of a free and open market and a national market system in general, to protect investors and the public interest, because, by incorporating the amendments to NYSE Arca Equities Rule 13.2 that the Commission approved on July 24, 2017, the proposed change would ensure that the changes made to Rule 14.2 to reflect the Merger were accurate and complete, thereby reducing potential investor or market participant confusion. The proposed change would clarify the scope of the limitation of liability, including the elimination of daily liability caps and applicable procedural requirements, for all ETP Holders, OTP Holders, and ETP Firms [sic], and ensure that all Exchange permit holders would be subject to the same rule.¹⁶

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Exchange Act,¹⁷ in general, and with Section 6(b)(1)¹⁸ in particular, in that it enables the Exchange to be so organized as to have the capacity to be able to carry out the purposes of the Exchange Act and to comply, and to enforce compliance by its exchange members and persons associated with its exchange members, with the provisions of the Exchange Act, the rules and regulations thereunder, and the rules of the Exchange.

The Exchange believes that the proposed change to Rule 14.2 would enable the Exchange to continue to be so organized as to have the capacity to carry out the purposes of the Exchange Act and comply and enforce compliance with the provisions of the Exchange Act by its members and persons associated with its members, because, by incorporating the amendments to NYSE Arca Equities Rule 13.2 that the Commission approved on July 24, 2017, the proposed change would ensure that the changes made to Rule 14.2 to reflect the Merger were accurate and complete.

For similar reasons, the Exchange also believes that the proposed rule change is consistent with Section 6(b)(5) of the

¹⁰ The Amendment updated NYSE Arca Equities Rule 13.2 in Exhibit 5I to Original Filing to reflect the changes made in SR-NYSEArca-2017-46. See Item 19 of the Amendment, *supra* note 5, at 13-15. Exhibit 5I set forth the NYSE Arca Equities Rules, which were deleted in their entirety at the time of the Merger.

¹¹ The Exchange notes that during the period between the Merger and the date of the present filing, it did not receive a claim that exceeded the liability limits and thus the Exchange was not prevented from fully compensating an ETP Holder for losses suffered in connection with the use of the Exchange's facilities, including losses caused by the negligent act or omission of an Exchange employee.

The Exchange believes that the proposed rule change would remove impediments to and perfect the mechanism of a free and open market and a national market system in general, to protect investors and the public interest, because, by incorporating the amendments to NYSE Arca Equities Rule 13.2 that the Commission approved on July 24, 2017, the proposed change would ensure that the changes made to Rule 14.2 to reflect the Merger were accurate and complete, thereby reducing potential investor or market participant confusion. The proposed change would clarify the scope of the limitation of liability, including the elimination of daily liability caps and applicable procedural requirements, for all ETP Holders, OTP Holders, and ETP Firms [sic], and ensure that all Exchange permit holders would be subject to the same rule.²⁰

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not intended to address competitive issues but rather is concerned solely with updating Rule 14.2 to reflect the previously approved amendments to NYSE Arca Equities Rule 13.2, ensuring that all Exchange permit holders would be subject to the same rules.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act²¹ and Rule

19b-4(f)(6) thereunder.²² Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6) thereunder.

A proposed rule change filed under Rule 19b-4(f)(6)²³ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),²⁴ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Exchange notes that such waiver would allow the Exchange to implement without further delay the previously-approved amendments to NYSE Arca Equities Rule 13.2 and would ensure continuity in the Exchange's treatment of ETP Holders, as ETP Holders subject to NYSE Arca Rule 14.2 would be subject to the same limitations of liability as they were under NYSE Arca Equities Rule 13.2 prior to the Merger, including the elimination of daily liability caps. In addition, the Exchange notes that the proposed rule change would clarify the scope of its limitation of liability rule, including the elimination of daily liability caps and applicable procedural requirements, for all ETP Holders, OTP Holders, and OTP Firms, and ensure that all Exchange permit holders would be subject to the same rule.

The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest. Waiver of the operative delay will help ensure consistent treatment of ETP Holders, OTP Holders, and OTP Firms under NYSE Arca Rule 14.2 and help avoid the potential for confusion as to the applicable limitations of liability with

²² 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

²³ 17 CFR 240.19b-4(f)(6).

²⁴ 17 CFR 240.19b-4(f)(6)(iii).

respect to that rule. Therefore, the Commission hereby waives the 30-day operative delay and designates the proposal operative upon filing with the Commission.²⁵

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B) of the Act²⁶ to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-81714; File No. SR-CBOE-2017-062]

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Permit the Exchange To Publish End-of-Day Indicative Values in SPX After the Close of Regular Trading Hours in SPX

September 25, 2017.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on September 18, 2017, Chicago Board Options Exchange, Incorporated (the "Exchange" or "CBOE") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange filed the proposal as a "non-controversial" proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act³ and Rule 19b-4(f)(6) thereunder.⁴ The Commission is publishing this notice to

solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to adopt a process for disseminating two-sided indicative values in non-expiring series of S&P 500 Index ("SPX") options, when necessary, in the interests of fair and orderly markets ("End-of-Day Indicative Values").

The text of the proposed rule change is also available on the Exchange's Web site (<http://www.cboe.com/AboutCBOE/CBOELegalRegulatoryHome.aspx>), at the Exchange's Office of the Secretary, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Interpretation and Policy .06 to Rule 6.2B (Hybrid Opening (and Sometimes Closing) System ("HOSS")) to establish its aftermarket procedure for generating two-sided indicative values in certain series of SPX options (including series of SPX and SPXW). Specifically, proposed paragraph (a) would contain the current text of Interpretation and Policy .06 to Rule 6.2B, which the Exchange is not proposing to change, regarding the Exchange's end-of-month process for disseminating after the close of trading bid and offer quotations that reflect a designated Lead Market-Maker's ("LMM's") calculated theoretical fair value of non-expiring series of SPX options as of time of the close of trading in the underlying cash market on the last business day of each calendar month. Proposed paragraph (b) of Interpretation and Policy .06 to Rule 6.2B would establish the Exchange's process for generating two-sided

indicative values for non-expiring series of SPX options when the Exchange determines that it is necessary to publish such values in the interests of fair and orderly markets on trading days other than the final business day of a calendar month. The specific provisions of proposed paragraph (b) to Interpretation and Policy .06 to Rule 6.2B are discussed in detail below.

Background

The Exchange's opening and closing procedures are codified in Rules 6.2 (Trading Rotations), 6.2B (Hybrid Opening System ("HOSS")), and 24.13 (Trading Rotations).⁵ In addition to describing the Exchange's normal opening and closing procedures, the Rules also provide for deviations from the Exchange's regular opening and closing procedures, which, from time-to-time, the Exchange employs in the interests of fair and orderly markets under certain circumstances.⁶ Pursuant to Rules 6.2, 6.2A, 6.2B and 24.13, the Exchange may, in the interests of a fair and orderly market, decide to employ special closing procedures after the normal close of a trading session.⁷ For example, Interpretation and Policy .02 to Rule 6.2 provides that a closing trading rotation may be conducted in non-expiring options whenever two Floor Officials conclude, in their judgment, that such action is

⁵ Additional opening procedures for classes that are not traded on the Hybrid Trading System are also contained in Rule 6.2A (Rapid Opening System). The "Hybrid Trading System" refers to the Exchange's trading platform that allows Market-Makers to submit electronic quotes in their appointed classes and any connectivity to the foregoing trading platform that is administered by or on behalf of the Exchange, such as a communications hub. "Hybrid 3.0 Platform" is an electronic trading platform on the Hybrid Trading System that allows one or more quotes to submit electronic quotes which represent the aggregate Market-Maker quoting interest in a series for the trading crowd. References to "Hybrid," "Hybrid System," or "Hybrid Trading System" in the Exchange's Rules include all platforms unless otherwise provided by rule, including both the Hybrid and Hybrid 3.0 platforms. See Rule 1.1(aaa) (Definitions—Hybrid Trading System). Currently, all classes traded on the Exchange are traded on the Hybrid System as defined under Rule 1.1(aaa), with standard SPX options contracts being the only group of series of any class that is traded on the Hybrid 3.0 Platform.

⁶ Although Rule 6.2 pertains to trading rotations, Interpretation and Policy .02 to Rule 6.2 provides that the Designated Primary Market-Maker ("DPM") or LMM appointed in the class may deviate from any rotation policy or procedure issued by the Exchange with the approval of two Floor Officials. Rule 6.2B(h) is silent as to the type of closing procedure that may be employed in the interests of a fair and orderly market. Rule 24.13 references Rules 6.2 and 6.2B, indicating that the procedures set forth in those rules may be employed with respect to index options.

⁷ See Rules 6.2.02, 6.2.03, 6.2.05, 6.2B(h), 6.2B(f), and 24.13.01.
