AGENCY: Office of Postsecondary Education, Department of Education.

ACTION: Updated waivers and modifications of statutory and regulatory requirements.

SUMMARY: The Secretary is issuing updated waivers and modifications of statutory and regulatory requirements governing the Federal student financial aid programs under the authority of the Higher Education Relief Opportunities for Students Act of 2003 (HEROES Act). The HEROES Act requires the Secretary to publish a document in the **Federal Register** announcing the waivers or modifications of statutory or regulatory requirements applicable to the student financial assistance programs under title IV of the Higher Education Act of 1965, as amended (HEA), to assist individuals who are performing qualifying military service, and individuals who are

affected by a disaster, war or other military operation, or national emergency, as described in the **SUPPLEMENTARY INFORMATION** section of this document.

DATES: The waivers and modifications begin on September 29, 2017. The waivers and modifications in this document expire on September 30, 2022.

Telephone: (202) 203-9155 or by email: *Wendy.Macias@ed.gov*.

SUPPLEMENTARY INFORMATION: In a document published in the **Federal Register** on December 12, 2003 (68 FR 69312), the Secretary exercised the authority under the HEROES Act (Pub. L. 108-76, 20 U.S.C. 1098bb(b)) and announced waivers and modifications of statutory and regulatory provisions designed to assist “affected individuals.” Under 20 U.S.C. 1098ee(2), the term “affected individual” means an individual who:

- Is serving on active duty during a war or other military operation or national emergency;
- Is performing qualifying National Guard duty during a war or other military operation or national emergency;
- Resides or is employed in an area that is declared a disaster area by any Federal, State, or local official in

connection with a national emergency; or

- Suffered direct economic hardship as a direct result of a war or other military operation or national emergency, as determined by the Secretary.

Please note that these waivers and modifications do not apply to an individual who resides or is employed in an area declared a disaster area by any Federal, State, or local official unless that declaration has been made in connection with a national emergency.

Under the HEROES Act, the Secretary’s authority to provide the waivers and modifications would have expired on September 30, 2005. However, Public Law 109-78, enacted on September 30, 2005, extended the expiration date of the Secretary’s authority to September 30, 2007. Accordingly, in a document in the **Federal Register** published on October 20, 2005 (70 FR 61037), the Secretary extended the expiration of the waivers and modifications published on December 12, 2003, to September 30, 2007.

Public Law 110-93, enacted on September 30, 2007, eliminated the September 30, 2007, expiration date of the HEROES Act, thereby making permanent the Secretary’s authority to issue waivers and modifications of statutory and regulatory provisions.

On December 26, 2007, the Secretary published a document in the **Federal Register** (72 FR 72947) extending the waivers and modifications published on December 12, 2003, to September 30, 2012. In that document, the Secretary also indicated an intent to review the waivers and modifications published on December 12, 2003, in light of statutory and regulatory changes and to consider whether to change some or all of the published waivers and modifications.

In a document in the **Federal Register** published on September 27, 2012 (77 FR 59311), the Secretary published updated waivers and modifications to reflect the results of the review. Under that document, the updated waivers and modifications expire on September 30, 2017.

The Secretary is updating the waivers and modifications to reflect statutory and regulatory changes that have occurred since the September 27, 2012, document was published. The waivers and modifications in this document will expire on September 30, 2022. With a few limited exceptions, the waivers and modifications in this document are the same waivers and modifications published in the September 27, 2012, **Federal Register** document. However,
