SECURITIES AND EXCHANGE COMMISSION

Self-Regulatory Organizations;
Financial Industry Regulatory Authority, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Delay the Implementation Date of Certain Amendments to FINRA Rule 4210 Approved Pursuant to SR–FINRA–2015–036

September 26, 2017.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”) and Rule 19b–4 thereunder, notice is hereby given that on September 19, 2017, Financial Industry Regulatory Authority, Inc. (“FINRA”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by FINRA. FINRA has designated the proposed rule change as constituting a “non-controversial” rule change under paragraph (f)(6) of Rule 19b–4 under the Act, which renders the proposal effective upon receipt of this filing by the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

FINRA is proposing to delay, until June 25, 2018, the implementation date of the amendments to FINRA Rule 4210 (Margin Requirements) pursuant to SR–FINRA–2015–036, other than the amendments pursuant to SR–FINRA–2015–036 that were implemented on December 15, 2016. The proposed rule change would not make any changes to FINRA rules.

The text of the proposed rule change is available on FINRA’s Web site at http://www.finra.org, or at the principal office of FINRA and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, FINRA included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. FINRA has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

On October 6, 2015, FINRA filed with the Commission proposed rule change SR–FINRA–2015–036, which proposed to amend FINRA Rule 4210 to establish margin requirements for (1) To Be Announced (“TBA”) transactions, inclusive of adjustable rate mortgage (“ARM”) transactions; (2) Specified Pool Transactions; and (3) transactions in Collateralized Mortgage Obligations (“CMOs”), issued in conformity with a program of an agency or Government-Sponsored Enterprise (“GSE”), with forward settlement dates, as defined more fully in the filing (collectively, “Covered Agency Transactions”). The Commission approved SR–FINRA–2015–036 on June 15, 2016 (the “Approval Date”).

FINRA proposed in Amendment No. 3 to SR–FINRA–2015–036 to implement the rule change 18 months from the Approval Date, except that the risk limit determination requirements as set forth in paragraphs (e)(2)(F), (e)(2)(G) and (e)(2)(H) of Rule 4210 and in new Supplementary Material .05, each as respectively amended or established by SR–FINRA–2015–036 (collectively, the “risk limit determination requirements”), would be implemented six months from the Approval Date. As FINRA announced in Regulatory Notice 16–31 (the “Notice”), the amendments relating to the risk limit determination requirements became effective on December 15, 2016. FINRA announced in the Notice that December 15, 2017 would be the effective date for all other amendments pursuant to SR–FINRA–2015–036.

2. Statutory Basis for the Proposed Rule Change

FINRA proposes delaying the implementation date of the remaining amendments to the rule change until June 25, 2018, to provide FINRA with additional time to implement the risk limit determination requirements and to better assess the full scope of additional requirements associated with the execution of Agency Transactions. This delay is intended to provide FINRA and the industry with an opportunity to more fully understand the impact of the proposed rule change and to assess the need for additional adjustments to the rule. After further review, FINRA may decide to implement all or part of the remaining risk limit determination requirements at a later date.

3. Other Statutory Basis

FINRA believes that this delay is in the public interest and consistent with the general welfare of investors, including institutional and retail customers who may have a concentrated holdings in Agency Transactions.
