to the provisions of Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to adopt rules relating to trading in index options. The proposed rule change was published for comment in the **Federal Register** on August 16, 2017.³ The Commission received no comments regarding the proposal. This order approves the proposed rule change.

II. Description of the Proposal**A. Overview**

The Exchange proposes to adopt new Chapter 18 and amend certain rules in the MIAX Options rulebook. In accordance with the proposal, the Exchange will need to file additional proposed rule changes with the Commission when the Exchange identifies specific products, because the rules related to trading options in indices are product specific in many areas.⁷ For purposes of this proposed
