## DEPARTMENT OF ENERGY

### Western Area Power Administration

#### Office of General Counsel; Agency Information Collection Extension

**AGENCY:** Western Area Power Administration, Department of Energy.

**ACTION:** Submission for Office of Management and Budget review; request for comments.

**SUMMARY:** Western Area Power Administration (WAPA), an agency within the Department of Energy (DOE), submitted an extension to an existing Information Collection Request (ICR) to the Office of Management and Budget (OMB) for review, comment, and approval, as required under the Paperwork Reduction Act of 1995. The ICR seeks a 3-year extension for WAPA's Applicant Profile Data form (APD), OMB Control No. 1910–5136. The ICR described below identifies the request, including the anticipated public burden. The ICR is necessary for the proper performance of WAPA's functions. WAPA markets a limited amount of Federal hydropower. Due to the high demand for WAPA's power, WAPA needs the ability to collect information under the ICR in order to evaluate who may receive an allocation of Federal power pursuant to specific marketing plans. This APD public process only determines the information WAPA will collect in its ICR. The actual allocation of Federal power will be conducted through a separate marketing plan process outside the scope of this APD process.

**DATES:** To ensure consideration, comments regarding this collection must be received on or before November 2, 2017. The Paperwork Reduction Act requires OMB to make a decision on the extension of the ICR within 60 days after this publication or receipt of the proposed collection of information, whichever is later. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, please advise the DOE Desk Officer at OMB of your intention to make a
