Upcoming Secretary-Led International Trade Administration Multi-Sector Trade Mission to China

AGENCY: International Trade Administration, Department of Commerce.

ACTION: Notice.

SUMMARY: The United States Department of Commerce, International Trade Administration, is amending the Notice published at Vol. 82, No. 187 (82 FR 45264, September 28, 2017), the Secretary-Led International Trade Administration Multi-Sector Trade Mission to China, to modify the maximum number of delegation participants, set at 25 U.S. participants, to allow for additional participants on the mission.

SUPPLEMENTARY INFORMATION:

Amendments to revise the number of delegation participants.

Background

Based on the high interest in the mission and the significant number of applications received to date, it has been determined that the Department of Commerce may accept more than 25 U.S. firms or trade associations as delegation participants for the Trade Mission to China. The final number of participants will be determined based on the review of applications and the capacity of the Department of Commerce to accommodate additional participants on the delegation. The application deadline remains October 6, 2017. All applications will be assessed according to the conditions and criteria that are included in the original **Federal Register** notice and Mission Statement located on the Web site.

Notice of this change was posted on the Mission Web site (www.export.gov/ChinaMission2017) on Monday, October 2, 2017.

ADDRESSES:

Meeting address: The meeting will be held at the Hilton Garden Inn, Boston Logan, 100 Boardman Street, Boston, MA 02128; phone: (617) 567–6789.

Council address: New England Fishery Management Council, 50 Water Street, Mill 2, Newburyport, MA 01950.

FOR FURTHER INFORMATION CONTACT: Thomas A. Nies, Executive Director, New England Fishery Management Council; telephone: (978) 465–0492.

SUPPLEMENTARY INFORMATION:

Agenda

The Committee will review recent stock assessment information from the

2017 Groundfish Operational Assessment updates and information provided by the Council’s Groundfish Plan Development Team and recommend the overfishing levels and acceptable biological catch for all groundfish stocks (except for Georges Bank yellowtail flounder and Atlantic halibut) managed under the Northeast Multispecies Fishery Management Plan for fishing years 2016–2018. Other business will be discussed as needed.

Although non-emergency issues not contained on this agenda may come before this Council for discussion, those issues may not be the subject of formal action during this meeting. Council action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council’s intent to take final action to address the emergency. The public also should be aware that the meeting will be recorded. Consistent with 16 U.S.C. 1852, a copy of the recording is available upon request.

Special Accommodations

This meeting is physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to Thomas A. Nies, Executive Director, at (978) 465–0492, at least 5 days prior to the meeting date.

Authority: 16 U.S.C. 1801 *et seq.*

Dated: October 2, 2017.
