B. Solicitation of Public Comment

This notice is soliciting comments from members of the public and affected parties concerning the collection of information described in Section A on the following:

1. Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
2. The accuracy of the agency’s estimate of the burden of the proposed collection of information;
3. Ways to enhance the quality, utility, and clarity of the information to be collected; and
4. Ways to minimize the burden of the collection of information on those who are to respond; including the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

5. Whether this information collection will result in more accurate data that will enable PHAs to conduct meaningful analyses of their programs.

HUD encourages interested parties to submit comments in response to these questions.

Merrie Nichols-Dixon,
Director, Office of Policy, Program and Legislative Initiatives.

SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A.

A. Overview of Information Collection

Title of Information Collection: Section 184 and 184–A Loan Guarantee Program

OMB Approval Number: 2577–0200.

Type of Request: Revision of Currently Approved Collection.

Description of the need for the information and proposed use: The information collected is used to determine a borrower’s credit worthiness and ability to pay for a home loan as well as to ensure that lenders comply with the program requirements.

The United States Department of Housing and Urban Development’s (HUD) Office of Native American Programs (ONAP) is developing a system called the Loan Origination System (ONAP–LOS) to support the Section 184 Indian Home Loan Guarantee Program. The ONAP–LOS system will deliver automated processes for case registration, reservation of funds, issuance of loan guarantee certificates, and lender registration and re-certification. This system will capture and maintain data across the following major information categories: Lenders, borrowers, properties, and loan. The enhanced enterprise solution will provide participating lender partners with clarity and transparency around the ONAP enforcement efforts and it will expand access to credit for eligible borrowers. The initial release of the ONAP–LOS will deliver the following high-level capabilities:

• Authentication of External Lenders
• Case Registration—Intake of Case Registration Data & Case Number Issuance
• Generation of Case Registration Acknowledgement

ONAP designed the new system to reduce the number of forms needed and the time to prepare the forms while ensuring the highest level of security and privacy protections. ONAP–LOS is available to all lenders with direct guarantee approval, upon completion of scheduled training.

ONAP operates the Section 184–A program for eligible native Hawaiians. The program is designed to offer home ownership, property rehabilitation, and new construction opportunities for eligible native Hawaiian individuals and families wanting to own a home on Hawaiian home lands. The Hawaiian Homelands Homeownership Act of 2000 added a new Section 184A to the Housing and Community Development Act of 1992 which authorized the Native Hawaiian Housing Loan Guarantee Program. The regulations for Section 184–A are found at 24 CFR part 1007. This Paperwork Reduction Act package includes all forms required for the Section 184–A program.

Respondents (i.e., affected public): 21,985
Estimated Number of Respondents: 21,985.
Estimated Number of Responses: 21,985.
Frequency of Response: 1.
Average Hours per Response: 3.4 hours.
