[Public Notice: 10164]

**U.S. Department of State Advisory Committee on Private International Law (ACPIL): Public Meeting on Online Dispute Resolution**

The Office of the Assistant Legal Adviser for Private International Law, Department of State, hereby gives notice that the ACPIL will hold a public meeting to discuss a pending proposal on online dispute resolution in the Asia Pacific Economic Cooperation forum (APEC). This is not a meeting of the full Advisory Committee.

In February 2017, the APEC Economic Committee endorsed a work plan on the development of an APEC-wide cooperative framework for ODR for Micro, Small, and Medium Sized Enterprises (MSMEs) in business-to-business (b2b) cross border transactions. The proposal is currently co-sponsored by fourteen member economies.

MSMEs have gained unprecedented access to international trade via the global supply chain and cross-border e-commerce, but to effectively reach global markets these businesses need a legal environment which enables the quick resolution of disputes and creates confidence in cross-border e-commerce. The use of ODR could be an effective means to solve this problem. ODR is a way of resolving disputes using traditional methods such as negotiation, mediation, and arbitration, but with the help of technology and without the need for a physical presence at a meeting or hearing.

At its most recent meeting in August 2017, the APEC Economic Committee endorsed a revised work plan on ODR that includes inter alia "build[ing] a pilot in conjunction with platform host/ODR provider via outreach to regional
