#### V. Accelerated Approval of Proposed Rule Change, as Modified by Amendment No. 1

The Commission finds good cause to approve the proposed rule change, as modified by Amendment No. 1, prior to the 30th day after the date of publication of the notice of Amendment No. 1 in the **Federal Register**. As noted above, in Amendment No. 1, the Exchange amended the original filing to correct an incorrect reference to the Manual in the purpose section of the filing, replace the proposed continued listing standard of 100 total holders with 100 public holders, add two additional continued listing standards—the 100,000 publicly-held shares requirement and the 100 public holder requirement—to the immediate

suspension and delisting proceeding provisions of Section 804 of the Manual, and provide a clarification that all Subscription Receipts convert into primary common stock of the issuer.

The Commission notes that the revisions in Amendment No. 1 provide additional clarity and specificity to the proposal and do not raise any novel regulatory concerns. In addition, the changes to the continued listing standards strengthen the proposal and are consistent with investor protection. Finally, the Commission notes that the majority of the original proposal was not modified and was subject to a full notice-and-comment period, and no comments were received. Accordingly, the Commission finds that good cause exists to approve the proposal, as modified by Amendment No. 1, on an accelerated basis, pursuant to Section 19(b)(2) of the Act.<sup>35</sup>

#### VI. Conclusion

*It is therefore ordered*, pursuant to Section 19(b)(2) of the Act,<sup>36</sup> that the proposed rule change (SR–NYSE–2017–31), as modified by Amendment No. 1 thereto, be, and hereby is, approved on an accelerated basis.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.<sup>37</sup>

Section 19(b)(2) of the Act<sup>4</sup> provides that within 45 days of the publication of notice of the filing of a proposed rule change, or within such longer period up to 90 days as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or as to which the self-regulatory organization consents, the Commission shall either approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether the proposed rule change should be disapproved. The 45th day for this filing is October 15, 2017.
