**SUPPLEMENTARY INFORMATION:**

*Title:* Part 41 Relating to Security Futures Products (OMB Control No. 3038-0059). This is a request for extension of a currently approved information collection.

*Abstract:* Section 4d(c) of the Commodity Exchange Act ("CEA"), 7 U.S.C. 6d(c), requires the CFTC to consult with the Securities and Exchange Commission ("SEC") and issue such rules, regulations, or orders as are necessary to avoid duplicative or conflicting regulations applicable to firms that are fully registered with the SEC as brokers or dealers and the CFTC as futures commission merchants involving provisions of the CEA that pertain to the treatment of customer funds. The CFTC, jointly with the SEC, issued regulations requiring such dually-registered firms to make choices as to how its customers' transactions in

security futures products will be treated, either as securities transactions held in a securities account or as futures transactions held in a futures account. How an account is treated is important in the unlikely event of the insolvency of the firm. Only securities accounts receive insurance protection under provisions of the Securities Investor Protection Act. By contrast, only futures accounts are subject to the protections provided by the segregation requirements of the CEA.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control numbers for the CFTC's regulations were published on December 30, 1981. See 46 FR 63035 (Dec. 30, 1981). The **Federal Register** notice with a 60-day comment period soliciting comments on this collection of information was published on August 4, 2017 (82 FR 36384). The Commission did not receive any comments specifically addressing the 60-Day Notice.

*Burden Statement:* The respondent burden for this collection is estimated to average 1.57 hours per response. These estimates include the time needed to review instructions; develop, acquire, install, and utilize technology and systems for the purposes of collecting, validating, and verifying information, processing and maintaining information and disclosing and providing information; adjust the existing ways to comply with any previously applicable instructions and requirements; train personnel to be able to respond to a collection of information; and transmit or otherwise disclose the information.

*Respondents/Affected Entities:* 44.

*Estimated number of responses:* 943.

*Estimated total annual burden on respondents:* 1,482 hours.

*Frequency of collection:* On occasion.

There are no capital costs or operating and maintenance costs associated with this collection.

*Authority:* 44 U.S.C. 3501 *et seq.*

Dated: October 13, 2017.

**AGENCY:** Corporation for National and Community Service.

**ACTION:** Notice.

**SUMMARY:** The Corporation for National and Community Service (CNCS), as part of its continuing effort to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95). This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed.

Currently, CNCS is soliciting comments concerning its proposed renewal of the Award Transfer forms: Request to Transfer a Segal Education Award Amount, Accept/Decline Award Transfer Form, Request to Revoke Transfer of Education Award Form, and Rescind Acceptance of Award Transfer Form. These forms enable AmeriCorps members and recipients to meet the legal requirements of the award transfer process. Copies of the information collection requests can be obtained by contacting the office listed in the Addresses section of this Notice.

Copies of this information collection request, with applicable supporting documentation, may be obtained by calling the Corporation for National and Community Service, Nahid Jarrett, at 202-606-6753 or email to [njarrett@cns.gov](mailto:njarrett@cns.gov). Individuals who use a telecommunications device for the deaf (TTY-TDD) may call 1-800-833-3722 between 8:00 a.m. and 8:00 p.m. Eastern Time, Monday through Friday.

**DATES:** Comments may be submitted, identified by the title of the information collection activity, by November 17, 2017.

**ADDRESSES:** Comments may be submitted, identified by the title of the

information collection activity, to the Office of the National Service Trust, Attn: Ms. Nahid Jarrett, Trust Officer for the Corporation for National and Community Service, by any of the following two methods within 30 days from the date of publication in the **Federal Register:**

(1) Electronically through [www.regulations.gov](http://www.regulations.gov).

(2) *By mail sent to:* Corporation for National and Community Service, National Service Trust, Attention: Nahid Jarrett, 250 E. St. SW., Washington, DC 20525.

**SUPPLEMENTARY INFORMATION:** The OMB is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of CNCS, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions;
- Propose ways to enhance the quality, utility, and clarity of the information to be collected; and
- Propose ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

### Current Action

CNCS seeks to renew the current information. Except to add the categories of stepchild and step grandchild to the list of qualified recipients of the award transfer, only slight formatting and editing changes have been made.

The information collection will otherwise be used in the same manner as the existing application. CNCS also seeks to continue using the current forms until the revised forms are approved by OMB. The current information collection is due to expire on September 30, 2017.

*Description:* AmeriCorps members may offer to transfer all or part of their qualified education awards to certain family members. Provision is made to accept the transfer or not, to rescind acceptance or revoke the transfer. These processes are implemented electronically where possible but paper forms are available if necessary.

*Type of Review:* Renewal.

*Agency:* Corporation for National and Community Service.
