#### SUPPLEMENTARY INFORMATION:

**Authority:** 38 U.S.C. 7331.

**Title:** Living Will and Durable Power of Attorney for Health Care; VA Form 10-0137

**OMB Control Number:** 2900-0556.

**Type of Review:** Extension of a currently approved collection.

**Abstract:** VA Form 10-0137, VA Advance Directive: Durable Power of Attorney for Health Care and Living Will, is the Department of Veterans Affairs (VA) recognized legal document that permits VA patients to designate a health care agent and/or specify preferences for future health care. The VA Advance Directive is invoked if a patient becomes unable to make health care decisions for him or herself. Use of the VA Advance Directive is specified in VHA Handbook 1004.02, Advance Care Planning and Management of Advance Directives. Veterans' rights to designate a health care agent and specify health care preferences in advance are codified in 38 CFR 17.32. This regulation also obligates VA to recognize advance directives and to use the information contained therein when health care decisions must be made for a patient that has lost decision making capacity. Use of advance directives is a well-established standard within clinical practice in the U.S. Offering the opportunity to complete an advance directive and the requirement to honor such documents is supported by Joint Commission standards and the Patient Self Determination Act of 1990 (applicable to Medicare providers.) Use of advance directives is also consistent with the health care ethics standard that patients have autonomy in health care decision making and have a right to control what is done to them in a medical setting.
