The BLM has prepared the Proposed RMP Amendment/Final EIS to address management of recreational target shooting in the SDNM and to address rulings by the U.S. District Court—District of Arizona. The Court ordered the BLM to issue the decision for this amendment by September 30, 2017. The formal public scoping process for the RMP Amendment began on January 21, 2016, with the publication of a Notice of Intent in the **Federal Register** (81 FR 3463), and ended on March 21, 2016. The BLM held three public scoping meetings in February 2016. The BLM used public scoping comments to help identify planning issues that directed the formulation of alternatives and framed the scope of analysis in the Draft RMP Amendment/Draft EIS. The formal 90-day public comment period for the Draft RMP Amendment/Draft EIS began on December 16, 2016, with the publication of a NOA by the Environmental Protection Agency in the
