Department received timely requests from Tianjin Port Free Trade Zone Star Pipe International Trade Co., Ltd. (Tianjin Star) and Dalian Reliable Industrial Co., Ltd. (Dalian Reliable) to conduct an administrative review.1 Pursuant to these requests and in accordance with 19 CFR 351.221(c)(1)(i), on June 7, 2017, the Department published a notice of initiation of an administrative review of the antidumping duty order on non-malleable cast iron pipe fittings from the PRC.2 This administrative review covers Tianjin Star and Dalian Reliable during the period April 1, 2016, through March 31, 2017. On July 6, 2017, Tianjin Star and Dalian Reliable withdrew their requests for an administrative review.4

Rescission of Review
Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review if the party that requested the review withdraws its request within 90 days of the publication date of the notice of initiation of the requested review. Tianjin Star and Dalian Reliable withdrew their requests before the 90-day deadline, and no other party requested an administrative review of the antidumping duty order. Therefore, in accordance with 19 CFR 351.213(d)(1), we are rescinding this administrative review in its entirety.

Assessment
The Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries of non-malleable cast iron pipe fittings from the PRC. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions to CBP 15 days after the date of publication of this notice in the Federal Register.

Notification to Importers
This notice also serves as a final reminder to importers for whom this review is being rescinded of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary’s presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Order
This notice also serves as a reminder to parties subject to administrative protective orders (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.
