

significantly impact competition or capital formation. As such, after considering the protection of investors and whether the action will promote efficiency, competition, and capital formation, we believe there is a sufficient basis for the Commission to determine that applying the Proposed Rules, other than the provisions related to CAMs, to the audits of EGCs is necessary or appropriate in the public interest.

V. Conclusion

The Commission has carefully reviewed and considered the Proposed Rules, the information submitted therewith by the PCAOB, and the comment letters received. In connection with the PCAOB's filing and the Commission's review,

A. The Commission finds that the Proposed Rules are consistent with the requirements of the Sarbanes-Oxley Act and the securities laws and are necessary or appropriate in the public interest or for the protection of investors; and

B. Separately, the Commission finds that the application of the Proposed Rules to the audits of EGCs, which do not have a requirement to communicate CAMs, is necessary or appropriate in the public interest, after considering the protection of investors and whether the action will promote efficiency, competition, and capital formation.

It is therefore ordered, pursuant to Section 107 of the Sarbanes-Oxley Act and Section 19(b)(2) of the Exchange Act, that the Proposed Rules (File No. PCAOB-2017-01) be and hereby are approved.

By the Commission.

Eduardo A. Aleman,

Assistant Secretary.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The

Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

BYX recently amended its Certificate of Incorporation in connection with a corporate transaction (the "Transaction") involving, among other things, the recent acquisition of BYX, along with Bats BZX Exchange, Inc. ("Bats BZX"), Bats EDGX Exchange, Inc. ("Bats EDGX"), and Bats EDGA Exchange, Inc. ("Bats EDGA" and, together with Bats BYX, Bats EDGX, and Bats BZX, the "Bats Exchanges") by CBOE Holdings, Inc. ("CBOE Holdings"). CBOE Holdings is also the parent of Chicago Board Options Exchange, Incorporated ("CBOE") and C2 Options Exchange, Incorporated ("C2"). Particularly, the filing proposed, among other things, to amend and restate the certificate of incorporation of the Exchange based on certificates of incorporation of CBOE and C2.³ The Exchange notes that in conforming the Exchange's Certificate to the certificates of CBOE and C2, it inadvertently (1) did not comply with a provision of Delaware law and (ii) referred to an inaccurate version of the Certificate in the introductory paragraph. The Exchange seeks to correct those errors.

Particularly, Section 245(c) of the Delaware General Corporation Law (DGCL) requires that a restated certificate of incorporation "shall state, either in its heading or in an introductory paragraph, the corporation's present name, and, if it has been changed, the name under which it was originally incorporated, and the date of filing of its original certificate of incorporation with the secretary of state." The Exchange notes that the conformed Certificate did not reference the name under which the corporation was originally incorporated (*i.e.*, "BATS Y-Exchange, Inc."). In order to comply with Section 245(c) of the DGCL, the Exchange proposes to amend its Certificate to add a reference to its original name.

The Exchange also notes that the last sentence of the introductory paragraph which provides that the current certificate is "amended, integrated and restated to read in its entirety as follows:" mistakenly references the new

² 17 CFR 240.19b-4.

title of the amended Certificate (*i.e.*, “Amended and Restated Certificate of Incorporation”) instead of the title of the then current (and now previous) Certificate (“Certificate of Incorporation”). As such, the Exchange proposes to eliminate the new title reference “Amended and Restated” from that sentence to accurately reflect the correct version of the Certificate that was amended and restated.

The Exchange notes that the proposed changes are concerned solely with the administration of the Exchange and do not affect the meaning, administration, or enforcement of any rules of the Exchange or the rights, obligations, or privileges of Exchange members or their associated persons is [sic] any way.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the “Act”) and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.⁴ Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁵ requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁶ requirement that the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

In particular, the Exchange believes correcting inadvertent non-substantive, technical errors in its Certificate in order to comply with Delaware law and reflect the correct and accurate version of the Certificate that was amended will avoid potential confusion, thereby removing impediments to, and perfecting the mechanism for a free and open market and a national market system, and, in general, protecting investors and the public interest of market participants. As noted above, the proposed changes do not affect the meaning, administration, or

enforcement of any rules of the Exchange or the rights, obligations, or privileges of Exchange members or their associated persons in any way.

(B) Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. Rather, the proposed rule change is merely attempting to correct inadvertent technical errors in the Exchange’s introductory paragraph of its Certificate. The proposed rule change has no impact on competition.

(C) Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁷ and paragraph (f) of Rule 19b-4⁸ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.
