2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the "Act") and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.⁶ Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁷ requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

In particular, the proposed change is a non-substantive change and does not impact the governance, ownership or operations of the Exchange. The Exchange believes that by ensuring that its parent company's governance documents and the Exchanges operative documents accurately reflect the new legal names, the proposed rule change would reduce potential investor or market participant confusion.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not intended to address competitive issues but rather is concerned solely with updating the Company's and Exchange's governance and operative documents to reflect the abovementioned name changes.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Pursuant to Section 19(b)(3)(A) of the Act⁸ and Rule 19b-4(f)(3) thereunder,⁹ the Exchange has designated this proposal as one that is concerned solely with the administration of the self-regulatory organization, and therefore has become effective.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.

SURFACE TRANSPORTATION BOARD

[Docket No. FD 36152]

Ohio River Partners Shareholders LLC—Exemption for Intra-Corporate Family Transaction—Ohio River Partners LLC

Ohio River Partners Shareholder LLC (ORPS) and Ohio River Partners LLC (ORP) (collectively, the Parties) have jointly filed a verified notice of

exemption under 49 CFR 1180.2(d)(3) for an intra-corporate family transaction. ORP is a Delaware limited liability company, and in 2016 the Board authorized it to acquire and operate a 12.2-mile rail line between milepost 60.5 at or near Powhatan Point, Ohio, and milepost 72.2 at or near Hannibal, Ohio (the Omal Line).¹ ORPS, a Delaware limited liability company, owns 100% of the member interests of ORP.²

According to the Parties, the purpose of this transaction is to vest both fee title to the Omal Line and the right (and common carrier obligation) to operate the Omal Line in a single entity (ORPS).³ They state that the transaction will streamline administration and enhance corporate efficiency for the Parties, which are already closely integrated. They note, for example, that the proposed merger will eliminate the need for ORP and ORPS to prepare separate tax returns and maintain separate corporate records.

The Parties state that the transaction does not impose or involve any interchange commitment by, or affecting, the Parties.⁴

Unless stayed, the exemption will be effective on November 15, 2017 (30 days after the verified notice was filed). The Parties state that they intend to consummate the proposed transaction as soon as practicable after the effective date of the exemption.

This is a transaction within a corporate family of the type specially exempted from prior review and approval under 49 CFR 1180.2(d)(3). The Parties state that the transaction will not result in any adverse change in service levels or significant operational changes because ORP has not yet commenced operations over the Omal Line. Nor will the merger of ORP with and into ORPS result in any change in

¹ See *Ohio River Partners LLC—Acquis. & Operation Exemption—Hannibal Development, LLC*, FD 35984 (STB served Apr. 1, 2016).

² ORPS is indirectly owned and controlled by Fortress Transportation and Infrastructure Investors LLC, which is managed by an affiliate of Fortress Investment Group LLC (Fortress).

³ The Parties state that the Omal Line acquisition was part of a broader real estate transaction pursuant to which ORPS acquired certain industrial property (including the land upon which the Omal Line is located) from Hannibal Development LLC (Hannibal Development). The parties originally contemplated that ORP would acquire and operate the Omal Line, while ORPS would acquire the other real property from Hannibal Development. However, as consummated, the transaction resulted in ORPS becoming the owner of all the property conveyed by Hannibal Development, including the Omal Line.

⁴ An unexecuted draft copy of the Parties' agreement was filed with the verified notice of exemption.
