SUPPLEMENTARY INFORMATION:

Background

Section 118 of the Copyright Act, title 17 of the United States Code, establishes a statutory license for the use of certain copyrighted works in connection with noncommercial television and radio broadcasting. Chapter 8 of the Copyright Act requires the Copyright Royalty Judges ("Judges") to conduct proceedings every five years to determine the rates and terms for the section 118 license. 17 U.S.C. 801(b)(1), 804(b)(6). In accordance with section 804(b)(6), the Judges commenced the proceeding to set rates and terms for the period 2018-2022 on January 5, 2016. 77 FR 71104.

In the **Federal Register** notice, the Judges requested interested parties to submit petitions to participate. 81 FR 256 (January 5, 2016). Petitions to Participate ("PTP"s) were received from: The American Society of Authors, Composers and Publishers ("ASCAP"); SESAC, Inc.; Broadcast Music, Inc. ("BMI"); Educational Media Foundation ("EMF"); National Public Radio ("NPR") and the Public Broadcasting Service ("PBS"), jointly; National Religious Broadcasters Noncommercial Music License Committee ("NRBNMLC"); the Church Music Publishers' Association ("CMPA");¹ the National Music Publishers' Association ("NMPA"), The Harry Fox Agency ("HFA"), National Association of College and University Business Officers ("NACUBO"), and David Powell.²

The Judges set the timetable for the three-month negotiation period, *see* 17 U.S.C. 803(b)(3), and directed the

participants to submit written direct statements no later than November 7, 2016. Notice of Participants, Commencement of Voluntary Negotiation Period, and Case Scheduling Order (Mar. 25, 2016). The Judges amended the case schedule twice to accommodate ongoing negotiations. *See* Order for Further Proceedings and Modified Case Schedule (Aug. 12, 2016). In July and September 2016, several participants filed notices of settlement and proposed rates and terms for adoption. No participant filed a written direct statement. *See* Order Requiring Submission of Proposed Regulations by National Public Radio and Public Broadcasting System at 1 (Oct. 19, 2017).

There are two ways copyright owners and public broadcasting entities³ may negotiate rates and terms under the section 118 statutory license. First, copyright owners may negotiate rates and terms with specific public broadcasting entities for the use of all of the copyright owners' works covered by the license. Section 118(b)(2) provides that such license agreements "shall be given effect in lieu of any determination by the * * * Copyright Royalty Judges," provided that copies of the agreement are submitted to the Judges "within 30 days of execution." 17 U.S.C. 118(b)(2). The Judges received one agreement in this category for which no further action is required.⁴

Second, copyright owners and public broadcasting entities may negotiate rates and terms for categories of copyrighted works and uses that would be binding on all owners and entities using the same license and submit them to the Judges for approval. Section 801(b)(7)(A) provides that the Copyright Royalty Judges shall provide to those that would be bound by the terms, rates, or other determination set by any agreement in a proceeding to determine royalty rates an opportunity to comment on the agreement and shall provide to participants in the proceeding under section 803(b)(2) that would be bound by the terms, rates, or other determination set by the agreement an opportunity to comment on the agreement and object to its adoption as a basis for statutory terms and rates; and that the Copyright Royalty Judges may

decline to adopt the agreement as a basis for statutory terms and rates for participants that are not parties to the agreement, if any participant described in clause (i) objects to the agreement and the Copyright Royalty Judges conclude, based on the record before them if one exists, that the agreement does not provide a reasonable basis for setting statutory terms and rates.

17 U.S.C. 801(b)(7)(A).

On or about September 1, 2017, the Judges received a joint submission from ASCAP, BMI, HFA, NACUBO, NMPA, NRBNMLC, and SESAC containing proposed regulations that integrated the several separately filed proposals within this category. On October 25, 2017, the Judges received two more proposals within this category, one from NPR and PBS and a joint proposal from HFA, NMPA, PBS, NPR, and CPB.⁵

NACUBO Joint Proposals

The joint proposals of NACUBO and each of ASCAP, BMI, and SESAC propose to modify the royalty rates set forth in § 381.5. The rates proposed in the NACUBO/BMI and NACUBO/ASCAP submissions reflect a modification of the fees in different rate tiers. NACUBO/BMI Joint Proposal at 5, App. A. NACUBO/ASCAP Joint Proposal at 5, App. A. The NACUBO/SESAC submission retains a flat rate which they propose adjusting, starting in 2018, by the change in the Consumer Price Index or one-and-a-half percent, whichever is greater. NACUBO/SESAC Joint Proposal App. A.

NRBNMLC Joint Proposals

The joint proposals entered into by NRBNMLC and each of HFA/NMPA, ASCAP, BMI, and SESAC propose carrying forward unchanged the current provisions set forth in §§ 381.1 (except to replace "January 1, 2013" with "January 1, 2018" and "December 31, 2017" with "December 31, 2022"), 381.2, 381.9, and 381.11.

The joint proposal between NMPA/HFA and NRBNMLC states that the rates in § 381.7(b)(4) should be modified. NMPA/HFA and NRBNMLC Joint Proposal at 2-3.

Each of the joint proposals between NRBNMLC and ASCAP, BMI and SESAC propose modifications to § 381.6. ASCAP and NRBNMLC Joint proposal at 3; BMI and NRBNMLC Joint proposal at 5; SESAC and NRBNMLC Joint proposal at 3.

NPR/PBS Joint Proposals

NPR and PBS filed a joint proposal with NMPA and HFA to modify fees in

⁵ The PTP from NPR and PBS covers CPB (the Corporation for Public Broadcasting).

¹ CMPA's PTP was filed late with permission of the Judges. *See* Order Granting Church Music Publishers' Motion to Accept Late Petition to Participate (May 6, 2016). The Judges received no written direct statement from and no notice of settlement from or regarding CMPA.

² Mr. Powell's Petition to Participate was dismissed on August 16, 2016. Order Dismissing Petition to Participate of David Powell.

³ A "public broadcasting entity" is defined as a "noncommercial educational broadcast station as defined in section 397 of title 47 and any nonprofit institution or organization engaged in the activities described in paragraph (2) of subsection (c)" of section 118. 17 U.S.C. 118(f).

⁴ The Judges received an agreement from BMI on October 24, 2017. They anticipate receiving two others (from ASCAP and SESAC). Submission of NPR and PBS at 1 (Oct. 25, 2017).

§ 381.7, a change that reflects the same percentage increase made in the prior rate period because such increase “is fair and reasonable.” HFA/NMPA and NPR/PBS Joint Proposal at 2.

NPR and PBS filed proposed changes to fees in § 381.4 pursuant to negotiated license agreements with ASCAP, BMI, and SESAC. The changes conform to analogous changes in §§ 381.5 and 381.6.

As noted above, the members of the public and participants in this rate proceeding may comment and object to any or all of the proposed regulations contained in this notice.

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 52

[EPA-R05-OAR-2017-0280; FRL-9969-88-Region 5]

Air Plan Approval; Wisconsin; 2017 Revisions to NR 400 and 406

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: The Environmental Protection Agency (EPA) is proposing to approve a revision to the Wisconsin State Implementation Plan (SIP) submitted by the Wisconsin Department of Natural Resources (WDNR) to EPA on May 16, 2017. The revision replaces the definition of “emergency electric generator” with a broader definition of “restricted internal combustion engine”. In addition, the revision makes amendments to procedures for revoking construction permits as well as language changes and other administrative updates. Lastly, WDNR is withdrawing two Wisconsin Administrative Code provisions that affect eligibility under general and construction permits. WDNR requested these changes to align state and Federal requirements and ensure consistency. EPA is proposing approval of Wisconsin’s May 16, 2017, request because the Agency has made the preliminary determination that this SIP revision is consistent with the Clean Air Act and applicable EPA regulations regarding PSD.

SUPPLEMENTARY INFORMATION: In the Final Rules section of this **Federal Register**, EPA is approving the State’s SIP submittal as a direct final rule without prior proposal because the Agency views this as a noncontroversial submittal and anticipates no adverse comments. A detailed rationale for the approval is set forth in the direct final rule. If no adverse comments are received in response to this rule, this rule will be effective on January 8, 2018. If EPA receives adverse comments, the direct final rule will be withdrawn and all public comments received will be addressed in a subsequent final rule based on this proposed rule. EPA will not institute a second comment period. Any parties interested in commenting on this action should do so at this time. Please note that if EPA receives adverse comment on an amendment, paragraph, or section of this rule and if that provision may be severed from the remainder of the rule, EPA may adopt as final those provisions of the rule that are not the subject of an adverse comment. For additional information, see the direct final rule which is located in the Rules section of this **Federal Register**.
