SUPPLEMENTARY INFORMATION:

I. Background

Section 484 of the Tariff Act of 1930, as amended (19 U.S.C. 1484),

establishes the requirement for importers of record to make entry for merchandise to be imported into the customs territory of the United States. Customs entry information is used by U.S. Customs and Border Protection (CBP) and Partner Government Agencies (PGAs) to determine whether merchandise may be released from CBP custody. Importers of record are also obligated to complete the entry by filing an entry summary declaring the value, classification and rate of duty applicable to the merchandise and such other information as is necessary for CBP to properly assess duties, collect accurate statistics and determine whether any other applicable requirement of law is met. See 19 U.S.C. 1484(a)(1)(B).

Section 505 of the Tariff Act of 1930, as amended (19 U.S.C. 1505), establishes the requirement for importers of record to deposit with CBP the amount of duties and fees estimated to be payable on merchandise unless that merchandise is entered for warehouse or transportation, or under bond. According to section 141.101 of Title 19 of the Code of Federal Regulations (CFR), estimated duties shall either be deposited with a CBP officer at the time of filing of entry or entry summary documentation, or be transmitted to CBP pursuant to the statement processing method.

A. Statement Processing

Statement processing is a voluntary automated program for participants in the Automated Broker Interface (ABI) which allows entries to be grouped on a daily basis by importer or filer, and allows payment of related duties, fees and taxes by a single payment. See 19 CFR 24.1(a)(8) and 24.25 and 143.32(p). The preferred method of payment for users of statement processing is by Automated Clearinghouse (ACH). See 19 CFR 24.25(a). According to 19 CFR 143.32(p), ACS, or any other CBP-authorized EDI system, generates the statement, which is transmitted electronically to the filer, consisting of a list of entry summaries and the amount of duties, fees and taxes due for payment. Currently, the daily statements are generated, transmitted and updated in ACS.

B. Periodic Monthly Statement Test Program

As an alternative to paying ACH statements on a daily basis, participants in the periodic monthly statements (PMS) test may pay ACH statements on a monthly basis. CBP announced its plan to conduct the PMS test on February 4, 2004 in a notice in the **Federal Register** (69 FR 5362) which
