International Trade Administration

[Foreign-Trade Zones Board]

Proposed Foreign-Trade Zone—Hitchcock, Texas; Amendment of Application

A request has been submitted to the Foreign-Trade Zones (FTZ) Board (the Board) by the Port of Houston Authority (PHA), grantee of FTZ 84, at the request of the City of Hitchcock, to amend the City’s pending application requesting authority to establish a new foreign-trade zone in Hitchcock, Texas. The pending application was docketed on October 6, 2015 (FTZ Board Docket B–66–2015, 80 FR 61358, October 13, 2015).

PHA is requesting authority to include the site originally proposed for FTZ designation as part of a new zone in Hitchcock, Texas as an additional magnet site of FTZ 84, adjacent to the Houston Customs and Border Protection port of entry. The proposed site is as follows: Proposed Site 1 (280.54 acres)—Blimp Base, 7529 Blimp Base Road, Hitchcock. If approved, the proposed site would be assigned a new site number under FTZ 84. The amended application is limited to FTZ designation for the proposed Blimp Base site (i.e., it does not request authority for the ASF service area originally proposed in the application).

Public comment is invited from interested parties. Submissions shall be addressed to the Board’s Executive Secretary at: Foreign-Trade Zones Board, U.S. Department of Commerce, Room 21013, 1401 Constitution Ave. NW., Washington, DC 20230.

The closing period for their receipt is December 13, 2017. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period (to December 28, 2017).

For further information, contact Camille Evans at Camille.Evans@trade.gov or (202) 482–2350.

DATED: November 6, 2017.

Andrew McGilvray,
Executive Secretary.
SUPPLEMENTARY INFORMATION:

Background
The Department initiated this review on July 7, 2016. On June 6, 2017, the Department published the Preliminary Results of this administrative review. At that time, we invited interested parties to comment on the Preliminary Results. On July 6, 2017, we received a case brief from the Aluminum Extrusions Fair Trade Committee (the petitioner). No other parties submitted case or rebuttal briefs. These final results cover 10 companies and the PRC-wide entity for which an administrative review was initiated and not rescinded.

Scope of the Order
The merchandise covered by the Order is aluminum extrusions which are shapes and forms, produced by an extrusion process, made from aluminum alloys having metallic elements corresponding to the alloy series designations published by The Aluminum Association commencing with the numbers 1, 3, and 6 (or proprietary equivalents or other certifying body equivalents).

Imports of the subject merchandise are provided for under the following HTSUS numbers: 8414.59.60.90, 8415.90.80.45, 8418.99.80.05, 8418.99.80.50, 8418.99.80.60, 8422.90.06.40, 8473.30.20.00, 8473.30.51.00, 8497.90.85.00, 8486.90.00.00, 8503.00.95.20, 8508.70.00.00, 8515.90.20.00, 8516.90.50.00, 8516.90.80.50, 8517.70.00.00, 8529.90.73.00, 8536.90.80.85, 8538.10.00.00, 8543.90.88.80, 8708.29.50.60, 8708.80.65.90, 8803.30.00.60, 9013.90.50.00, 9013.90.90.00, 9041.90.50.81, 9403.90.10.40, 9403.90.10.50, 9403.90.10.85, 9403.90.25.40, 9403.90.25.80, 9403.90.40.05, 9403.90.40.10, 9403.90.40.60, 9403.90.50.05, 9403.90.50.10, 9403.90.50.50, 9403.90.60.60, 9403.90.60.10, 9403.90.60.80, 9403.90.70.05, 9403.90.70.10, 9403.90.80.10, 9403.90.80.15, 9403.90.80.20, 9403.90.80.41, 9403.90.80.51, 9506.11.40.80, 9506.51.40.00, 9506.51.60.00, 9506.59.40.40, 9506.70.20.90, 9506.91.00.10, 9506.91.00.20, 9506.91.00.30, 9506.99.05.10, 9506.99.05.20, 9506.99.05.30, 9506.99.15.00, 9506.99.20.00, 9506.99.25.80, 9506.99.28.00, 9506.99.55.00, 9506.99.60.80, 9507.30.20.00, 9507.30.30.40, 9507.30.60.00, 9507.90.60.00, and 9603.90.80.50.

The subject merchandise entered as parts of other aluminum products may be classifiable under the following additional Chapter 76 subheadings: 7610.10, 7610.90, 7615.19, 7615.20, and 7616.99, as well as under other HTSUS chapters. In addition, fin evaporator coils may be classifiable under HTSUS numbers: 8418.99.80.50 and 8418.99.80.60. While HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of this Order is dispositive.

Analysis of Comments Received
All issues raised in the case briefs filed by parties in this review are addressed in the Issues and Decision Memorandum, which is incorporated herein by reference. A list of the issues which any party raised, and to which we respond in the Issues and Decision Memorandum, follows in the appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic System (ACCESS). ACCESS is available to registered users at https://access.trade.gov and is available to all parties in the Central Records Unit, Room B8024 of the main Department of Commerce building. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly on the Internet at http://enforcement.trade.gov/frn/index.html. The signed Issues and Decision Memorandum and the electronic version of the Issues and Decision Memorandum are identical in content.

Changes Since the Preliminary Results
For the purposes of these final results, the Department made no changes to the Preliminary Results.

PRC-Wide Entity
For the purposes of the final results of this administrative review, the Department finds that the following entities are part of the PRC-wide entity because they failed to submit both a Q&V response and information to establish eligibility for a separate rate: (1) Kam Kiu; (2) Atlas Integrated Manufacturing Ltd.; (3) Classic & Contemporary Inc.; (4) Dongguan Golden Tiger Hardware Industrial Co., Ltd.; (5) Jiaxing Jackson Travel Products Co., Ltd.; (6) Taishan City Kam Kiu Aluminium Extrusion Co., Ltd.; (7) Shenyang Yuanda Aluminium Industry Engineering Co., Ltd.; (8) Sincere Profit Limited; and (9) Suzhou New Hongji Precision Part Co.

The Department’s change in policy regarding conditional review of the PRC-wide entity applies to this administrative review. Under this policy, the PRC-wide entity will not be under review unless a party specifically
requests, or the Department self-initiates, a review of the entity. The petitioner requested a review of the PRC-wide entity in the instant review; therefore, the PRC-wide entity is currently under review and the rate for the PRC-wide entity is subject to change.

**Adjustments for Countervailable Subsidies**

Because no mandatory respondent established eligibility for an adjustment under section 777A(f) of the Act for countervailable domestic subsidies, the Department, for these final results, did not make an adjustment pursuant to section 777A(f) of the Act for countervailable domestic subsidies for the separate-rate recipients.9

Pursuant to section 772(c)(1)(C) of the Act, we made an adjustment for countervailable export subsidies for tenKsolar. We calculated this adjustment as the simple average of the countervailable export subsidies determined for the mandatory respondents in the 2014 (i.e., most recently completed) CVD administrative review.10 and deducted this amount from the weighted-average dumping margin assigned to tenKsolar.11 The adjusted rate for tenKsolar is 85.96 percent.

Pursuant to section 772(c)(1)(C) of the Act, we also made an adjustment for countervailable export subsidies for the PRC-wide entity. We adjusted the PRC-wide entity cash deposit rate by the lowest countervailable export subsidy determined for the mandatory respondents in the 2014 (i.e., most recently completed) CVD administrative review.12

**Final Results of Review**

The Department determines that the following weighted-average dumping margins exist for the 2015–2016 POR:

<table>
<thead>
<tr>
<th>Exporter</th>
<th>Weighted-average dumping margin (percent)</th>
<th>Margin adjusted for liquidation and cash deposit purposes (percent)</th>
</tr>
</thead>
<tbody>
<tr>
<td>tenKsolar (Shanghai) Co., Ltd</td>
<td>86.01</td>
<td>85.96</td>
</tr>
<tr>
<td>PRC-wide Entity</td>
<td>86.01</td>
<td>85.96</td>
</tr>
</tbody>
</table>

Additionally, the Department determines that the following companies are part of the PRC-wide entity: (1) Kam Kiu: (2) Atlas Integrated Manufacturing Ltd.; (3) Classic & Contemporary Inc.; (4) Dongguan Golden Tiger Hardware Industrial Co., Ltd.; (5) Jiaxing Jackson Travel Products Co., Ltd.; (6) Taishan City Kam Kiu Aluminum Extrusion Co., Ltd.; (7) Shenyang Yuanda Aluminium Industry Engineering Co. Ltd.; (8) Sincere Profit Limited; and (9) Suzhou New Hongji Precision Part Co.

**Assessment**

Pursuant to section 751(a)(2)(A) of the Act and 19 CFR 351.222(b), the Department will determine, and CBP shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review. The Department intends to issue assessment instructions to CBP 15 days after the date of publication of the final results of review in the Federal Register. Consistent with the Department’s assessment practice in NME cases, if the Department determines that an exporter under review had no shipments of subject merchandise, any suspended entries that entered under the exporter’s case number (i.e., at that exporter’s rate) will be liquidated at the PRC-wide rate.13 For the companies eligible for a separate rate, the Department will instruct CBP to assess antidumping duties on the company’s entries of subject merchandise at the rates listed above in the section “Final Results of Review.”

**Cash Deposit Requirements**

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Act: (1) For the companies eligible for a separate rate, the cash deposit rate will that listed above in the section “Final Results of Review;” (2) for previously investigated or reviewed PRC and non-PRC exporters not listed above that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the exporter-specific rate published for the most-recently completed segment of this proceeding in which the exporter was reviewed; (3) for all PRC exporters of subject merchandise which have not been found to be entitled to a separate rate, the cash deposit rate will be that established for the PRC-wide entity, which is 85.96 percent; and (4) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporter that supplied that non-PRC exporter with the subject merchandise. These deposit requirements, when imposed, shall remain in effect until further notice.

**Notification to Importers**

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties and/or countervailing duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Department’s presumption that reimbursement of antidumping duties and/or countervailing duties occurred and the subsequent assessment of doubled antidumping duties.

**Notification to Interested Parties Regarding Administrative Protective Order**

This notice also serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 10 Aluminum Extrusions from the People’s Republic of China: Final Results and Partial Rescission of Countervailing Duty Administrative Review; 2014, 81 FR 92778 (December 20, 2016).

11 See Preliminary Decision Memorandum, at 12 and 17–18.

12 Id., at 17–18.

with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213(b).

Gary Taverman,
Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.

Initiation of Antidumping and Countervailing Duty Administrative Reviews

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) has received requests to conduct administrative reviews of various antidumping and countervailing duty orders and findings with September anniversary dates. In accordance with the Department’s regulations, we are initiating those administrative reviews.

SUPPLEMENTARY INFORMATION:

Background

The Department has received timely requests, in accordance with 19 CFR 351.213(b), for administrative reviews of various antidumping and countervailing duty orders and findings with September anniversary dates.

All deadlines for the submission of various types of information, certifications, or comments or actions by the Department discussed below refer to the number of calendar days from the applicable starting time.

Notice of No Sales

If a producer or exporter named in this notice of initiation had no exports, sales, or entries during the period of review (POR), it must notify the Department within 30 days of publication of this notice in the Federal Register. All submissions must be filed electronically at http://access.trade.gov in accordance with 19 CFR 351.303. Such submissions are subject to verification in accordance with section 782(i) of the Tariff Act of 1930, as amended (the Act). Further, in accordance with 19 CFR 351.303(f)(1)(i), a copy must be served on every party on the Department’s service list.

Respondent Selection

In the event the Department limits the number of respondents for individual examination for administrative reviews initiated pursuant to requests made for the orders identified below, the Department intends to select respondents based on U.S. Customs and Border Protection (CBP) data for U.S. imports during the period of review. We intend to place the CBP data on the record within five days of publication of the initiation notice and to make our decision regarding respondent selection within 30 days of publication of the initiation Federal Register notice. Comments regarding the CBP data and respondent selection should be submitted seven days after the placement of the CBP data on the record of this review. Parties wishing to submit rebuttal comments should submit those comments five days after the deadline for the initial comments.

In the event the Department decides it is necessary to limit individual examination of respondents and conduct respondent selection under section 777A(c)(2) of the Act:

In general, the Department has found that determinations concerning whether particular companies should be “collapsed” (i.e., treated as a single entity for purposes of calculating antidumping duty rates) require a substantial amount of detailed information and analysis, which often require follow-up questions and analysis. Accordingly, the Department will not conduct collapsing analyses at the respondent selection phase of this review and will not collapse companies at the respondent selection phase unless there has been a determination to collapse certain companies in a previous segment of this antidumping proceeding (e.g., investigation, administrative review, new shipper review or changed circumstances review). For any company subject to this review, if the Department determined, or continued to treat, that company as collapsed with others, the Department will assume that such companies continue to operate in the same manner and will collapse them for respondent selection purposes. Otherwise, the Department will not collapse companies for purposes of respondent selection. Parties are requested to (a) identify which companies subject to review were previously were collapsed, and (b) provide a citation to the proceeding in which they were collapsed. Further, if companies are requested to complete the Quantity and Value (Q&V) Questionnaire for purposes of respondent selection, in general each company must report volume and value data separately for itself. Parties should not include data for any other party, even if they believe they should be treated as a single entity with that other party. If a company was collapsed with another company or companies in the most recently completed segment of this proceeding where the Department considered collapsing that entity, complete Q&V data for that collapsed entity must be submitted.

Deadline for Withdrawal of Request for Administrative Review

Pursuant to 19 CFR 351.213(d)(1), a party that has requested a review may withdraw that request within 90 days of the date of publication of the notice of initiation of the requested review. The regulation provides that the Department may extend this time if it is reasonable to do so. In order to provide parties additional certainty with respect to when the Department will exercise its discretion to extend this 90-day deadline, interested parties are advised that the Department does not intend to extend the 90-day deadline unless the requestor demonstrates that an extraordinary circumstance has prevented it from submitting a timely withdrawal request. Determinations by the Department to extend the 90-day deadline will be made on a case-by-case basis.
