SUPPLEMENTARY INFORMATION:

Title: Standard Reinsurance Agreement; Appendices I, II and IV.

OMB Number: 0563-0069.

Type of Request: Renewal of current Information Collection.

Abstract: The Federal Crop Insurance Act (Act), Title 7 U.S.C. Chapter 36, Section 1508(k), authorizes the FCIC to provide reinsurance to insurers approved by FCIC that insure producers of any agricultural commodity under one or more plans acceptable to FCIC. The Act also states that the reinsurance shall be provided on such terms and conditions as the Board may determine to be consistent with subsections (b) and (c) of this section and sound reinsurance principles.

FCIC executes the same form of reinsurance agreement, called the Standard Reinsurance Agreement (SRA), with sixteen participating insurers approved for the 2018 reinsurance year. Appendix I of the SRA, Regulatory Duties and Responsibilities, sets forth the company's responsibilities as required by statute. Appendix I includes; a) Conflict of Interest data

collection, which in addition to the insurance companies reinsured by FCIC, encompasses the insurance companies' employees and their contracted agents and loss adjusters; and b) Controlled Business data collection from all employed or contracted agents. Appendix II of the SRA, the Plan of Operations (Plan), sets forth the information the insurer is required to file with RMA for each reinsurance year they wish to participate. The Plan's information enables RMA to evaluate the insurer's financial and operational capability to deliver the crop insurance program in accordance with the Act. Estimated premiums by fund by state, and retained percentages along with current policyholders surplus are used in calculations to determine whether to approve the insurer's requested maximum reinsurable premium volume for the reinsurance year per 7 CFR 400 Subpart L. This information has a direct effect upon the insurer's amount of retained premium and associated liability and is required to calculate the insurer's underwriting gain or loss.

Appendix IV of the SRA, Quality Control and Program Integrity, establishes the minimum annual agent and loss adjuster training requirements, and quality control review procedures and performance standards required of the insurance companies. FCIC requires each insurer to submit, for each reinsurance year, a Quality Control Report to FCIC containing details of the results of their completed reviews. The insurance companies must also provide an annual Training and Performance Evaluation Report which details the evaluation of each agent and loss adjuster and reports of any remedial actions taken by the Company to correct any error or omission or ensure compliance with the SRA. The submission of these reports is included in Appendix II.

FCIC is requesting the Office of Management and Budget (OMB) to extend the approval of this information collection for an additional 3 years.

The purpose of this notice is to solicit comments from the public concerning the continuation of the current information collection activity as associated with the SRA in effect for the 2018 and subsequent reinsurance years. These comments will help us:

(1) Evaluate whether the current collection of information is necessary

for the proper performance of the functions of the agency, including whether the information has practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the current collection of information;

(3) Enhance the quality, utility, and clarity of the information being collected; and

(4) Minimize the burden of the collection of information on those who are to respond, through use, as appropriate, of automated, electronic, mechanical, and other collection technologies, e.g., permitting electronic submission of responses.
