Notice Pursuant to the National Cooperative Research and Production Act of 1993—Integrated Photonics Institute for Manufacturing Innovation Operating Under the Name of the American Institute for Manufacturing Integrated Photonics

Notice is hereby given that, on October 25, 2017, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* (“the Act”), Integrated Photonics Institute for Manufacturing Innovation operating under the name of the American Institute for Manufacturing Integrated Photonics (“AIM Photonics”) has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing changes in its membership. The notifications were filed for the purpose of extending the Act’s provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, Corning Research & Development Corporation, Corning, NY; Regents of the University of Idaho, Moscow, ID; The University of Texas at Austin, Austin, TX; Worcester Polytechnic Institute, Worcester, MA; and REDCOM Laboratories, Inc., Victor, NY, have been added as parties to this venture.

No other changes have been made in either the membership or planned activity of the group research project. Membership in this group research project remains open, and AIM Photonics intends to file additional written notifications disclosing all changes in membership.

On June 16, 2016, AIM Photonics filed its original notification pursuant to Section 6(a) of the Act. The Department of Justice published a notice in the **Federal Register** pursuant to Section 6(b) of the Act on July 25, 2016 (81 FR 48450).

The last notification was filed with the Department on June 19, 2017. A notice was published in the **Federal Register** pursuant to Section 6(b) of the Act on August 1, 2017 (82 FR 35824).

Notice Pursuant to the National Cooperative Research and Production Act of 1993—Automation and Public Safety Common Solutions Consortium

Notice is hereby given that, on October 24, 2017, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* (“the Act”) Automation and Public Safety Common Solutions Consortium (“APSCS Consortium”) has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing (1) the identities of the parties to the venture and (2) the nature and objectives of the venture. The notifications were filed for the purpose of invoking the Act’s provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances.

Pursuant to Section 6(b) of the Act, the identities of the parties to the venture are: General Motors LLC, Warren, MI; Ford Motor Company, Dearborn, MI; Honda R&D Americas, Inc., Torrance, CA; Hyundai-Kia America Technical Center, Inc., Superior Township, MI; Mercedes-Benz Research & Development North America, Ann Arbor, MI; Nissan Technical Center North America, Farmington Hills, MI; Toyota Motor North America, Plano, TX; and Volvo Group North America, Costa Mesa, CA. The general area of APSCS Consortium’s planned activity is collaboration to conduct multiple research projects limited to specific areas in which the participants believe common solutions to specifically defined technical goals will speed the development and ultimate consumer access to safe Automated Driving Systems-equipped (ADS-equipped) vehicles. APSCS Consortium’s objectives are to gain further knowledge and understanding of ADS-equipped vehicle interactions with public safety through research into common operational use cases.
