**Proposed Information Collection Activity: Comment Request**

*Proposed Projects:*

Community Services Block Grant (CSBG) State Plan Application for States  
 Community Services Block Grant (CSBG) Eligible Entity Master List  
 Community Services Block Grant (CSBG) ACSI Survey of Eligible Entities  
*Title:* Community Services Block Grant (CSBG) State Plan Application  
*OMB Number:* 0970-0382  
*Description:* Section 676 of the Community Services Block Grant (CSBG) Act requires states, including the District of Columbia and the Commonwealth of Puerto Rico, and U.S. territories applying for CSBG funds to submit an application and plan (CSBG State Plan). The CSBG State Plan must meet statutory requirements prior to states and territories being funded with CSBG funds. Applicants have the option to submit a detailed plan annually or biannually. Entities that submit a biannual plan must provide an abbreviated plan the following year if substantial changes to the initial plan will occur.

This request is to revise the automated CSBG State Plan format for states and territories by revising

questions for clarity and system compatibility. It is not anticipated that these revisions will cause any additional burden to states as they have been completing the automated plan for three years. It is anticipated that the burden will continue to diminish in subsequent years due to improved automation.

In addition to the CSBG State Plan, states will be requested to complete a CSBG Eligible Entity Master List in year one, and then make updates as necessary in subsequent years. As the states have the information about their eligible entities (or sub-grantees), the burden will be minimal to the states to complete this the first year.

Lastly, the request includes a survey for the CSBG eligible entities (or sub-grantees). The survey focuses on the customer service that the eligible entities receive from the CSBG states. The survey is optional, and this will be the third time that the eligible entities that chose to submit will complete it.

*Respondents:* State Governments, including the District of Columbia and the Commonwealth of Puerto Rico, and U.S. territories, and local level sub-grantees.

**ANNUAL BURDEN ESTIMATES**

*Estimated Total Annual Burden Hours:* 1,792 hours for states and territories; 152.85 for eligible entities.
