Form N–CSR, SEC File No. 270–512, OMB Control No. 3235–0570

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.), the Securities and Exchange Commission (the “Commission”) is soliciting comments on the collection of information.
summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget (“OMB”) for extension and approval.

Form N–CSR (17 CFR 249.331 and 274.128) is a combined reporting form used by registered management investment companies (“funds”) to file certified shareholder reports under the Investment Company Act of 1940 (15 U.S.C. 80a–1 et seq.) (“Investment Company Act”) and the Securities Exchange Act of 1934 (15 U.S.C. 78a et seq.) (“Exchange Act”). Specifically, Form N–CSR is to be used for reports under section 30(b)(2) of the Investment Company Act (15 U.S.C. 80a–29(b)(2)) and section 13(a) or 15(d) of the Exchange Act (15 U.S.C. 78m(a) and 78o(d)), filed pursuant to rule 30b2–1(a) under the Investment Company Act (17 CFR 270.30b2–1(a)). Reports on Form N–CSR are to be filed with the Securities and Exchange Commission (“Commission”) no later than 10 days after the transmission to stockholders of any report that is required to be transmitted to stockholders under rule 30e–1 under the Investment Company Act (17 CFR 270.30e–1). The information filed with the Commission permits the verification of compliance with securities law requirements and assures the public availability and dissemination of the information.

The current total annual burden hour inventory for Form N–CSR is 172,899 hours. The hour burden estimates for preparing and filing reports on Form N–CSR are based on the Commission’s experience with the contents of the form. The number of burden hours may vary depending on, among other things, the complexity of the filing and whether preparation of the reports is performed by internal staff or outside counsel. The Commission’s new estimate of burden hours that will be imposed by Form N–CSR is as follows:

| Number of funds | 2 11,856 |
| Number of filings per fund per year | 2 |
| Hour burden per filing | 7 31 |
| Hour burden per fund per year (7.31 hours per filing × 2 filings per year) | 14 62 |
| Additional aggregate annual burden for closed-end funds | 3 750 |

In total, the Commission estimates it will take 174,085 burden hours per year for all funds to prepare and file reports on Form N–CSR. Based on the Commission’s estimate of 174,085 burden hours and an estimated wage rate of approximately $324 per hour,\(^5\) the total internal annual cost to registrants of the hour burden for complying with Form N–CSR requirements is approximately $56 million.\(^6\)

Estimates of average burden hours and costs are made solely for purposes of the Paperwork Reduction Act, and are not derived from a comprehensive or representative survey or study of the costs of Commission rules and forms. Compliance with the information collection requirements of Form N–CSR is mandatory. Responses to the collection of information will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

Written comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the Commission, including whether the information has practical utility; (b) the accuracy of the Commission’s estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.
