

The Department applied the assessment rate calculation method adopted in *Final Modification for Reviews*, *i.e.*, on the basis of monthly average-to-average comparisons using only the transactions associated with that importer with offsets being provided for non-dumped comparisons.⁷ Pursuant to the Department's NME practice, for sales that were not reported in the U.S. sales data submitted by companies individually examined during this review, the Department instructs CBP to liquidate entries associated with those sales at the rate for the PRC-wide entity.⁸

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(2)(C) of the Act: (1) For the company listed above, Shanghai Wells, the cash deposit rate will be that established in the final results of this review (except, if the rate is zero or *de minimis*, then zero cash deposit will be required); (2) for previously investigated or reviewed PRC and non-PRC exporters not listed above that have separate rates, the cash deposit rate will continue to be the exporter-specific rate published for the most recently completed segment of this proceeding in which they were reviewed; (3) for all PRC exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be equal to the weighted-average dumping margin for the PRC-wide entity (*i.e.*, 187.25 percent); and (4) for all non-PRC exporters of subject merchandise which have not received their own separate rate, the cash deposit rate will be the rate applicable to the PRC exporter(s) that supplied that non-PRC exporter. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Analysis

In the *Preliminary Results*, the Department preliminarily determined that the two companies under review, Huzhou Kingdom Coating Industry Co., Ltd. (Huzhou Kingdom) and Huzhou Unifull Label Fabric Co., Ltd. (Huzhou Unifull), did not establish their eligibility for separate rate status and would be treated as part of the PRC-wide entity. In these final results of review, we have continued to treat these two companies as part of the PRC-wide entity. For further discussion of the issues addressed in this proceeding, see the *Preliminary Results* and Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov> and in the Central Records Unit, Room B8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Results Decision Memorandum can be accessed directly on the Internet at <http://enforcement.trade.gov/frn/index.html>. The signed and the electronic versions of the Preliminary Decision Memorandum are identical in content.

Assessment Rates

Pursuant to section 751(a)(2)(C) of the Act, and 19 CFR 351.212(b), the Department has determined, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review. The Department intends to issue assessment instructions to CBP 15 days after the publication date of the final results of this review. We intend to instruct CBP to liquidate POR entries of subject merchandise exported by Huzhou Kingdom and Huzhou Unifull at the PRC-wide entity rate, which is 247.26 percent.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this review for shipments of the subject merchandise from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date in the **Federal Register** of the final results of the review, as provided by section 751(a)(2)(C) of the Act: (1) For

previously investigated or reviewed PRC and non-PRC exporters not named above that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate; (2) for all PRC exporters of subject merchandise that have not been found to be entitled to a separate rate, including Huzhou Kingdom and Huzhou Unifull, the cash deposit rate will be the rate for the PRC-wide entity, which is 247.26 percent; (3) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporter that supplied that non-PRC exporter.

These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.
