Foreign-Trade Zones Board

[B-69-2017]

Foreign-Trade Zone (FTZ) 52—Suffolk County, New York; Notification of Proposed Production Activity; Estee Lauder Inc., (Hair Straightening Styling Balm), Melville, New York

Estee Lauder Inc. (Estee Lauder) submitted a notification of proposed production activity to the FTZ Board for its facilities in Melville, New York within FTZ 52. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on November 2, 2017.

Estee Lauder already has authority to manufacture and distribute skin care, fragrance, and cosmetic products within FTZ 52. The current request would add a finished product (hair straightening styling balm) to the scope of authority. Pursuant to 15 CFR 400.14(b), additional FTZ authority would be limited to the finished product described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt Estee Lauder from customs duty payments on the foreign-status materials/components used in export production. On its domestic sales, for foreign-status materials/components in the existing scope of authority, Estee Lauder would be able to choose the duty rate during customs entry procedures that applies to hair

straightening styling balm (duty-free). Estee Lauder would be able to avoid duty on foreign-status components which become scrap/waste. Customs duties also could possibly be deferred or reduced on foreign-status production equipment.

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is December 27, 2017.

A copy of the notification will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the "Reading Room" section of the Board's Web site, which is accessible via www.trade.gov/ftz.

SUMMARY: The Department of Commerce (the Department) is rescinding the administrative review of the countervailing duty (CVD) order on certain steel nails (steel nails) from the Socialist Republic of Vietnam (Vietnam) for the period January 1, 2016, to December 31, 2016, based on the timely withdrawal of the request for review.

DATES: Applicable November 17, 2017.

FOR FURTHER INFORMATION CONTACT: Yasmin Bordas, AD/CVD Operations, Office VI, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-3813 and (202) 482-7438, respectively.

SUPPLEMENTARY INFORMATION:

Background

On July 3, 2017, the Department published in the **Federal Register** a notice of opportunity to request an administrative review of the CVD order on steel nails from Vietnam for the period January 1, 2016, to December 31, 2016.¹ On July 31, 2017, the Department received a timely request, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), from Mid Continent Steel & Wire Inc. (the petitioner) to conduct an administrative review of this CVD order with respect to 14 companies.² Based upon this request, on September 13, 2017, in accordance with section 751(a) of the Act, the Department published in the **Federal Register** a notice of initiation of administrative review for this CVD order.³ On September 28, 2017, the petitioner timely withdrew its request for an administrative review for each of the 14 companies.⁴

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if a party who requested the review withdraws the request within 90 days of the date of publication of the notice of initiation of the requested review. As noted above, the petitioner withdrew its request for review by the 90-day deadline. No other party requested an administrative review. Accordingly, we are rescinding the administrative review of the CVD order on steel nails from Vietnam covering the period January 1, 2016, to December 31, 2016.

Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess CVDs on all appropriate entries at a rate equal to the cash deposit of estimated CVDs required at the time of entry, or withdrawal from warehouse, for consumption, during the period January 1, 2016, to December 31, 2016, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice in the **Federal Register**.

Notification to Importers

This notice serves as the only reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the presumption that reimbursement of the countervailing duties occurred and the subsequent assessment of doubled countervailing duties.

Notification Regarding Administrative Protective Order

This notice also serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under an APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested.
