#### Amended Final Results

Because there is now a final court decision, the Department amends the *Final Determination* with respect to the margin assigned to PT and for all other producers and exporters.<sup>10</sup>

Producer/exporter <sup>11</sup>	Weighted-average dumping margin (%)
<i>Producer:</i> Pro-Team Coil Nail Enterprise, Inc .....	2.16
<i>Exporter:</i> Pro-Team Coil Nail Enterprise, Inc. or PT Enterprise Inc. <sup>12</sup> .....	.....
All-Others .....	2.16

#### Cash Deposit Requirements

Since the *Final Determination*, the Department has not established a new cash deposit rate for PT or all other producers and exporters. As a result, in accordance with section 735(c)(1)(B) of the Act, the Department will instruct U.S. Customs and Border Protection to collect cash deposits at the rates for entries of subject merchandise in accordance with the rates for exporters and producers listed above in this notice, effective October 14, 2017.

#### Low Melt Polyester Staple Fiber From the Republic of Korea and Taiwan: Postponement of Preliminary Determinations in the Less-Than-Fair-Value Investigations

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**DATES:** Effective November 20, 2017.

**FOR FURTHER INFORMATION CONTACT:** Alice Maldonado at (202) 482-4682 (Republic of Korea (Korea)) or Rebecca M. Janz at (202) 482-4682 (Taiwan), AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230.

#### SUPPLEMENTARY INFORMATION:

##### Background

On July 17, 2017, the Department of Commerce (the Department) initiated less-than-fair-value (LTFV) investigations of imports of low melt polyester staple fiber (low melt PSF) from Korea and Taiwan.<sup>1</sup> Currently, the preliminary determinations are due no later than December 4, 2017.

##### Postponement of Preliminary Determinations

Section 733(b)(1)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to issue the preliminary determination in an LTFV investigation within 140 days after the date on which the Department initiated the investigation. However, section 733(c)(1) of the Act permits the Department to postpone the preliminary determination until no later than 190 days after the date on which the Department initiated the investigation if: (A) the petitioner<sup>2</sup> makes a timely request for a postponement; or (B) the Department concludes that the parties concerned are cooperating, that the investigation is extraordinarily complicated, and that additional time is necessary to make a preliminary determination. Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must

state the reasons for the request. The Department will grant the request unless it finds compelling reasons to deny the request. See 19 CFR 351.205(e).

On November 7, 2017, the petitioner submitted a timely request that the Department postpone the preliminary determinations in these LTFV investigations.<sup>3</sup> The petitioner stated that it requests postponement because the Department is still gathering data and questionnaire responses, and additional time is necessary for the Department and interested parties to review and analyze all questionnaire responses, as well as for interested parties to comment on these responses.<sup>4</sup>

For the reasons stated above and because there are no compelling reasons to deny the request, the Department, in accordance with section 733(c)(1)(A) of the Act, is postponing the deadline for the preliminary determinations by 50 days (*i.e.*, 190 days after the date on which these investigations were initiated). As a result, the Department will issue its preliminary determinations no later than January 23, 2018. In accordance with section 735(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determinations of these investigations will continue to be 75 days after the date of the preliminary determinations, unless postponed at a later date.

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: November 14, 2017.

#### Seamless Refined Copper Pipe and Tube From the People's Republic of China: Final Results of Antidumping Duty Administrative Review; 2015-2016

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

<sup>3</sup> See the Petitioner's Letter re: Low Melt Polyester Staple Fiber from the Republic of Korea and Taiwan—Petitioners' Request to Postpone the Antidumping Duty Preliminary Determinations, dated November 7, 2017.

<sup>4</sup> *Id.*

**SUMMARY:** On August 8, 2017, the Department of Commerce (the Department) published the preliminary results of the administrative review of the antidumping duty order on seamless refined copper pipe and tube from the People's Republic of China (PRC) for the period of review (POR), November 1, 2015, through October 31, 2016. For the final results of this review, the Department continues to determine that the five remaining companies under review failed to establish their eligibility for a separate rate for the POR, and thus, are part of the PRC-wide entity. The final dumping margin of sales at the PRC-Wide Entity rate is listed below in the "Final Results" section of this notice.

**DATES:** Applicable November 20, 2017.

**FOR FURTHER INFORMATION CONTACT:** Julia Hancock or Courtney Canales, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-1394 or (202) 482-4997, respectively.

**SUPPLEMENTARY INFORMATION:**

**Background**

On August 8, 2017, the Department published the *Preliminary Results* of the antidumping duty order on seamless refined copper pipe and tube from the PRC.<sup>1</sup> We invited parties to submit comments on the *Preliminary Results*, but we received no comments. The Department conducted this administrative review in accordance with section 751 of the Tariff Act of 1930, as amended (the Act).

**Scope of the Order**

The merchandise subject to the order is seamless refined copper pipe and tube. The product is currently classified under Harmonized Tariff Schedule of the United States (HTSUS) item numbers 7411.10.1030 and 7411.10.1090. Products subject to this order may also enter under HTSUS item numbers 7407.10.1500, 7419.99.5050, 8415.90.8065, and 8415.90.8085. Although the HTSUS numbers are provided for convenience and customs purposes, the written description of the scope of this order remains dispositive.<sup>2</sup>

<sup>1</sup> See *Seamless Refined Copper Pipe and Tube from the People's Republic of China: Preliminary Results and Partial Rescission of the Antidumping Duty Administrative Review; 2015–2016*, 82 FR 37058 (August 8, 2017) and accompanying Preliminary Decision Memorandum (Preliminary Decision Memorandum) (collectively, *Preliminary Results*).

<sup>2</sup> For a full description of the scope of the Order, see Preliminary Decision Memorandum at 3–4.

**Analysis of Comments Received**

As noted above, we received no comments on the *Preliminary Results*.

**Changes Since the Preliminary Results**

As no parties submitted comments on the *Preliminary Results*, the Department has not modified its analysis from that presented in the *Preliminary Results*, and no decision memorandum accompanies this **Federal Register** notice. Further, the Department has made no adjustments to the determination that China Hailiang Metal Trading (China Hailiang), Shanghai Hailiang Metal Trading Limited (Shanghai Hailiang Trading), Hong Kong Hailiang, Shanghai Hailiang, and Zhejiang Hailiang did not demonstrate that they are entitled to a separate rate. Accordingly, we continue to determine it appropriate to consider all five companies to be part of the PRC-Wide entity.<sup>3</sup> The rate previously established for the PRC-wide entity is 60.85 percent.<sup>4</sup>

**Final Results**

The final weighted-average dumping margin is as follows:

Exporter/producer	Weighted-average dumping margin (%)
PRC-Wide Entity <sup>5</sup> .....	60.85

**Assessment Rates**

We have not calculated any assessment (or cash deposit) rates in this administrative review, because the five companies under review are a part of

<sup>3</sup> See Preliminary Decision Memorandum, at 4–5. Pursuant to the Department's change in practice, the Department no longer considers the non-market economy (NME) entity as an exporter conditionally subject to administrative reviews. See *Antidumping Proceedings: Announcement of Change in Department Practice for Respondent Selection in Antidumping Duty Proceedings and Conditional Review of the Nonmarket Economy Entity in NME Antidumping Duty Proceedings*, 78 FR 65963, 65970 (November 4, 2013). Under this practice, the NME entity will not be under review unless a party specifically requests, or the Department self-initiates, a review of the entity. Because no party requested a review of the entity, the entity is not under review and the entity's rate is not subject to change.

<sup>4</sup> The rate for the PRC-Wide Entity was first assigned in the less than fair value investigation of seamless refined copper pipe and tube from the PRC, see *Seamless Refined Copper Pipe and Tube from the People's Republic of China: Final Determination of Sales at Less Than Fair Value*, 75 FR 60725, 60729 (October 1, 2010). This rate has been used in each subsequent administrative review in which there was a party being considered as part of the PRC-Wide Entity.

<sup>5</sup> The PRC-wide entity includes China Hailiang, Shanghai Hailiang Trading, Hong Kong Hailiang, Shanghai Hailiang, and Zhejiang Hailiang.

the PRC-wide entity. The Department intends to issue assessment instructions to CBP 15 days after the publication date of the final results of this administrative review.

**Cash Deposit Requirements**

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Act: (1) For previously investigated or reviewed PRC and non-PRC exporters not listed above that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate; (2) for all PRC exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be that for the PRC-Wide rate (*i.e.*, 60.85 percent); and (3) for all non-PRC exporters of subject merchandise that have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporter that supplied that non-PRC exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

**Disclosure**

Normally, the Department discloses to interested parties the calculations performed in connection with the final results within five days of its public announcement, or if there is no public announcement, within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b). However, because the Department determined that China Hailiang, Shanghai Hailiang Trading, Hong Kong Hailiang, Shanghai Hailiang, and Zhejiang Hailiang are part of the PRC-wide entity, and have been assigned the PRC-wide rate, there are no calculations to disclose.

**Notification to Importers**

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

**Administrative Protective Order**

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under the APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a violation subject to sanction.

**Notification to Interested Parties**

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213(h) and 351.221(b)(5).

Dated: November 13, 2017.

On May 18, 2017, the Department published the *Preliminary Results* of this review in the **Federal Register**.<sup>1</sup> We invited parties to comment on the *Preliminary Results*. On June 19, 2017, we received a case brief from Wheatland Tube Group (the petitioner).<sup>2</sup> On June 26, 2017, we received a rebuttal brief from Shin Yang.<sup>3</sup> The Department conducted this review in accordance with section 751(a)(2) of the Tariff Act of 1930, as amended (the Act).

**Scope of the Order**

**Final Determination of No Shipments**

In the *Preliminary Results*, the Department preliminarily determined that Yieh Hsing had no shipments during the period of review (POR).<sup>5</sup> Following publication of the *Preliminary Results*, we received no comments from interested parties regarding Yieh Hsing. As a result, and because the record contains no evidence to the contrary, we continue to find that

Yieh Hsing made no shipments during the POR. Accordingly, consistent with the Department's practice, we intend to instruct U.S. Customs and Border Protection (CBP) to liquidate any existing entries of merchandise produced by Yieh Hsing, but exported by other parties without their own rate, at the all-others rate.<sup>6</sup>

**Analysis of the Comments Received**

All issues raised in the case and rebuttal briefs submitted in this review are addressed in the Issues and Decision Memorandum, which is hereby adopted by this notice.
