

but the producer is, then the cash deposit rate will be equal to the estimated weighted-average dumping margin established for the producer of the subject merchandise; (3) the cash deposit rate for all other producers or exporters will be 436.80 percent, as discussed in the “All-Others Rate” section, above.

With respect to entries from the UAE, pursuant to section 735(c)(1)(B)(ii) of the Act, CBP shall require a cash deposit equal to the weighted-average amount by which normal value exceeds U.S. price, as follows: (1) For Emirates Steel, the cash deposit rate will be equal to the estimated weighted-average dumping margin which the Department determined in this final determination; (2) if the exporter is not a firm identified in this investigation but the producer is, then the cash deposit rate will be equal to the estimated weighted-average dumping margin established for the producer of the subject merchandise; (3) the cash deposit rate for all other producers or exporters will be 84.10 percent, as discussed in the “All-Others Rate” section, above.

These instructions suspending liquidation will remain in effect until further notice.

Disclosure

The estimated weighted-average dumping margins assigned to the mandatory respondents in these investigations in the *Preliminary LTFV Determinations* were based on adverse facts available. As we made no changes to these margins since the *Preliminary LTFV Determinations*, no disclosure of calculations is necessary for these final determinations.

International Trade Commission Notification

In accordance with section 735(d) of the Act, we will notify the U.S. International Trade Commission (ITC) of our final determination of sales at LTFV for Belarus, Russia, and the UAE and final affirmative determination of critical circumstances for Russia. Because the final determinations in these proceedings are affirmative, the ITC will make its final determination as to whether the domestic industry in the United States is materially injured, or threatened with material injury, by reason of imports of wire rod from Belarus, Russia, and the UAE no later than 45 days after our final determination, in accordance with section 735(b)(2) of the Act. If the ITC determines that such injury does not exist, these proceedings will be terminated and all cash deposits posted will be refunded or cancelled. If the ITC

determines that such injury exists, the Department will issue antidumping duty orders directing CBP to assess upon further instruction by the Department, antidumping duties on all imports of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the effective date of the suspension liquidation.

Notification Regarding Administrative Protective Orders

This notice serves as a reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

Notification to Interested Parties

These determinations are issued and published in accordance with sections 735(d) and 777(i)(1) of the Act and 19 CFR 351.210(c).

Dated: November 20, 2017.

Gary Taverman,
